1. What is the name of the joint airborne exercise conducted by the Indian Army and the Indian Air Force in February 2025?

- [A] Exercise Winged Raiders
- [B] Exercise Gagan Shakti
- [C] Exercise Yudh Abhyas
- [D] Exercise Vayu Shakti

Correct Answer: A [Exercise Winged Raiders]

The Indian Army and Indian Air Force conducted EX Winged Raiders in the Eastern Theater. The exercise focused on special airborne operations to improve inter-service synergy. It aimed at enhancing theatre interoperability, crucial for the planned integrated command. Interoperability allows different armed forces to use each other's weapon systems efficiently. The exercise involved airborne insertion techniques using fixed-wing and rotary-wing aircraft. Chinook helicopters were used for special airborne operations. The training enhanced troop expertise, rapid deployment, and mission readiness.
