Exam Tips:

- Revise only GA one-liners, banking terms, and computer shortcuts
- Do not start any new topic before the exam
- Eat light food, stay hydrated, and carry admit card + original ID
- Manage time carefully and don't get stuck on one question
- Start with GA and Computer for quick scoring
- Attempt English/Hindi next, then Reasoning and Quant
- In Reasoning, do Inequality and Syllogism first
- In Quant, focus on Approximation, Arithmetic, and easy DI
- Attempt only sure-shot questions and avoid guesswork
- Stay calm, focus on accuracy, and remain confident till the end
