## Daily Current affairs March 29 , 2025

**1.Which state government has launched AI-powered chatbot 'Sarathi' for easy access to government documents?**

- [A] Haryana
- [B] Rajasthan
- [C] Gujarat
- [D] Odisha

**Correct Answer:** A [Haryana]

Haryana government launched AI-powered chatbot 'Sarathi' for easy access to government documents. Chief Minister Nayab Singh Saini introduced it as part of digital governance efforts. The chatbot provides instant access to over 17,820 official documents spanning 73,622 scanned PDF pages. It retrieves government orders, acts, policies, and circulars using AI-powered search. 'Sarathi' eliminates manual searches, improving efficiency and transparency. Features include 24/7 availability, user-friendly interface, and instant document retrieval. The initiative aligns with India's broader trend of using AI in governance.

**2.The Global Astrometric Interferometer for Astrophysics (GAIA) was launched by which space organization?**

- [A] Indian Space Research Organisation (ISRO)
- [B] European Space Agency (ESA)

- [C] China National Space Administration (CNSA)
- [D] Japan Aerospace Exploration Agency (JAXA)

**Correct Answer:** B [European Space Agency (ESA)]

The European Space Agency (ESA) shut down the Gaia space observatory on March 27, 2025. It was launched in 2013 by European Space Agency (ESA). Gaia aimed to create the most precise 3D map of the Milky Way. Originally named Global Astrometric Interferometer for Astrophysics (GAIA), later simplified to Gaia. It is positioned at Lagrange Point 2 (L2), 1.5 million km from Earth, for an unobstructed view.

**3.Lewis Glacier, which was seen in news due to its rapid melting, is located on which mountain?**

- [A] Mount Everest
- [B] Mount Elbrus
- [C] Mount Kilimanjaro
- [D] Mount Kenya

**Correct Answer:** D [Mount Kenya]

Climate change is rapidly melting glaciers on Mount Kenya, Africa's second-highest mountain. Lewis Glacier, once a major ice mass, has shrunk drastically and may disappear by 2030. The Lewis Glacier is located on Mount Kenya. Mount Kenya is an extinct stratovolcano and Africa's second-highest mountain after Kilimanjaro. The glacier's retreat highlights the severe impact of global warming on Africa's high-altitude ice.

**4.Which state topped the medal tally in the second edition of the Khelo India Para Games 2025?**

- [A] Haryana
- [B] Madhya Pradesh
- [C] Bihar
- [D] Tamil Nadu

**Correct Answer:** A [Haryana]

The second edition of the Khelo India Para Games (KIPG) concluded on 27 March, 2025. Haryana topped the medal tally with 34 gold medals. Tamil Nadu secured second place with 28 golds, while Uttar Pradesh came third with 23 golds. Around 1,300 athletes participated in six sports across three venues in New Delhi. Events were held at Jawaharlal Nehru Indoor Stadium, Indira Gandhi Indoor Stadium, and Karni Singh Shooting Range. The games showcased remarkable endurance, resilience, and the spirit of overcoming challenges.

**5.The NAMIS (Nag Anti-Tank Missile System) has been developed by which organization?**

- [A] Indian Space Research Organisation (ISRO)
- [B] Bharat Electronics Limited (BEL)
- [C] Defence Research and Development Organisation (DRDO)
- [D] Hindustan Aeronautics Limited (HAL)

**Correct Answer:** C [Defence Research and Development Organisation (DRDO)]

The Defence Ministry signed Rs.2,500 crore contracts for NAMIS (Nag Anti-Tank Missile System) and light vehicles. NAMIS (Nag Anti-Tank Missile System) was developed by Defence Research and Development Laboratory (DRDL), a part of the Defence Research and Development Organisation (DRDO) and produced by Bharat Dynamics Limited (BDL). It is a tracked version of the Nag Anti-Tank

Guided Missile (ATGM) mounted on a BMP-2 chassis. A third-generation “fire-and-forget” missile, it locks onto targets using an Imaging Infrared (IIR) Seeker. It can destroy heavily armored tanks, including those with composite and reactive armor.

A **"copyright infringement notice warning"** is a formal notification sent to an individual or entity informing them that they are suspected of using copyrighted material without permission, essentially stating that they are violating copyright laws and must cease and desist from further unauthorized use of the protected work; this notice typically includes details about the infringing material, the copyright owner's identity, and a request to remove the content or seek proper authorization to use it.
