## Daily Current affairs 6 May, 2025

**1. Igla-S is a Man Portable Air Defence System (MANPADS) developed by which country?**

- [A] Russia
- [B] China
- [C] France
- [D] India

**Correct Answer:** A [Russia]

India has recently received a new shipment of Russian Igla-S air defence missiles amid rising tensions with Pakistan after the Pahalgam terror attack. Igla-S is a Man Portable Air Defence System (MANPADS) developed by Russia. It is a hand-held system that can be used by one person or a small crew. It is designed to shoot down low-flying aircraft, cruise missiles, and drones.

**2. Which state is home to India's first Artificial Intelligence (AI) Data Center Park?**

- [A] Karnataka
- [B] Maharashtra
- [C] Uttar Pradesh
- [D] Chhattisgarh

**Correct Answer:** D [Chhattisgarh]

In a major step toward digital transformation, Chhattisgarh Chief Minister laid the foundation for India's first Artificial Intelligence-

based Data Center Park in Raipur. The facility will start with a five megawatt capacity and aims to grow to 150 megawatts. A 2.7-hectare area is being developed as a Special Economic Zone (SEZ) focused on Artificial Intelligence (AI) services. The project will see an investment of Rs 2,000 crore as it expands. The center will support green, energy-efficient technologies for sustainable operations. It will serve sectors like AI, Financial Technology (FinTech), Health Technology (HealthTech), defense, and data analytics. The infrastructure will use Graphics Processing Unit (GPU)-based systems for real-time data processing, streaming, and analytics.

**3.Which is the nodal ministry for implementing the SVAMITVA scheme?**

- [A] Ministry of Urban Development
- [B] Ministry of Panchayati Raj
- [C] Ministry of Rural Development
- [D] Ministry of Agriculture

**Correct Answer:** B [Ministry of Panchayati Raj]

India's SVAMITVA scheme will be highlighted at the World Bank Land Conference in Washington, D.C., showcasing its role in digitalising rural land records. SVAMITVA stands for Survey of Villages and Mapping with Improvised Technology in Village Areas and was launched in 2020 as a central sector scheme. It aims to give rural residents legal documents for their residential properties to help them access loans and other financial services. Drone technology is used to survey land parcels in rural inhabited areas across India in phases. The scheme helps bring financial stability to rural citizens by treating property as a financial asset. It also ensures accurate land records for better rural planning and governance. The Ministry of Panchayati Raj (MoPR) is the nodal ministry for implementing the scheme. State Revenue or Land Records Departments implement the scheme with support from State Panchayati Raj Departments.

**4.The newly discovered “Pwani molecular form” mosquito has been found in which region?**

- [A] Coastal East Africa
- [B] Central Africa
- [C] Central Asia
- [D] Australia

**Correct Answer:** A [Coastal East Africa]

A new mosquito species called the “Pwani molecular form” has been found in coastal areas of Tanzania and Kenya, drawing global attention to malaria control. It belongs to the *Anopheles gambiae* complex, which includes some of the world’s most dangerous malaria-spreading mosquitoes. This mosquito shows strong genetic differences from other species in the same group, suggesting unique behaviour or environmental adaptation. Genetic studies confirm it is only found along the coastal regions of East Africa, mainly in Tanzania and Kenya. It does not carry the usual genes for insecticide resistance found in other malaria vectors. This may mean it has a different resistance method or is more sensitive to current insecticides.

**5.Anthony Albanese has been re-elected as prime minister of which country ?**

- [A] Australia
- [B] France
- [C] Singapore
- [D] Sweden

**Correct Answer:** A [Australia]

Australian Prime Minister Anthony Albanese has been re-elected, becoming the first leader in decades to win a second term, marking a major political milestone. With around 70.8% of votes counted, the Australian Broadcasting Corporation (ABC) reports that the Labor Party is set to win 85 seats, well above the 76 needed for a majority.

The Opposition Liberal National Coalition is likely to secure 36 seats, while Independents are expected to get 10. After his win, Albanese called being Prime Minister the greatest honour of his life while addressing supporters in Sydney.

A **"copyright infringement notice warning"** is a formal notification sent to an individual or entity informing them that they are suspected of using copyrighted material without permission, essentially stating that they are violating copyright laws and must cease and desist from further unauthorized use of the protected work; this notice typically includes details about the infringing material, the copyright owner's identity, and a request to remove the content or seek proper authorization to use it.
