1. INTRODUCTION

In the GST regime, for any intra-state supply, taxes to be paid are the Central GST (CGST), going into the account of the Central Government and the State GST SGST/UTGST, going into the account of the concerned State Government/ Union Territory. The mechanism for allocation of such tax amount has been constitutionally devised in the interest of Centre and all States/Union territories. For any inter-state supply, tax to be paid is Integrated GST (IGST) which have components of both CGST and SGST. In addition, certain categories of registered persons will be required to pay to the Government, Tax Deducted at Source (TDS) and Tax Collected at Source (TCS¹). In addition, wherever applicable, interest, penalty, fees and any other payment will also be required to be made.

The introduction of Electronic ledger(s) is a unique feature under the GST regime. Electronic Ledgers or E-Ledgers are of two types. One set is auto-populated upon the action taken by the taxpayer (i) Electronic Cash Ledger, which gets updated upon payment made by the taxpayer on GST Portal and (ii) Electronic Credit Ledger, which gets updated as soon as any input tax credit is claimed or utilized by the taxpayer on the GST Portal. Second set is “Electronic Liability register” auto-populated on the basis of returns furnished by the Registered person or the amount of tax, interest, penalty or any other amount payable as determined by a proper officer in pursuance of any proceedings.

Once a taxpayer is registered on common portal (GSTN), two e-ledgers (Cash & Input Tax Credit ledger) and an electronic tax liability register related functionality is available which is unique for each GSTIN and is accessible to the taxpayer.

Chapter X of the CGST Act, 2017 prescribes the provisions relating to payment of tax containing sections 49 to 53A. Bird's eye view of coverage under these sections is as under-

¹ The provisions relating to TCS have been discussed in Chapter-12: Electronic Commerce Transactions of this Module of the Study Material.

- Section 49 discusses the three ledgers namely the electronic cash ledger, electronic credit ledger and electronic liability register,
- Section 49A & 49B discusses about the utilisation of input tax credit and its order of utilisation.
- Section 50 discusses about the interest on delayed payment of tax.
- Section 51 lays down the circumstances in which tax deduction at source (TDS) becomes mandatory.
- Section 52 deals with the circumstances when tax is to be collected at source (TCS) by the Electronic Commerce Operator.
- Further, the manner of transfer of ITC is laid down in section 53 and
- Transfer of certain amounts is discussed in section 53A.

TDS stands for Tax Deduction at Source (TDS). Tax Deduction at Source (TDS) is a system, initially introduced by the Income Tax Department. Under GST, it is one of the modes/methods to collect tax, under which, certain percentage of amount is deducted by a recipient at the time of making payment to the supplier in case of specified supply transactions. It facilitates sharing of responsibility of tax collection between the deductor and the tax administrator. This concept of TDS ensures regular inflow of tax collection to the Government. This mechanism acts as a powerful instrument to prevent tax evasion and expands the tax net, as it provides for the creation of an audit trail. Also, with the integration of data furnished by the Supplier and recipient on the GST common portal, there exists an audit trail to ensure for harmony of taxes paid by the supplier.

The letters 'TDS' are rendered in a large, bold, gold-colored serif font with a slight shadow effect, positioned to the right of the main text block.

Section 51² of CGST Act, 2017 provides for deduction of tax at source in certain circumstances. This Section specifically lists out the deductor's who are mandated by the Central Government to deduct tax at source, the rate of tax deduction and the procedure for remittance of the tax deducted.

² Students may refer "Standard Operating Procedure on TDS" issued by CBIC from CBIC website.

The amount of tax deducted is reflected in the Electronic Cash Ledger of the deductee respectively.

Provisions of payment of tax including TDS under CGST Act, 2017 have also been made applicable to IGST Act, 2017 vide section 20 of the IGST Act, 2017.

Payment by Challan

❑ What is CPIN, CIN, BRN and E-FPB?

CPIN stands for Common portal Identification Number. It is created for every Challan successfully generated by the taxpayer. It is a 14-digit unique number to identify the challan. CPIN remains valid for a period of 15 days.

CIN or Challan Identification Number is generated by the banks, once payment in lieu of a generated Challan is successful. It is a 18-digit number that is 14-digit CPIN plus 4-digit Bank Code.

CIN is generated by the authorized banks/Reserve Bank of India (RBI) when payment is actually received by such authorized banks or RBI and credited in the relevant Government account held with them. It is an indication that the payment has been realized and credited to the appropriate Government account. CIN is communicated by the authorized bank to taxpayer as well as to GSTN.

BRN or Bank Reference Number is the transaction number given by the bank for a payment against a Challan

E-FPB stands for Electronic Focal Point Branch. These are branches of authorized banks which are authorized to collect payment of GST. Each authorized bank will nominate only one branch as its E-FPB for pan India transaction.

The E-FPB will have to open accounts under each major head for all governments. Any amount received by such E-FPB towards GST will be credited to the appropriate account held by such E-FPB. For NEFT/RTGS/**IMPS** Transactions, RBI will act as E-FPB.

❑ Are manual Challans applicable as allowed under the erstwhile indirect tax regimes?

Manual or physical Challans are not allowed under the GST regime. It is mandatory to generate Challans online on the GST Common Portal.

- ❑ **How many types of Challans are prescribed for various taxes and payments to be paid under the GST regime?**

There is single Challan prescribed for all taxes, fees, penalty, interest, and other payments to be made under the GST regime.

Other Aspects relating to Challan

- ❑ Any person, or a person on his behalf, can generate a challan in prescribed form [Form PMT 06] on the common portal and enter the details of the amount to be deposited by him towards tax, interest, penalty, fees or any other amount.
- ❑ E- challan validity is for 15 days. The commission for making payment through e-challan has to be borne by the person making the payment.
- ❑ The mandate form obtained after making NEFT/RTGS/IMPS payment has to be submitted in the Bank. The validity of the mandate form is 15 days.
- ❑ On successful credit of amount in the concerned (Central/State) Government Account maintained in the authorized bank, a Challan Identification Number (CIN) will be generated by the collecting bank which will be indicated in the challan.
- ❑ On receipt of the CIN from the collecting bank, the said amount is credited into the electronic cash ledger of the person on whose behalf the deposit is made and the common portal will generate a receipt to this effect.
- ❑ If CIN is not generated even after making payment and submission of mandate form or when after generation, it has not been reflected in the common portal, the person making the deposit or the person on whose behalf the deposit has been made, can make a representation in prescribed form i.e. FORM GST PMT-07 through the common portal or e-gateway through which the payment has been made.
- ❑ Where the bank fails to communicate details of Challan Identification Number to the common portal, the Electronic Cash Ledger may be updated on the basis of e-Scroll of the RBI in cases where the details of the said e-Scroll are in conformity with the details in challan generated in Form GST PMT-06 on the common portal.

**Validity of
challan-15 days**

- ❑ Date of credit into the treasury of the State Government/Central Government is deemed to be the date of debit in the electronic cash ledger and not the actual date of deposit of amount in the electronic cash ledger of the taxable person.
- ❑ Any amount deducted under section 51 [TDS] or collected under section 52 [TCS] and claimed by the registered taxable person from whom the said amount was deducted or collected shall be credited to his electronic cash ledger.
- ❑ In case any discrepancy is noticed in electronic cash ledger, the registered person shall communicate the same to the officer exercising jurisdiction in the matter, through the common portal in prescribed form.
- ❑ An unregistered person has to make payment through electronic cash ledger on the basis of temporary identification number generated through common portal.

Manner of utilization of amount reflected in Electronic Cash Ledger

Sub-section 3 of section 49 of the CGST Act lays down the following:

The amount reflected in the electronic cash ledger may be used for making any payment towards tax, interest, penalty, fee, or any other amount in the prescribed manner.

In the e-ledger, information is kept minor head-wise for each major head. The ledger is displayed major head-wise i.e., IGST, CGST, SGST/UTGST, and CESS. Each major head is divided into five minor heads: Tax, Interest, Penalty, Fee, and Others.

A registered taxpayer can make cash deposits in the recognized Banks through the prescribed modes to the Electronic Cash Ledger using any of the Online or Offline modes permitted by the GST Portal. The Cash deposits can be used for making payment(s) like tax liability, interest, penalties, fee, and others.

Transfer of amount reflected in Electronic Cash Ledger

Sub-sections (10) and (11) of section 49 of the CGST Act, 2017 facilitates a registered person to transfer an amount from one (major/minor) head to another (major/minor) head in the electronic cash ledger or to transfer any amount available in the electronic cash ledger, to the electronic cash ledger for IGST/CGST of a distinct person, provided there is no unpaid liability in his electronic liability register.

The amount available in the electronic cash ledger can be utilised for payment of any liability for the major and minor heads. For instance, if the registered person has made a deposit of tax erroneously i.e. by virtue of human error, under a particular head instead of a specific head, the same can be transferred to the respective intended head vide Form GST PMT-09.

Further, a registered person may, on the common portal, transfer any amount of tax, interest, penalty, fee or any other amount available in the electronic cash ledger to the electronic cash ledger for central tax or integrated tax of a distinct person as specified in sub-section (4) or, as the case may be, sub-section (5) of section 25, in Form GST PMT-09.

However, no such transfer shall be allowed if the said registered person has any unpaid liability in his electronic liability register.

This Form can be used either for

- (i) transfer of erroneous deposits under any minor head of a major head to any other minor head of same or other major heads or
- (ii) transfer of any of the amounts already lying unutilised under any of the minor heads in Electronic Cash ledger or
- (iii) transfer of any amount lying in the electronic cash ledger to the electronic cash ledger for CGST/IGST of a distinct person

For instance, a registered person has deposited a sum of ₹ 1,000 under the head of "Interest" column of CGST & ₹ 1,000 under the head of "Interest" column of SGST, instead of the head "Fee". Such amount can be transferred using Form GST PMT-09 for making a transfer to the head "Fee". The said transfer is required using the above Form, because when the registered person has to make the remittance of Tax/Interest/Penalty/ Fee/ Other amount at a stage "Offset Liabilities" in any of the GST Returns/ Forms for Tax payments through Electronic Cash Ledger, adequate amount should be available under the respective head of account.

Section 53A of the CGST Act provides for transfer of amount between Centre and States in accordance with section 49 of the CGST Act allowing transfer of an amount from one head to another head in the electronic cash ledger of the registered person.

A Registered person has to claim the Tax Deducted at Source under Section 51 or Tax Collected at Source under Section 52 to appear in his Electronic Cash ledger. There is no automatic updation of this deduction/collection currently on the common portal. Similar to a claim of TDS credits under Income Tax Act, 1961 at the time of filing Income tax return, the Registered person has to claim for the TDS/TCS in his periodical returns to get updated in the Electronic Cash ledger.

Other peculiar aspects of Electronic Cash Ledger

- ✓ An unregistered person has to make payment through electronic cash ledger on the basis of temporary identification number generated through common portal.
- ✓ Where the person has claimed refund of any amount from electronic cash ledger, the amount of refund claimed would be debited from the electronic cash ledger
- ✓ Where the refund claimed by a person is rejected either fully or partly, the amount debited earlier shall be credited to electronic cash ledger by the Proper office to the extent of amount of refund rejected.

Clarifications⁵ regarding utilization of the amounts available in the electronic credit ledger and the electronic cash ledger for payment of tax and other liabilities:-

Issue 1:

Whether the amount available in the electronic credit ledger can be used for making payment of any tax under the GST Laws?

Clarification:

In terms of section 49(4), the amount available in the electronic credit ledger may be used for making any payment towards output tax under the CGST Act or the IGST Act, subject to the provisions relating to the order of utilisation of ITC as laid down in section 49B read with rule 88A.

Rule 86(2) provides for debiting of the electronic credit ledger to the extent of discharge of any liability in accordance with the provisions of section 49/49A/49B.

Further, output tax in relation to a taxable person (i.e. a person who is registered or liable to be registered under section 22 or section 24) is defined in section 2(82) as the tax chargeable on taxable supply of goods or services or both but excludes tax payable on reverse charge mechanism.

Accordingly, it is clarified that any payment towards output tax, whether self-assessed in the return or payable as a consequence of any proceeding instituted under the provisions of GST laws, can be made by utilization of the amount available in the electronic credit ledger of a registered person.

⁵ vide Circular No. 172/04/2022 GST dated 06.07.2022

It is further reiterated that as output tax does not include tax payable under reverse charge mechanism, implying thereby that the electronic credit ledger cannot be used for making payment of any tax which is payable under reverse charge mechanism.

Issue 2:

Whether the amount available in the electronic credit ledger can be used for making payment of any liability other than tax under the GST laws?

Clarification:

As per section 49(4), the electronic credit ledger can be used for making payment of output tax only under the CGST Act or the IGST Act. It cannot be used for making payment of any interest, penalty, fees or any other amount payable under the said Acts. Similarly, electronic credit ledger cannot be used for payment of erroneous refund sanctioned to the taxpayer, where such refund was sanctioned in cash.

Issue 3:

Whether the amount available in the electronic cash ledger can be used for making payment of any liability under the GST laws?

Clarification:

As per section 49(3), the amount available in the electronic cash ledger may be used for making any payment towards tax, interest, penalty, fees or any other amount payable under the provisions of the GST laws.

C. ELECTRONIC LIABILITY REGISTER [SECTION 49(7), (8) & (9) READ WITH RULE 85 OF CGST RULES]

- ❑ Sub-section (7) of section 49 enumerates about the third kind of ledger [Auto updated on common portal] viz. **Electronic Liability Register**. While the terms “Electronic Cash Ledger” and “Electronic Credit Ledger” are defined in the Act, the term “Electronic Liability Register” is not defined. The Section lays down that all liabilities of a taxable person will be recorded & maintained in a separate register named ‘Electronic Liability Register’.

Electronic Liability Register will reflect the total tax liability of a taxpayer for a particular tax period.

- ❑ **Order of discharge of tax and other dues**

Sub-section (8) prescribes the chronological order in which the liability of a taxable person has to be discharged:

- ✓ self-assessed tax, and other dues related to returns of previous tax periods have to be discharged first;
- ✓ self-assessed tax, and other dues related to the return of the current tax period next.
- ✓ Once these two steps are exhausted, thereafter any other amount payable under this Act or the rules made thereunder including the demand determined under section 73 or section 74 comes last. This sequence has to be mandatorily followed.

The expression “tax dues” means the tax payable under this Act and does not include interest, fee and penalty; and “other dues” referred above mean interest, penalty, fee or any other amount payable under the Act or the rules made thereunder.

- ❑ **Presumption that incidence of tax is passed on**

Sub-section (9) contains a deeming clause. This part of the section provides that when a taxable person has paid the GST under the corresponding Act, the taxable person is deemed to have passed on the incidence of such payment of tax to the recipient of such goods and /or services. Thus, if tax has been paid under the CGST Act, 2017 then the taxable person is deemed

to have passed on the incidence of such payment of CGST to the recipient. This is subject to the contrary being proved. Onus to establish that incidence of tax has not been passed on to the recipient, becomes relevant in case of Section 54 dealing with "Refund of tax"

❑ **Chapter IX of CGST Rules provide the following:**

(I) Debit to electronic liability register:

- ✓ all amounts payable towards tax, interest, late fee and any other amount as per return filed;

ANALYSIS

To promote greater discipline amongst taxpayer and timeliness in payment of tax, the tax dues which are not paid within the stipulated time are made liable to interest payment. This mechanism is automatic in nature by virtue of the provisions laid under any tax laws. Interest liability is imposed on taxpayer who has withheld the payment of any tax as and when it is due and payable. Basically, it is compensatory in character and totally different from penalty which is penal in character.

On similar lines, section 50 of the CGST Act, 2017 provides for applicability of interest for default in payment of taxes within the stipulated time. Under GST law, a registered person, can make the payment of tax through electronic credit ledger or electronic cash ledger in terms of section 49 of CGST Act, 2017. Usually, the balance in electronic credit ledger is exhausted first (subject to provisions of rule 86B) before utilizing the balance available in the electronic cash ledger for discharging tax liabilities. This practice is adopted for a better working capital management.

In case a registered person does not have sufficient amount available in electronic credit ledger to pay the tax dues for a particular tax period and also if the registered person does not have sufficient money for making deposit of balance tax amount in electronic cash ledger then in such a situation, GST common portal doesn't have a mechanism to allow a registered person to make part payment of taxes.

If the law maker demands tax dues along with interest on the gross payments i.e. tax paid through electronic cash ledger and credit ledger both, it may be an unhealthy practice from business perspective. To counter such recovery mechanism, the proviso under Section 50 provides that when a registered person has paid his taxes through a return specified under Section 39 of CGST Act, 2017 belatedly, interest shall be applicable only on the net taxes paid through electronic cash ledger and not on the gross taxes paid for such tax period.

As per the said proviso, the interest in cases where the tax return has been furnished after the due date (but furnished before commencement of proceedings under Section 73 or Section 74) shall be levied on that portion of the output tax which is being paid by debiting the electronic cash ledger. This means that the interest

liability shall not arise on that portion of the output tax liability which is paid using the ITC available in the electronic credit ledger.

Accordingly, interest if any payable by the registered person for delay in remittance of taxes beyond the stipulated due date on account of delay in filing of return under section 39, shall be demanded only on the net cash liability of taxes and not on the gross tax liability.

❑ **When interest is payable?**

Interest is payable in case of delay in payment of tax, in full or in part within the prescribed period.

❑ **Rate of interest**

The rate of interest shall be notified by the Government on the basis of recommendation of the Council. However, such rate to be notified **shall not exceed 18%** in case of belated payment of tax i.e. on failure to pay tax (or part of tax) to the Government's account and in case of wrongful availment and utilization of input tax credit⁶.

❑ **Computation of period for calculation of interest**

Generally, the period of interest will be from the date following the due date of payment to the actual date of payment of tax.

❑ **Manner of calculating interest on delayed payment of tax [Rule 88B]**

In case, where the supplies made during a tax period are declared by the registered person in the return for the said period and the said return is furnished after the due date in accordance with provisions of section 39, except where such return is furnished after commencement of any proceedings under section 73 or section 74 in respect of the said period, the interest on tax payable in respect of such supplies shall be calculated on the portion of tax which is paid by debiting the electronic cash ledger, for the period of delay in filing the said return beyond the due date, at such rate as may be notified under section 50(1).

⁶ Notification No. 13/2017 CT dated 28.06.2017 has notified the rate of interest as 18% per annum.

However, where any amount has been credited in the Electronic Cash Ledger as per provisions of section 49(1) on or before the due date of filing the said return, but is debited from the said ledger for payment of tax while filing the said return after the due date, the said amount shall not be taken into consideration while calculating such interest if the said amount is lying in the said ledger from the due date till the date of its debit at the time of filing return.

In all other cases, where interest is payable under section 50(1), the interest shall be calculated on the amount of tax which remains unpaid, for the period starting from the date on which such tax was due to be paid till the date such tax is paid at the rate specified under section 50(1).

Where interest is payable on the amount of ITC wrongly availed and utilised in accordance with section 50(3), the interest shall be calculated on the amount of input tax credit wrongly availed and utilised, for the period starting from the date of utilisation of such wrongly availed input tax credit till the date of reversal of such credit or payment of tax in respect of such amount at the rate specified under section 50(3).

The explanation to the rule lays down that-

- (i) input tax credit wrongly availed shall be construed to have been utilised, when the balance in the electronic credit ledger falls below the amount of input tax credit wrongly availed, and the extent of such utilisation of input tax credit shall be the amount by which the balance in the electronic credit ledger falls below the amount of input tax credit wrongly availed.
- (ii) the date of utilisation of such input tax credit shall be taken to be-
 - (a) the date, on which the return is due to be furnished under section 39 or the actual date of filing of the said return, whichever is earlier, if the balance in the electronic credit ledger falls below the amount of input tax credit wrongly availed, on account of payment of tax through the said return; or
 - (b) the date of debit in the electronic credit ledger when the balance in the electronic credit ledger falls below the amount of input tax credit wrongly availed, in all other cases.

□ **Other relevant points relating to interest**

- ✓ The term “tax” here means the tax payable under the Act read with underlying Rules made thereunder.
- ✓ The payment of interest in case of belated payment of tax should be made voluntarily i.e. even without a demand.
- ✓ The interest payable under this section shall be debited to the Electronic Liability Register.
- ✓ The liability for interest can be settled by adjustment with balance in Electronic Cash Ledger **but not with balance in electronic credit ledger.**

Clarification on charging of interest under section 50(3) in cases of wrong availment of IGST credit and reversal thereof⁷

The issues which arose for consideration are as to:

- (i) whether in the cases of wrong availment of IGST credit by a registered person and reversal thereof, for the calculation of interest under rule 88B, whether the balance of ITC available in electronic credit ledger (ECL) under the head of IGST only needs to be considered or total ITC available in electronic credit ledger, under the heads of IGST, CGST and SGST taken together, has to be considered.***

Since the amount of ITC available in ECL, under any of the heads of IGST, CGST or SGST, can be utilized for payment of liability of IGST, it is the total ITC available in ECL, under the heads of IGST, CGST and SGST taken together, that has to be considered for calculation of interest under rule 88B and for determining as to whether the balance in the ECL has fallen below the amount of wrongly availed ITC of IGST, and to what extent the balance in ECL has fallen below the said amount of wrongly availed credit.

⁷ Circular No. 192/04/2023 GST dated 17.07.2023

Thus, in the cases where IGST credit has been wrongly availed and subsequently reversed on a certain date, there will not be any interest liability under section 50(3) if, during the time period starting from such availment and up to such reversal, the balance of ITC in the ECL, under the heads of IGST, CGST and SGST taken together, has never fallen below the amount of such wrongly availed ITC, even if available balance of IGST credit in ECL individually falls below the amount of such wrongly availed IGST credit.

However, when the balance of ITC, under the heads of IGST, CGST and SGST of ECL taken together, falls below such wrongly availed amount of IGST credit, then it will amount to the utilization of such wrongly availed IGST credit and the extent of utilization will be the extent to which the total balance in ECL under heads of IGST, CGST and SGST taken together falls below such amount of wrongly availed IGST credit, and will attract interest as per section 50(3) read with section 20 of the IGST Act, 2017 and of rule 88B(3).

- (ii) whether the credit of compensation cess available in ECL shall be taken into account while considering the balance of ECL for the purpose of calculation of interest under rule 88B(3) in respect of wrongly availed and utilized IGST, CGST or SGST credit.*

Since ITC in respect of compensation cess can be utilised only towards payment of compensation cess. Thus, credit of compensation cess cannot be utilized for payment of any tax under CGST or SGST or IGST heads and/ or reversals of credit under the said heads. Accordingly, credit of compensation cess available in ECL cannot be taken into account while considering the balance of ECL for the purpose of calculation of interest under rule 88B(3) in respect of wrongly availed and utilized IGST, CGST or SGST credit.

ANALYSIS

□ **Deductors of Tax at Source**

Under the GST regime, section 51 of the CGST Act, 2017 prescribes the authority and procedure for 'tax deduction at source'. The TDS provisions empower the Central Government to make it mandatory for the following persons (the deductor) to deduct tax at source from payments made to the suppliers of taxable goods and/or services.

**Central/State Government
department or establishment
[Section 51(1)(a)]**

Local Authority [Section 51(1)(b)]

**Governmental Agencies [Section
51(1)(c)]**

**Notified Persons/category of
persons [Section 51(1)(d)]**

With respect to deductors under section 51(1)(a), provisions of TDS are applicable to certain prescribed authorities of Ministry of Defence, remaining authorities under the Ministry of Defence are exempt. Detailed list has been specified under *Notification 57/2018 CT dated 23.10.2018*.

The following persons have been notified under clause (d) of sub-section (1) of section 51 of the CGST Act by the Central Government⁸:

- (a) an authority or a board or any other body, -
 - (i) set up by an Act of Parliament or a State Legislature; or
 - (ii) established by any Government,with 51% or more participation by way of equity or control, to carry out any function;

It has been clarified vide *Circular No. 76/50/2018 GST dated 31.12.2018* that the rider of 51% or more participation by way of equity or control is applicable to both the items (i) and (ii). Thus, the provisions of section 51 of the CGST Act are applicable only to such authority or a board or any other body set up by an Act of parliament or a State legislature or established by any Government in which 51% or more participation by way of equity or control is with the Government.

- (b) society established by the Central Government or the State Government or a Local Authority under the Societies Registration Act, 1860;
- (c) public sector undertakings;

⁸ *Notification No. 50/2018 CT dated 13.09.2018*

(d) any registered person receiving supplies of metal scrap falling under Chapters 72 to 81 in the First Schedule to the Customs Tariff Act, 1975, from other registered person

❑ **Categories of persons not liable to deduct TDS**

Tax is not liable to be deducted at source in the following cases:-

- (i) When goods and/or services are supplied from a public sector undertaking (PSU) to another PSU, whether or not a distinct person
- (ii) When supply of goods and/or services takes place between one person to another person specified under clauses (a), (b), (c) and (d) of section 51(1) of the said Act, except the person referred to in clause (d).**

Deductees

The deductees are the suppliers whose total value of supply of taxable goods and/or services under a contract exceeds ₹ 2,50,000 exclusive of tax & cess as per the invoice.

❑ **Standard Rate of deduction**

The tax would be deducted @ 1% under CGST Act, 2017 of the payment made to the supplier (the deductee) of taxable goods and/or services, where the total value of such supply, under a contract, exceeds ₹ 2,50,000 (excluding the amount of Central tax, State tax, Union Territory tax, Integrated tax and cess indicated in the invoice). Thus, individual supplies may be less than ₹ 2,50,000/-, but if total value of supplies under a contract is more than ₹ 2,50,000/-, TDS has to be deducted.

TDS-1% +1% [CGST + SGST] on net value of taxable supplies

The deductors have to deduct tax at the rate of 1% from the payment made or credited to the supplier of taxable goods and/or services under CGST Act, 2017.

It may be noted that Section 20 of IGST Act provides that in the case of tax deducted at source, the deductor shall deduct tax at the rate of 2% from the payment made or credited to the supplier.

❑ NO TDS

The Proviso to Section 51(1) lays down that when the location of the supplier and the place of supply is in a State/ Union territory which is different from the State/ Union territory of registration of the recipient, there will be no TDS.

The above statement can be explained in the following situations:

(a) Supplier, place of supply and recipient are in the same state.

It would be intra-State supply and TDS (Central plus State tax) shall be deducted. It would be possible for the supplier (i.e. the deductee) to take credit of TDS in his electronic cash ledger.

(b) Supplier as well as the place of supply are in different states.

In such cases, Integrated tax would be levied. TDS to be deducted would be TDS (Integrated tax) and it would be possible for the supplier (i.e. the deductee) to take credit of TDS in his electronic cash ledger.

(c) Supplier as well as the place of supply are in State A and the recipient is located in State B.

The supply would be intra-State supply and Central tax and State tax would be levied. In such case, transfer of TDS (Central tax + State tax of State B) to the cash ledger of the supplier (Central tax + State tax of State A) would be difficult. So, in such cases, TDS would not be deducted.

Thus, when both the supplier as well as the place of supply are different from that of the recipient, no tax deduction at source would be made.

Location of Supplier	Place of Supply	Registration of Recipient	TDS u/s 51
State A	State A	State A	Yes
State A	State A	State B	No
State A	State B	State B	Yes
UT1	UT1	UT1	Yes
UT1	UT2	UT2	Yes
UT1	UT1	UT2	No

❑ Value of Supply

The amount indicated in the invoice excluding the Central tax, State tax, Union territory tax, Integrated tax and cess element, is the value of supply for the purpose of TDS under Section 51 of CGST Act, 2017.

Value of supply shall exclude tax & cess

❑ Deposit of TDS with the Government

The amount of tax deducted at source should be deposited to the Government account by deductor by 10th of the succeeding month in which the deduction is made.

❑ TDS Certificate

A TDS certificate is required to be issued by deductor (the person who is deducting tax) in prescribed form to the deductee (the supplier from whose payment TDS is deducted).

The content of Form GSTR 7A (TDS Certificate) are given below:

1. TDS Certificate No.
2. GSTIN of deductor
3. Name of deductor
4. GSTIN of deductee
5. (a) Legal name of the deductee
(b) Trade name, if any
6. Tax period in which tax deducted and accounted for in GSTR-7
7. Details of supplies
8. Amount of tax deducted

❑ Non- remittance by the deductor

If the deductor has not remitted the amount deducted as TDS to the Government within the prescribed time limit, he is liable to pay interest under Section 50 in addition to the amount of tax deducted.

❑ Reflection of amount of TDS

The amount of tax deducted is reflected in

- Electronic Cash Ledger of deductee.
- Return filed by deductor under section 39(3).[GSTR-7][Refer Chapter:13 Returns for detailed discussion on GSTR-7].

The deductee can claim credit of the tax deducted, in his electronic cash ledger. This provision enables the Government to cross check whether the amount deducted by the deductor is correct and that there is no mis-match between the amount reflected in the electronic cash ledger and the amount shown in the return filed by deductor.

This is similar to existing practice in income tax relating to E-TDS returns filed by deductor and 26AS statement available for viewing the TDS remitted in respect of transactions by deductee.

❑ Determination of amount in Default

Any default in determination of the amount under Section 51 shall be made in the manner specified in Section 73 or section 74,⁹ as the case may be.

❑ Refund on excess/erroneous deduction

The deductor or the deductee can claim refund of excess deduction or erroneous deduction. The provisions of section 54 relating to refunds would apply in such cases. However, if the deducted amount is already credited to the electronic cash ledger of the supplier, the same shall not be refunded.

(1) Supplier makes a supply worth ₹ 20 lakh to a recipient and the GST at the rate of 18% is required to be paid. The recipient, while making the payment of ₹ 20 lakh to the supplier, shall deduct 2% [CGST 1% + SGST 1%] viz ₹ 40,000 as TDS.

The value for TDS purpose shall not include 18% GST. The TDS, so deducted, shall be deposited in the account of Government by 10th of the succeeding month.

⁹ The provisions relating to section 73 and section 74 will be discussed in Chapter-19: Demand & Recovery in Module-3 of the Study material.

The TDS so deposited in the Government account shall be reflected in the electronic cash ledger of the supplier (i.e. deductee) who would be able to use the same for payment of tax or any other amount.

❑ **Registration¹⁰ [Rule 12 of CGST Rules, 2017]**

Any person required to deduct tax in accordance with the provisions of section 51 shall electronically submit a registration application in prescribed form through the common portal. The proper officer shall, after due verification, grant registration within 3 working days from the date of the application. Also, on a request or upon an enquiry or pursuant to any other proceeding under the Act, if the proper officer is satisfied that a person is no longer liable to deduct tax at source under section 51, then the said officer may cancel the said registration, following procedures as provided in Rule 22 of the CGST Rules for the cancellation of registration.

6. TRANSFER OF INPUT TAX CREDIT [SECTION 53 OF CGST ACT & SECTION 18 OF IGST ACT]

If the amount of CGST is utilised towards dues of IGST then, in terms of section 53 of the CGST Act, there shall be reduction in the amount of CGST, equal to the credit so utilized, and the Central Government shall transfer such amount equivalent to the amount so reduced in CGST account to the IGST account.

Similarly, if the amount of IGST is utilised towards dues of CGST/UTGST then, in terms of section 18 of the IGST Act, there shall be reduction in the amount of IGST, equal to the credit so utilized, and the Central Government shall transfer such amount equivalent to the amount so reduced in IGST account to the CGST/UTGST account.

However, if the amount of IGST is utilised towards dues of SGST then, in terms of section 18 of the IGST Act, there shall be reduction in the amount of IGST, equal to the credit so utilized, and will be apportioned to the appropriate State Government and the Central Government shall transfer the amount so apportioned to the account of the respective State Government. Here, "appropriate State" in relation to a taxable person, means the State or Union territory where taxable person is

ANSWERS

1. As per section 49(10) of the CGST Act, 2017, any amount of tax, interest, penalty, fee or any other amount available in the electronic cash ledger under the CGST Act, 2017 can be transferred to the electronic cash ledger for integrated tax, central tax, State tax, Union territory tax or cess, in such form and manner and subject to such conditions and restrictions as may be prescribed. Thus, amount entered under any Minor head (Tax, Interest, Penalty, etc.) and Major Head (CGST, IGST, SGST/UTGST) of the Electronic Cash Ledger can be transferred to any other major or minor head. Consequently, cross-utilization among Major and Minor heads is also possible.

Further, as per rule 88B of the CGST Rules, 2017, where any amount has been credited in the Electronic Cash Ledger as per provisions of section 49(1) on or before the due date of filing the said return, but is debited from the said ledger for payment of tax while filing the said return after the due date, the said amount shall not be taken into consideration while calculating such interest if the said amount is lying in the said ledger from the due date till the date of its debit at the time of filing return.

Thus, as per section 49(10) read with rule 88B, since the amount available in the Electronic Cash Ledger from the due date till the date of its debit at the time of filing return is more than the GST payable, no interest is payable in the given case.

Further, Miss Nitya is liable to pay the following amount of tax as under:

	CGST (₹)	SGST (₹)
Tax Liability	75,000	75,000
Balances in Electronic cash ledger in same major/minor head	<u>40,000</u>	<u>80,000</u>
Balance transferred from other major/minor head	35,000 (Note)	Nil
Amount payable in cash	Nil	Nil

Note – ₹ 35,000 shortfall amount has been transferred from cash ledger balance available in Major Head IGST. Since there is no restriction in intra-head or inter-head transfer of available balance in cash ledger as per the relevant provisions, it is upon the taxpayer to decide from which account the shortfall has to be made good.

2. I. Intra-State supply of goods by A to B

	₹
Value charged for supply of goods	50,000
Add: CGST @ 9%	4,500
Add: SGST @ 9%	4,500
Total price charged by A from B	<u>59,000</u>

A does not have credit of CGST, SGST or IGST. Thus, the entire CGST (₹ 4,500) & SGST (₹ 4,500) charged will be paid in cash by A, which shall be allocated to Central Government and Karnataka Government in specified manner.

II. Inter-State supply of goods by B to X Ltd. – Margin @ 10%

	₹
Value charged for supply of goods (₹ 50,000 x 110%)	55,000
Add: IGST @ 18%	<u>9,900</u>
Total price charged by B from X Ltd.	64,900

Computation of IGST payable by B to Central Government in cash

	₹
IGST payable	9,900
Less: Credit of CGST	4,500
Less: Credit of SGST	<u>4,500</u>
IGST payable to Central Government in cash	900

Credit of CGST and SGST can be used to pay IGST provided the SGST credit shall be utilised towards payment of IGST only where the balance of CGST credit is not available for payment of IGST. [Section 49(5) of the CGST Act, 2017].

III. Intra-State supply of goods by X Ltd. to Y

	₹
Value charged for supply of goods (₹ 55,000 x 110%)	60,500
Add: CGST @ 9%	5,445
Add: SGST @ 9%	<u>5,445</u>
Total price charged by X Ltd. from Y	71,390

Computation of CGST and SGST payable by X Ltd in cash

	₹
CGST payable	5,445
Less: Credit of IGST	<u>5,445</u>
CGST payable to Central Government in cash	<u>Nil</u>
SGST payable	5,445
Less: Available Credit of IGST [₹ 9,900 – ₹ 5,445]	<u>4,455</u>
SGST payable to Telangana Government in cash	<u>990</u>

Credit of IGST shall first be utilised towards payment of IGST and the amount remaining, if any, may be utilised towards the payment of CGST and SGST/UTGST, as the case may be, in any order and in any proportion. Here, there is no payment to be made with respect to IGST so its credit balance will be directly utilised for making payment of CGST or SGST, in any order. Central Government will transfer IGST of ₹ 4,455 utilised in the payment of SGST to Telangana Government.

3. No, as per section 49(4) the amount available in the electronic credit ledger may be used for making any payment towards 'output tax'.

As per section 2(82), output tax means, the CGST/SGST chargeable under this Act on taxable supply of goods and/or services made by him or by his agent and excludes tax payable by him on reverse charge basis. Therefore, input tax credit cannot be used for payment of interest, penalty or GST payment under reverse charge.

4. As per provisions of section 49(10) read with rule 87(13) of CGST Rules, 2017, "A registered person may, on the common portal, transfer any amount of tax, interest, penalty, fee or any other amount **available in the electronic cash ledger** under the Act to the electronic cash ledger for integrated tax, central tax, State tax or Union territory tax or cess in FORM GST PMT-09".

It is important to note that only amounts available under Electronic Cash Ledger can be transferred to the respective heads using Form GST PMT-09 and not otherwise.

Accordingly, contention of the Accountant Mr. X of M/s PPC & Co., is not valid for transfer of ₹ 42,500 from head IGST to respective CGST & SGST in Electronic Credit Ledger.

5. Proviso to section 50 lays down that the interest on tax payable in respect of supplies made during a tax period and declared in the return for the said period **furnished after the due date in accordance with the provisions of section 39**, except where such return is furnished after commencement of any proceedings under section 73 or section 74 in respect of the said period, shall be levied on that portion of the tax that is paid by debiting the electronic cash ledger.

In the given scenario, ABC Ltd. has filed its return belatedly and as per the above provisions, interest is payable on the tax component paid through Electronic Cash Ledger only. A point relevant to note here is that tax payable on reverse charge basis also carries interest for the period of delay in remittance of tax and input tax credit cannot be used to pay the same (i.e. tax payable under reverse charge has to be paid in cash).

Accordingly, interest under section 50 payable for the tax paid through Electronic Cash Ledger is computed as below:

$$\text{IGST: } 218,000 * 18\% * 60/365 = 6,450$$

$$\text{CGST: } 262,000 * 18\% * 60/365 = 7,752$$

$$\text{SGST: } 262,000 * 18\% * 60/365 = 7,752$$

Further, if entire tax payable for January is paid through Electronic Credit ledger, except for the taxes to be paid under reverse charge basis, then interest under section 50 is applicable only on the remittance of tax under reverse charge basis and not for tax payable on forward charge basis. Interest payable is given as below:

$$\text{IGST: } 18,000 * 18\% * 60/365 = 533 \text{ (rounded off)}$$

$$\text{CGST: } 32,000 * 18\% * 60/365 = 947 \text{ (rounded off)}$$

$$\text{SGST: } 32,000 * 18\% * 60/365 = 947 \text{ (rounded off)}$$

6. Payment of taxes is governed as per the provisions laid in section 49 read with section 49A and 49B of CGST Act, 2017 along with rule 88A of CGST Rules, 2017

Also, section 49(8) of CGST Act, stipulates that every taxable person shall discharge his tax and other dues under this Act or the rules made thereunder in the following order, namely:

- (a) self-assessed tax, and other dues related to returns of previous tax periods;
- (b) self-assessed tax, and other dues related to the return of the current tax period;
- (c) any other amount payable under this Act or the rules made thereunder including the demand determined under section 73 or section 74;"

As per the above provisions, self-assessed tax of previous tax period i.e. February shall be paid first and later self-assessed tax of current tax period i.e. July shall be paid.

Payment of taxes under forward charge

Particulars	IGST	CGST	SGST
Balance in electronic credit ledger for utilization	26,52,000	18,32,000	18,32,000
Output tax payable for July	14,75,000	28,34,000	28,34,000
Less: Utilization of input tax credit:			
a. IGST [Refer Note1]	14,75,000	5,88,500	5,88,500
b. CGST	0	18,32,000	0
c. SGST	0	0	18,32,000
Amount payable through electronic cash ledger	Nil	4,13,500	4,13,500

Total amount payable through electronic cash ledger

Particulars	IGST	CGST	SGST
Amount payable through Electronic cash ledger under forward charge	Nil	4,13,500	4,13,500
Amount payable through electronic cash ledger under reverse charge [Refer Note-2]	<u>36,000</u>	<u>1,44,000</u>	<u>1,44,000</u>
Total amount payable through electronic cash ledger	36,000	5,57,500	557,500

Notes:-

- 1 After utilization of IGST credit towards output IGST liability, balance has been utilized equally amongst CGST & SGST
- 2 Input tax credit cannot be utilized for discharging tax liability under reverse charge basis, thus payable vide electronic cash ledger.

Since, M/s Zinc & Co., have defaulted in payment of taxes for the month of February and the same has been paid during July, interest is payable as per the provisions of section 50 of the CGST Act, 2017

7. Rule 86 of CGST Rules, 2017 provides that where a registered person has claimed refund of any unutilized amount (i.e. ITC) from the electronic credit ledger in accordance with the provisions of section 54, the amount to the extent of the claim shall be debited in the said ledger.

If the refund so filed is rejected, either fully or partly, the amount so debited to the extent of rejection, shall be re-credited to the electronic credit ledger by the proper officer.

In the present case, M/s Neptune & Co., have made zero-rated supply without payment of IGST and the refund of accumulated ITC has been rejected by the proper officer. Therefore, contention of Mr. A is sustainable as debit entry in the Electronic Credit Ledger has been made as per sub-rule (3) of Rule 86 and therefore it should be re-credited to the Electronic Credit Ledger by the Proper Officer in accordance with sub-rule (4) of Rule 86.

8. As per section 51 read with section 20 of the IGST Act, 2017 and *Notification No. 50/2018 CT 13.09.2018*, following persons are required to deduct CGST @ 1% [Effective tax 2% (1% CGST + 1% SGST/UTGST)] or IGST @ 2% from the payment made/credited to the supplier (deductee) of taxable goods or services or both, where the total value of such supply, under a contract, exceeds ₹ 2,50,000:
- (a) a department or establishment of the Central Government or State Government; or
 - (b) local authority; or
 - (c) Governmental agencies; or
 - (d) an authority or a board or any other body, -
 - (i) set up by an Act of Parliament or a State Legislature; or
 - (ii) established by any Government,with 51% or more participation by way of equity or control, to carry out any function; or
 - (e) Society established by the Central Government or the State Government or a Local Authority under the Societies Registration Act, 1860, or
 - (f) Public sector undertakings.

Further, for the purpose of deduction of tax, the value of supply shall be taken as the amount excluding CGST, SGST/UTGST, IGST and GST Compensation Cess indicated in the invoice.

Since in the given case, Manihaar Enterprises is supplying goods and services exclusively to Government departments, agencies etc. and persons notified under section 51, applicability of TDS provisions on its various receivables is examined in accordance with the above-mentioned provisions as under:

S. No.	Particulars	Total contract value (₹)	Payment due (₹)	Tax to be deducted		
				CGST (₹)	SGST (₹)	IGST (₹)
(i)	Supply of stationery to Fisheries Department, Kolkata (Note-1)	2,60,000	15,000	--		
(ii)	Supply of car rental services to Municipal Corporation of Delhi (Note-2)	2,95,000	20,000	--		
(iii)	Supply of a heavy machinery to Public Sector Undertaking located in Uttarakhand (Note-3)	5,90,000	25,000			500
(iv)	Supply of taxable goods to Delhi office of National Housing Bank, a society established by Government of India under the Societies Registration Act, 1860 (Note-4)	6,49,000	50,000	500	500	
(v)	Interior decoration of Andhra Bhawan located in Delhi (Note-5)	12,39,000	12,39,000	--		
(vi)	Supply of printed books and printed post cards to a West Delhi Post Office (Note-6)	9,72,000		--		
(vii)	Maintenance of street lights in Municipal area of East Delhi (Note-7)	3,50,000	3,50,000	--		

Notes:

1. Being an inter-State supply of goods, supply of stationery to Fisheries Department, Kolkata is subject to IGST @ 18%. Therefore, total value of taxable supply [excluding IGST] under the contract is as follows:

$$= ₹ 2,60,000 \times 100 / 118$$

$$= ₹ 2,20,339 \text{ (rounded off)}$$

Since the total value of supply under the contract does not exceed ₹ 2,50,000, tax is not required to be deducted.

2. Being an intra-State supply of services, supply of car rental services to Municipal Corporation of Delhi is subject to CGST and SGST @ 9% each. Therefore, total value of taxable supply [excluding CGST and SGST] under the contract is as follows:

$$= ₹ 2,95,000 \times 100 / 118$$

$$= ₹ 2,50,000$$

Since the total value of supply under the contract does not exceed ₹ 2,50,000, tax is not required to be deducted.

3. Being an inter-State supply of goods, supply of heavy machinery to PSU in Uttarakhand is subject to IGST @ 18%. Therefore, total value of taxable supply [excluding IGST] under the contract is as follows:

$$= ₹ 5,90,000 \times 100 / 118$$

$$= ₹ 5,00,000$$

Since the total value of supply under the contract exceeds ₹ 2,50,000, PSU in Uttarakhand is required to deduct tax @ 2% of ₹ 25,000, i.e. ₹ 500.

4. Being an intra-State supply of goods, supply of taxable goods to National Housing Bank, Delhi is subject to CGST and SGST @ 9% each. Therefore, total value of taxable supply [excluding CGST and SGST] under the contract is as follows:

$$= ₹ 6,49,000 \times 100 / 118$$

$$= ₹ 5,50,000$$

Since the total value of supply under the contract exceeds ₹ 2,50,000, National Housing Bank, Delhi is required to deduct tax @ 2% (1% CGST + 1% SGST) of ₹ 50,000, i.e. ₹ 1,000.

5. Proviso to section 51(1) of the CGST Act, 2017 stipulates that no tax shall be deducted if the location of the supplier and the place of supply is in a State or Union territory which is different from the State or as the case may be, Union territory of registration of the recipient.

Section 12(3) of the IGST Act, 2017, *inter alia*, stipulates that the place of supply of services, directly in relation to an immovable property, including services provided by interior decorators, shall be the location at which the immovable property is located or intended to be located. Accordingly, the place of supply of the interior decoration of Andhra Bhawan shall be Delhi.

Since the location of the supplier (Manihar Enterprises) and the place of supply is Delhi and the State of registration of the recipient i.e. Government of Andhra Pradesh is Andhra Pradesh, no tax is liable to be deducted in the given case.

6. If the contract is made for both taxable supply and exempted supply, tax shall be deducted if the total value of taxable supply in the contract exceeds ₹ 2,50,000. Being an intra-State supply of goods, supply of printed post cards to a West Delhi Post Office is subject to CGST and SGST @ 9% each. Therefore, total value of taxable supply [excluding CGST and SGST] under the contract is as follows:

$$= ₹ 2,72,000 \times 100 / 118$$

$$= ₹ 2,30,509 \text{ (rounded off)}$$

Since the total value of taxable supply under the contract does not exceed ₹ 2,50,000, tax is not required to be deducted.

7. Composite supply of goods and services in which the value of supply of goods constitutes not more than 25% of the value of the said composite supply provided to, *inter alia*, local authority by way of any activity in relation to any function entrusted to a Municipality under article 243W of the Constitution is exempt from GST. Thus, maintenance of street lights (an activity in relation to a function entrusted to a Municipality)

in Municipal area of East Delhi involving replacement of defunct lights and other spares where the value of supply of goods is not more than 25% of the value of composite supply is a service exempt from GST. Since tax is liable to be deducted from the payment made or credited to the supplier of taxable goods or services or both, no tax is required to be deducted in the given case as the supply is exempt.

The answer will remain unchanged even if Manihar Enterprises is registered under composition scheme. Tax will be deducted in all cases where it is required to be deducted under section 51 of the CGST Act, 2017 including the scenarios when the supplier is registered under composition scheme.

9. As per section 51 of the CGST Act, 2017, Government departments, agencies, local authority and notified persons are required to deduct tax @ 2% (1% CGST + 1% SGST/UTGST) or IGST @ 2% from payment made to the supplier of taxable goods and/ or services where the total value of such supply [excluding tax and compensation cess indicated in the invoice], under a contract, exceeds ₹ 2,50,000.

Since in the given case, Yash Shoppe is supplying goods and services exclusively to Government departments, agencies, local authority and persons notified under section 51 of the CGST Act, 2017, applicability of TDS provisions on its various receivables is examined in accordance with the above-mentioned provisions as under:

S. No.	Particulars	Total contract value due to be received [excluding GST] (₹)	Tax to be deducted
