READING

Let's be honest—when it comes to English for some political exams, reading isn't just important; it's everything. Nearly half of the questions—directly or indirectly—are based on how well you read. Don't think I'm saying that to scare you. You don't have to become a speed reader overnight. What you need is smart, consistent reading. That's why I've picked real, relevant content from daily newspapers just for you. It'll train your mind to think, understand, and respond faster. Every passage you read here brings you a step closer to confidence and clarity. Read this, and you've already won half the battle.

VOCABULARY

I know vocabulary can feel overwhelming sometimes—so many words, so little time. But here's the truth: it doesn't have to be that way. This section is designed to help you truly connect with words—not just memorize them. You'll learn them in context, understand how they're used in real life, and slowly start to own them. Everything you see here is from actual newspapers, so it's relevant, real, and reliable. Over time, you'll notice something beautiful—you won't just remember the words, you'll feel them. And that changes everything.

GRAMMAR

Grammar... it has a bit of a reputation, right? You study rules, you memorize exceptions. But here's the thing: grammar doesn't have to be dry or confusing. In fact, it can be one of the most empowering tools you have. We're not going to give you rules—we're going to understand them, together. All examples come from real newspaper content, so you'll see how grammar actually works in real life. Shortcuts, patterns will start to click. You'll begin spotting mistakes instantly, understanding structure intuitively. That's grammar doing its job, and you're becoming your own support system.

IDIOMS & PHRASES

Idioms and phrases—these little expressions that often confuse us in the exam—don't worry, we've got this. I've picked the ones you'll actually come across in exams, pulled straight from daily newspapers. But more importantly, I'll help you understand them in a way that sticks. Not by rote, but through real context and simple meaning. Give them, these phrases will become second nature to you, and you'll be able to use and spot them effortlessly. It's one of those small things that makes a big difference.

DESCRIPTIVE WRITING

Descriptive writing is where your preparation meets your personality. It's not just about grammar or structure—it's about how you think, how you feel, and how clearly you express that. Whether you're writing an essay, a piece, or a report, I'll help you shape your thoughts with clarity and purpose. All the topics we'll work on come from current news, so your writing stays fresh, relevant, and impactful. And here's my promise—you'll never feel lost staring at a blank page again. Together, we'll build your voice, one word at a time.

QUESTIONS

By Anubhav Sir

PROFOUND

अगाध

Adj

difficult for one of ordinary knowledge or intelligence to understand

SYNONYMS

- Esoteric ✓
- Recondite ✓
- Arcane ✓
- Hermetic ✓
- Ambiguous ✓

Sagacious
Erudite

ANTONYMS

- Facile ✓
- Lucid ✓
- Fathomable ✓
- Perspicuous ✓

Superficial
clear

Flippant Trivial
Cursory Minor

Kya Bolra Kuch Samajh me nahi aara

FORMS

Noun-(profundity)

The book offers _____ insights into human nature.

TRANSCEND

अतिक्रमन करना

to go beyond the limit of

SYNONYMS

- Surpass ✓
 - Invade ✓
 - Encroach ✓
 - Entrench ✓
- Introduce*
Treepans

ANTONYMS

- Succumb ✓
- Submerge ✓
- Yield ✓
- Descend ✓

FORMS

Noun-(transcendence)

Her performance _____ all expectations.

BLISS

परम आनंद

a feeling or state of well-being and contentment

SYNONYMS

- Beatitude ✓
- Ecstasy ✓
- Felicity ✓
- Elation ✓
- Euphoria ✓

Delight
Rapture
Joy

ANTONYMS

- Agony ✓
- Woe ✓
- Anguish ✓
- Blues ✓

Misery
Plight
Predicament

FORMS

Adjective-(blissful)

Marriage is often described as a state of ____.

WHIMSICAL

सनकी / *Capricious*

prone to sudden illogical changes of mind, ideas, or actions

SYNONYMS

- Eccentric ✓
- Volatile ✓
- Capricious ✓
- Quirky ✓
- Impetuous ✓

Mercurial

ANTONYMS

- Earthy ✓
- Pragmatic ✓
- Rational ✓
- Sane ✓

Insane

Soleer
Sagacious

FORMS

Noun-(whimsy)

Agar meri sanak gyi na toh..

सबकी बैंड बजा कर रख दूंगा

Her _____ decisions often surprised her colleagues.

MODICUM

अल्पभाग

the smallest amount or part imaginable

SYNONYMS

- Whit ✓
- Shred ✓
- Hoot ✓
- Iota ✓
- Darn ✓

ANTONYMS

- Plentitude ✓
- Profusion ✓
- Glut ✓
- Plenty ✓

Multitude

Myriad

Plethora

Surplus / Surfeit

Abundance

FORMS

She possessed a modicum of patience, unlike her colleague who had an _____ of it.

NOMADIC

घुमंतू

traveling from place to place

Vagabond

Adi | N

SYNONYMS

- Peregrine ✓
- Itinerant ✓
- Ambulatory ✓
- Vagrant ✓

wanderer

ANTONYMS

- Sedentary ✓
- Rooted ✓
- Resident ✓
- Stationary ✓

Native

Deviyan

FORMS

Noun-(nomad)

The _____ carried their belongings wherever they went.

NESCIENT

अज्ञानी, अनजान

not informed about or aware of something

(Aaj)

SYNONYMS

- Oblivious ✓
- Incognizant ✓
- Unschooled ✓
- Inconscient ✓

Naive

ANTONYMS

- Erudite ✓
- Cognizant ✓
- Conscious ✓
- Acquainted ✓

Wisdom

FORMS

Noun-(nescience)

The _____ traveler overlooked important cultural customs.

OBEISANCE

श्रद्धा

(N)

a show of respect or acknowledgement of the authority or importance of another

SYNONYMS

- Homage
- Reverence
- Adoration
- Capitulation

Veneration

Honor

ANTONYMS

- Epithet
- Affront
- Insolence
- Impudence

FORMS

Obeys

Defiance

He made a deep _____ to the spiritual leader.

PETULANT

easily irritated or annoyed ✓

चिड़चिड़ा ✓

(Aon)

SYNONYMS

- Irritable ✓
- Querulous ✓
- Fractious ✓
- Cantankerous

Peevish Sulky

ANTONYMS

- Serene ✓
- Affable ✓
- Gregarious ✓
- Stoic ✓

Benevolent

Amiable

Genial
Benign

FORMS

Noun-(petulance)

Innuendo

His _____ made it difficult to work with him.

REALM

क्षेत्र

an area over which activity, capacity, or influence extends

SYNONYMS

- Spectrum ✓
- Amplitude ✓
- Domain ✓
- Ambit ✓

ANTONYMS

- Periphery ✓
- Fringe ✓
- Exterior ✓

ye mera area hai. aur area me koi bhi interest nahi karna. ok?

FORMS

Artificial intelligence is a rapidly growing _____ of technology.

IDIOMS

- **Bend over backwards** – To make a great effort to help or satisfy someone.
Example: The hotel staff bent over backwards to ensure we had a comfortable stay.
- **See eye to eye** – To agree completely with someone.
Example: Though they often argued, they finally saw eye to eye on the budget proposal.
- **Hang by a thread** – To be in a dangerous or uncertain situation.
Example: The peace agreement was hanging by a thread after the latest round of violence.

PHRASAL VERBS

• **Dwell on** – To think or talk a lot about something, especially something negative.

Example: Instead of learning from the mistake, he kept dwelling on it for weeks.

Contemplate

• **Filter through** – To gradually become known or noticed.

Example: Rumors about the company's downsizing began to filter through the office quietly.

• **Fade away** – To slowly disappear or become less intense.

Example: His anger began to fade away as he listened to her explanation.

all derived from the root "ver-" (Latin: *verus*, meaning "truth"):

• **Veracious (adjective)** – Speaking or representing the truth

Example: The witness was praised for her veracious testimony in court.

• **Verity (noun)** – A true principle or belief, especially one of fundamental importance

Truth

Example: The ancient verities of justice and equality still guide our laws today.

• **Verify (verb)** – To prove or confirm the truth of something

Example: The scientist had to verify the data before publishing the results.

• **Verisimilitude (noun)** – The appearance of being true or real

Example: The novel's strength lies in its emotional verisimilitude.

• **Verdict (noun)** – A decision on a disputed issue, especially one made in court

Example: The jury returned a unanimous verdict of not guilty.

Imagine standing quietly by a river at sunset. The sky glows softly, painted in shades of amber and violet. As twilight deepens, two gentle voices seem to speak from within the heart: one belongs to the poet Rabindranath Tagore and the other to the sage Adi Shankaracharya. Although separated by centuries, their voices blend seamlessly, guiding us to one profound truth: the universe is a unified ocean of endless joy and consciousness. Tagore's poetic spirit saw life as a dance of eternal bliss, shimmering within every leaf, every drop of rain, every rising sun. He invited us not just to observe this divine harmony but to feel it intimately, within ourselves. Tagore believed our everyday existence is bathed in sacredness, connecting us with something infinite and joyous. Shankaracharya echoed this with clarity, gently reminding us that beneath the layers of daily life—our desires, sorrows, virtues, and vices—exists a realm untouched by change. It's a place of pure awareness, blissful and boundless. For Shankaracharya, we are not limited individuals struggling through life; rather, we are infinite consciousness itself. At first glance, these two great minds seem distinct: Tagore spoke poetically from the heart while Shankaracharya illuminated truth through reason and insight. Yet, together they show us two paths to the same destination—the realisation of our unity with the universe. Imagine yourself as a wave upon a vast ocean.

The wave rises, travels, and eventually returns to the water. While each wave appears separate, its essence is forever merged with the ocean. Tagore and Shankaracharya teach us to recognise ourselves as waves in the ocean of life—never truly separate, always part of the greater whole. Both masters also transcend religious rituals and boundaries, inviting us into a spirituality rooted deeply in silence. Tagore described profound devotion as a silent bowing of the heart—a communion beyond words, rituals, and temples. Shankaracharya similarly taught that spiritual awakening is simple: it means recognising our inherent freedom and bliss, not searching for them outside ourselves. Their teachings become especially powerful in our busy modern lives. Doctors, healers, teachers, caregivers—indeed, all of us—find profound meaning here. When we begin to see the divine in everyone we meet, each act of kindness becomes sacred, each moment becomes significant, and life itself transforms into spiritual practice. Tagore's gentle invitation is to embrace life as a divine celebration—to feel sacredness in ordinary moments, such as sunlight filtering through leaves, shared laughter, or quiet acts of compassion. Shankaracharya adds the depth of insight, teaching us to dissolve barriers that create loneliness and separateness. Together, they gently guide us towards a deeper understanding of our true selves, leading to lasting peace. In their combined wisdom, we rediscover our heart's true home—an endless stream of joy and serenity. Their voices blend into a harmonious melody, affirming that within us and all around us flows infinite bliss, connecting each soul eternally with the cosmos.

$$\frac{8}{10}$$

1. Purpose-Based Question

What is the primary **purpose** of the passage? ✓

- A. To compare the poetic styles of Rabindranath Tagore and Adi Shankaracharya
- B. To argue that poetic and philosophical voices are incompatible
- C. To illustrate the shared vision of universal unity in the teachings of Tagore and Shankaracharya
- D. To critique modern spiritual practices as too ritualistic
- E. To chronicle the historical evolution of Indian spirituality

2. Inference Based Question

Which of the following can be inferred about Tagore and Shankaracharya from the passage?

- A. Both rejected all forms of philosophical reasoning in favor of emotion.
- B. Tagore emphasized reason, while Shankaracharya emphasized emotion.
- C. Though separated by centuries, they offer complementary paths to spiritual realization.
- D. They collaborated directly to compose a single poetic work.
- E. Both focused primarily on external rituals as the path to unity.

3. Understanding context

The description “beneath the layers of daily life—our desires, sorrows, virtues, and vices—exists a realm untouched by change” chiefly conveys that this realm is:

- A. Subject to constant transformation
- B. Beyond the influence of worldly fluctuations
- C. Easily accessible through external devotion
- D. Defined by emotional turbulence
- E. Dependent on ritual observance

4. Vocab-Based Question

Which of the following best reflects the synonym of the word “**blissful**” as used in the passage?

The word “**blissful**” in the context of “a realm untouched by change ... pure awareness, blissful and boundless” most nearly means

- A. Turbulent
- B. Joyous without reservation ✓
- C. Spiritually dubious
- D. Intellectually stimulating
- E. Physically invigorating

According to the passage, why are Tagore's and Shankaracharya's teachings particularly relevant to modern professionals (e.g., doctors, teachers)?

- A. They prescribe specific meditation techniques for daily practice.
- B. They emphasize the sacredness in ordinary acts, transforming everyday work into spiritual practice.
- C. They advocate for abandoning professional duties in favor of monastic life.
- D. They require formal membership in religious institutions.
- E. They focus on elaborate rituals to enhance workplace productivity.

Evaluate the following statements based on the passage:

- I. Tagore described profound devotion as a silent bowing of the heart—beyond words, rituals, and temples.
- II. Shankaracharya taught that ~~spiritual~~ awakening requires elaborate external ceremonies and rituals.
- III. Both Tagore and Shankaracharya emphasized transcending religious boundaries to recognize our unity with the universe.

Which of the above statements are true?

- A. Only I
- B. Only II
- C. II and III
- D. Only III
- E. I and III ✓

India's long cricketing tour of England concluded in a gripping stalemate. A 2-2 verdict, following Shubman Gill's men snatching a six-run triumph against the host at the Oval on Monday (August 4, 2025), was an apt reflection of a well-contested Test series that featured five matches. Australia has been conquered a few times in its backyard, but for India, England at home remains a tough opponent. Only thrice has India seized a Test series under the **whimsical** English skies, with the last series victory coming in 2007. The odds were stacked high too as this was a visiting unit that had lost Rohit Sharma, Virat Kohli and R. Ashwin to retirements. Gill's men, however, fought hard. In an age in which there are whispers about implementing four-day Tests, this series was a reflection of all that is good with cricket's traditional format as every contest spilled onto the fifth day. England's Bazball style did upset India's best laid plans at times and yet the bowlers found ways to strike back. England was led well by the rousing manner of all-rounder Ben Stokes till he skipped the last Test due to injury. And in Joe Root, England has a batter for the ages, and if he stays fit, Sachin Tendulkar's record Test aggregate of 15,921 runs may not remain immune.

In the distant past, a tour of England featured additional warm-up games against the Counties. The length of the tour helped players rest and regain form.

Modern-day players have no such luxuries as a cramped year-long schedule that packs in T20s such as the Indian Premier League, means that every overseas trip becomes a rushed affair. That Jasprit Bumrah could only play three Tests and even Stokes had to skip one at the end, is a reflection of how cricketers have no time to pause and remain injury prone. Seen in that light, Mohammed Siraj turning out for five Tests and bowling with verve and skill, is a huge testament of his fitness. India has much to cherish as Gill amassed 754 runs, and K.L. Rahul and Yashasvi Jaiswal excelled with the bat. Meanwhile, Ravindra Jadeja and Washington Sundar offered depth in the batting order, even if the tail below wilted. The injury to Rishabh Pant was unfortunate but he is bound to return in a while. India missed Mohammed Shami and much hinged on the fiery Siraj who with 23 wickets stepped up even as his fellow seamers lost their radar at times. A team in transition is bound to have teething issues. However, through their rugged fight, these players offer hope for better days ahead.

Inference-Based Question

What can be reasonably inferred from the passage about the impact of modern cricketing schedules on player availability?

- A. Players now prefer T20 over Test cricket due to higher pay.
- B. The tight scheduling has indirectly improved fitness standards.
- C. International cricket boards are prioritizing Test matches over leagues.
- D. Modern schedules compromise player recovery, increasing injury risk.
- E. Modern cricketers are less committed to national duty.

Critical Reasoning – Cause & Effect

Which of the following is the most likely reason the passage highlights the absence of Rohit Sharma, Virat Kohli, and Ashwin?

- A. To demonstrate the challenge faced by a transitioning Indian team
- B. To underline that England remains unbeatable without key players
- C. To emphasize the rising role of senior cricketers in management
- D. To explain India's loss in the final Test of the series
- E. To draw attention to retirement patterns in English cricket

Fill in the Blank – Logical Completion

The Test series between India and England is presented as _____, contradicting current debates about shortening the format.

- A. a fading remnant of a dying tradition
- B. a predictable sequence of drawn matches
- C. a riveting justification for five-day cricket
- D. a futile example of outdated scheduling
- E. a routine clash overshadowed by T20s

True/False Evaluation

Which of the following statements are true according to the passage?

- I. Joe Root is seen as a long-term contender to Sachin Tendulkar's Test run record.
- II. All Indian seamers performed consistently well throughout the series.
- III. The final Test was skipped by England's regular captain due to injury.

- A. Only I
- B. I and III
- C. II and III
- D. Only III
- E. I, II, and III
