4. **Escalating tensions** – Increasing the intensity of disagreements.
5. **Pander to** – To appease or gratify someone's desires, often negatively.

SHALL WE READ?

Justin Trudeau's rise and fall as a global progressive icon is representative of the crisis of liberalism in general. After being in power as Prime Minister of Canada for a nine-year tenure over three terms, Mr. Trudeau announced his resignation on January 6. He had risen as the central figure of Canadian politics in 2015, leading the Liberal Party to an impressive victory in the federal election but that turned out to be the peak of his popularity. Born a child of privilege and power — his father Pierre Elliott Trudeau was Prime Minister for 15 years — Mr. Trudeau had rhetoric that was music to the ears of the global liberal elite, but his sense of the country's public mood has been poor.

xxx

As his unhinged liberalism translated into unchecked policies of the federal government, Canadians turned against him and the Liberal Party collapsed into a low point in its history, with its popularity now barely touching 15%. His fiscal policy riled conservatives and moderates, and the generous immigration policy that he approved created a spurt in the population, straining housing, health care, employment opportunities and wages. His cultural liberalism was far o ← the centre of Canadian politics. When signs of discontent began to manifest as public protest and criticism, he resorted to strong arm state measures and dismissed his critics.

xxx

Mr. Trudeau said he hoped his exit would arrest the decline of the Liberal Party but that sounds overly optimistic. But a post-Trudeau Canada may be able to mend its ties with key partners including the United States and India. It might be months before the Liberal Party manages to install his successor or its minority government falls and a fresh election is held. The Conservative Party led by Pierre Poilievre is on an upswing and appears headed for a landslide victory, whenever elections are held, unless there is yet another turnaround in public mood.

xxx

Mr. Trudeau's successor may help rescue Canada-India ties Mr. Trudeau's compulsions to pander to Sikh extremists in Canada led to bizarre situations during his tenure. By escalating tensions with India on suspicion of Indian agents being involved in the murder of a Khalistani activist in Canada, Mr. Trudeau showed poor statesmanship and diplomacy. In being publicly judgmental and dismissive of Donald Trump in the run-up to the elections in the United States, Mr. Trudeau acted unwisely. He was ushered in with wide fanfare in 2015, but nobody seems to cry over this exit.

xxx

1. Based on the passage, what is a plausible reason for the Conservative Party's current upswing in Canada?

A) Its alignment with Trudeau's immigration policies (Subset)

B) Public dissatisfaction with Trudeau's handling of diplomacy and governance ←

C) Its success in maintaining strong ties with India and the United States

D) A significant reduction in Canada's fiscal deficit under Trudeau (Subset)

E) The party's consistent support for cultural liberalism

2. What marked the peak of Justin Trudeau's popularity?

- A) His generous immigration policies
- B) His rise as the central figure of Canadian politics in 2015 ←
- C) His nine-year tenure as Prime Minister ✓
- D) His fiscal policies ✓
- E) His efforts to mend Canada-India ties ✓

3. Which policy created significant strain on housing, health care, and employment opportunities in Canada?

A) Fiscal policy

B) Strong-arm state measures

C) Cultural liberalism

D) Generous immigration policy ←

E) State surveillance measures

4. What political party is currently on the rise in Canada, according to the passage?

A) New Democratic Party

B) Liberal Party

C) Conservative Party 

D) Green Party

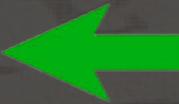

E) Bloc Québécois

5. How did Justin Trudeau handle criticism and public protests during his tenure?

- A) By resigning immediately
- B) By implementing strong-arm state measures 
- C) By fostering diplomacy and public dialogue
- D) By increasing federal government support
- E) By promoting economic incentives

6. What strained Canada-India relations during Trudeau's tenure?

- A) Generous immigration policies
- B) His fiscal decisions
- C) His public criticism of Donald Trump
- D) His pandering to Sikh extremists and accusations against India 
- E) Lack of housing development in Canada

India has been working on an ambitious journey toward digital governance to bolster the capabilities of citizen and government employees. To set digital governance as a paradigm, government initiate such platforms like iGOT Karmayogi platform, e-Office and Government e-Marketplace (GeM). These initiatives playing a crucial role to reduce the reliance on paperwork and enhancing operational efficiency.

Erratic

The latest guidelines of the University Grants Commission (UGC) herald a transformative shift in higher education in India. Among other reforms, the UGC has introduced an accelerated degree programme and an extended degree programme for undergraduate students, which will allow them to complete their degrees either earlier or later than the standard duration. Advantages and challenges This new paradigm aims to create a globally competitive educational framework that allows students greater autonomy and flexibility in charting out their academic trajectory. In a rigid education system such as India's, this is particularly revolutionary.

xxx

While an accelerated degree programme will be advantageous for students who are keen to join the workforce quickly or who wish to gain early professional experience or save money on tuition fees, the extended degree programme will allow students the leeway to explore a broader range of subjects, undertake internships, engage in research projects, travel and learn new skills, and balance academic pursuits with personal and professional commitments. As the National Education Policy (NEP), 2020, advocates for a multidisciplinary approach to learning, this approach could produce graduates who are not only proficient in their chosen more soft skills, creative skills, and ideas for innovation.

xxx

In addition, by aligning the structure of undergraduate education with international standards, the reforms aim to create greater mobility for Indian students, both within India and abroad. The flexible credit system introduced under these reforms will allow students to progress at their own pace. They can tailor their academic experiences to their specific needs, interests, and future career goals This autonomy is important for the students. However, there are challenges. The accelerated format raises questions about the depth and rigour of the education provided to students.

xxx

If students are taught the same curriculum within a shorter period of time, they may have a superficial understanding of key concepts; this could compromise educational outcomes. In contrast, students who opt for the extended degree programme may lack academic urgency. Some may take longer than necessary to complete their studies, which would diminish the value of the degree.

xxx

1. Guidelines

Meaning: Rules or instructions to follow.

Part of Speech: Noun

Hindi Translation: दिशानिर्देश

Synonyms: Directives, instructions, regulations, recommendations

Antonyms: Freedom, deviation, exemption, disregard

Example Sentence: The latest guidelines of the UGC herald a transformative shift in higher education.

2. Herald

Meaning: To announce or signal something.

Part of Speech: Verb

Hindi Translation: संकेत करना

Synonyms: Announce, proclaim, foreshadow, indicate

Antonyms: Conceal, suppress, withhold, silence

Example Sentence: The guidelines herald a new era in education.

3. Transformative

Meaning: Causing significant change or transformation.

Part of Speech: Adjective

Hindi Translation: परिवर्तनकारी

Synonyms: Revolutionary, groundbreaking, innovative, reformative

Antonyms: Conservative, traditional, stagnant, unchanging

Example Sentence: These reforms are transformative for the education system.

4. Paradigm

Meaning: A typical example or model.

Part of Speech: Noun

Hindi Translation: प्रतिमान

Synonyms: Framework, pattern, model, archetype

Antonyms: Chaos, anomaly, deviation, aberration

Example Sentence: The new paradigm allows students more autonomy in their academic journey.

5. Autonomy

Meaning: Self-governance or independence.

Part of Speech: Noun

Hindi Translation: स्वायत्तता

Synonyms: Independence, self-rule, freedom, sovereignty

Antonyms: Dependence, subordination, restriction, control

Example Sentence: Students will have greater autonomy to tailor their academic experiences.

6. Leeway

Meaning: Freedom to act within certain limits.

Part of Speech: Noun

Hindi Translation: छूट

Synonyms: Flexibility, latitude, room, allowance

Antonyms: Restriction, constraint, limitation, rigidity

Example Sentence: The extended degree programme offers students the leeway to explore broader interests.

7. Multidisciplinary

Meaning: Involving multiple areas of study or expertise.

Part of Speech: Adjective

Hindi Translation: बहु-अनुशासनात्मक

Synonyms: Interdisciplinary, cross-functional, integrative, collaborative

Antonyms: Specialized, isolated, singular, unidisciplinary

Example Sentence: The NEP 2020 promotes a multidisciplinary approach to learning.

8. Rigour

Meaning: The quality of being thorough and strict.

Part of Speech: Noun

Hindi Translation: कठोरता

Synonyms: Stringency, severity, precision, discipline

Antonyms: Leniency, laxity, flexibility, softness

Example Sentence: The accelerated programme raises concerns about the rigour of the education provided.

9. Superficial

Meaning: Lacking depth or thoroughness.

Part of Speech: Adjective

Hindi Translation: सतही

Synonyms: Shallow, cursory, surface-level, insubstantial

Antonyms: Deep, profound, thorough, substantial

Example Sentence: A shorter curriculum may result in a superficial understanding of concepts

10. Urgency

Meaning: The need for immediate action or attention.

Part of Speech: Noun

Hindi Translation: तात्कालिकता

Synonyms: Pressing need, importance, haste, immediacy

Antonyms: Delay, laxity, slowness, indifference

Example Sentence: Students in the extended programme may lack academic urgency.

1. What can be inferred as a primary motivation for the UGC's introduction of flexible undergraduate degree programmes?

A) To eliminate rigid structures in India's primary education system

B) To encourage students to pursue postgraduate studies immediately after graduation

C) To align Indian higher education with global standards and promote flexibility

D) To increase the duration of undergraduate courses for all students

E) To reduce government spending on higher education

2. Based on the passage, what is a potential long-term benefit of the extended degree programme?

- A) It ensures students complete their degrees faster and save on tuition fees.
- B) It encourages students to take academic breaks without consequences.
- C) It provides opportunities for multidisciplinary learning and skill development.
- D) It reduces the need for research and internships during undergraduate studies.
- E) It guarantees employment opportunities immediately after graduation.

Q3. What is the purpose of the accelerated degree programme introduced by the UGC?

- A) To align with NEP 2020 goals**
- B) To enable students to join the workforce quickly**
- C) To allow students to explore multiple subjects**
- D) To encourage students to pursue postgraduate studies**
- E) To extend the duration of undergraduate degrees**

Q4. What challenge is associated with the accelerated degree programme?

- A) Lack of academic urgency**
- B) Higher tuition fees**
- C) Superficial understanding of key concepts**
- D) Difficulty in balancing personal commitments**
- E) Limited international mobility**

Q5. What can be inferred about the impact of aligning undergraduate education with international standards?

- A) It will discourage students from pursuing higher education in India.**
- B) It will create greater mobility opportunities for Indian students domestically and globally.**
- C) It will reduce the flexibility of academic programmes.**
- D) It will eliminate the need for multidisciplinary education.**
- E) It will lead to higher dropout rates among students.**

ANSWER KEY

1. C
2. C
3. B
4. C
5. B

SUMMARY OF THE ARTICLE :

The latest guidelines from the University Grants Commission (UGC) in India aim to change the higher education landscape. Two key programs have been introduced: an accelerated degree program and an extended degree program for undergraduate students. These programs give students the option to complete their degrees faster or take longer than the traditional duration.

xxx

ADVANTAGES:

- **The accelerated program is beneficial for students who want to enter the job market quickly or gain early work experience, and it can help them save on tuition costs.**
- **The extended program allows students more time to explore different subjects, take internships, engage in research, travel, and balance their studies with other commitments. This aligns with the National Education Policy (NEP) 2020, which encourages a broad and multidisciplinary approach to learning.**

ADVANTAGES:

These reforms are designed to help students develop not just academic knowledge but also soft skills and creativity, making them more competitive globally. The new flexible credit system lets students advance at their own pace, tailoring their education to their interests and career goals.

CHALLENGES

Despite these benefits, there are some concerns. The accelerated program may lead to a lack of depth in learning, as students might not fully grasp key concepts if the same curriculum is taught in a shorter time frame. Conversely, students in the extended program may take too long to finish their studies, which could lessen the value of their degree.

Overall, while these changes aim to improve educational outcomes and align with international standards, they also present challenges that need careful consideration.
