Value of taxable supply	1,69,000

2. (a) Determination of time of supply:

	Particulars
(i)	May 12 will be the time of supply, being the earliest of the three stipulated dates namely, receipt of goods, date of payment and date immediately following 30 days of issuance of invoice [Section 12(3) of the CGST Act, 2017].
(ii)	June 4, 31 st day from the date of supplier's invoice, will be the time of supply, being the earliest of the three stipulated dates namely, receipt of goods, date of payment and date immediately following 30 days of issuance of invoice [Section 12(3) of the CGST Act, 2017].

- (b) (i) Schedule I read with section 7(1)(c) of the CGST Act, 2017, *inter alia*, stipulates that supply of goods or services or both between related persons or between distinct persons as specified in section 25 of the CGST Act, 2017, is supply even without consideration provided it is made in the course or furtherance of business. Further, a person who has obtained more than one registration, whether in one State/Union territory or more than one State/Union territory shall, in respect of each such registration, be treated as **distinct persons** [Section 25(4) of the CGST Act, 2017].

In view of the same, factory and depot of Rimjhim, Manufacturers are distinct persons. Therefore, supply of goods from Delhi factory of Rimjhim Manufacturers to Mumbai Depot without consideration, but in course/furtherance of business, is supply under section 7 of the CGST Act, 2017 read with Schedule I.

- (ii) Schedule I read with section 7(1)(c) of the CGST Act, 2017, *inter alia*, stipulates that import of services by a taxable person from a **related person** located outside India, without consideration is treated as supply if it is provided in the course or furtherance of business. Explanation to section 15 of the CGST Act, 2017, *inter alia*, provides that persons shall be deemed to be “**related persons**” if they are **members of the same family**. Further, as per section 2(49) of the CGST Act, 2017, family means, —

- (a) the spouse and children of the person, and
- (b) the parents, grand-parents, brothers and sisters of the person **if they are wholly or mainly dependent on the said person**.

In the given case, Mohan has received free of cost legal services from his brother. However, in view of section 2(49)(ii) of the CGST Act, 2017 above, Mohan and his brother cannot be considered to be related as Mohan's brother is a well-known lawyer and so, not wholly/mainly dependent on Mohan. Further, Mohan has taken legal advice from him in personal matter and not in course or furtherance of business. Consequently, services provided by

Mohan's brother to him would not be treated as supply under section 7 of the CGST Act, 2017 read with Schedule I.

3. (a) (i) As per section 31 of the CGST Act, 2017 read with the CGST Rules, in case of taxable supply of services, invoices should be issued before or after the provision of service, but within a period of 30 days [45 days in case of insurer/ banking company or financial institutions including NBFCs] from the date of supply of service.

In view of said provisions, in the present case, the tax invoice should have been issued in the prescribed time limit of 30 days from the date of supply of service i.e. upto 3rd February. However, the invoice has been issued on 10th February.

- (ii) Section 31 of the CGST Act, 2017 read with the CGST Rules, *inter alia*, provides that tax invoice in addition to other mandatory details shall also contain the amount of tax charged in respect of taxable goods or services (central tax, State tax, integrated tax, Union territory tax or cess). Further, where any supply is made for a consideration, every person who is liable to pay tax for such supply shall prominently indicate in all documents relating to assessment, tax invoice and other like documents, the amount of tax charged in respect of taxable goods or services which shall form part of the price at which such supply is made.

The objection raised by the tax consultant of World Fashions suggesting that the amount of tax charged in respect of the taxable supply of makeover services should be shown separately in the invoice raised by Glamour Beauty Services Ltd., is valid in law.

- (b) (i) The registered person, whose aggregate turnover in the preceding financial year does not exceed ₹ 1.5 crore, may opt to pay tax under composition levy, under section 10(1) and 10(2) of the CGST Act, 2017.

The scheme can be availed by an intra-State supplier of goods and supplier of restaurant service.

However, the composition scheme permits supply of marginal services (other than restaurant services) for a specified value along with the supply of goods and restaurant service, as the case may be.

Thus, M/s Balaji Electronics can opt for composition scheme for the current financial year as its aggregate turnover is less than ₹ 1.5 crore in the preceding financial year and it is not engaged in inter-State outward supplies.

- (ii) The registered person opting for composition scheme, under section 10(1) and 10(2) of the CGST Act, 2017, can also supply services (other than restaurant services) for a value up to 10% of the turnover in the preceding year or ₹ 5 lakh, whichever is higher, in the current financial year.

Thus, M/s Balaji Electronics can supply repair and maintenance services up to a value of ₹ 12 lakh [10% of ₹ 120 lakh or ₹ 5 lakh, whichever is higher] in the current financial year.

4. (a) The location of supplier of mobile services cannot be the place of supply as the mobile companies are providing services in multiple states and many of these services are inter-state. The consumption principle will be broken if the location of supplier is taken as place of supply and all the revenue may go to a few states where the suppliers are located.

The place of supply for mobile connection would depend on whether the connection is on postpaid or prepaid basis. In case of postpaid connections, the place of supply is the location of billing address of the recipient of services on the record of supplier of services.

In case of pre-paid connections, if the service is supplied:-

- (i) through a selling agent or a re-seller or a distributor of SIM card or re-charge voucher, the place of supply is the place address of the selling agent or re-seller or distributor as per the record of the supplier at the time of supply; or
- (ii) by any person to the final subscriber, the place of supply is the location where such prepayment is received or such vouchers are sold;
- (iii) in other cases, the place of supply is the address of the recipient as per the records of the supplier of services and where such address is not available, the place of supply shall be location of the supplier of services.

However, if the recharge is done through internet/e-payment, the location of recipient of service on record of the supplier will be taken as the place of supply.

Or

- (a) In case of an event, if the recipient of service is registered, the place of supply of services for organizing the event is the location of such person. However, if the recipient is not registered, the place of supply is the place where event is held.

Since the event is being held in multiple states and a consolidated amount is charged for such services, the place of supply will be deemed to be in each State in proportion to the value for services determined in terms of the contract or agreement entered into in this regard.

In the absence of a contract or agreement between the supplier and recipient of services, the proportionate value of services made in each State (where the event is held) will be computed in accordance with rule 5 of the IGST Rules by the application of generally accepted accounting principles.

- (b) The person-in-charge of a conveyance has to carry -
