- ◆ Appreciate the term divisible profits and dividends.

UNIT OVERVIEW

1.1 MEANING OF COMPANY

As per Section 2(20) of the Companies Act, 2013, "Company" means a company incorporated under the Companies Act, 2013 or under any previous company law (e.g., the Companies Act, 1956). Different types of companies have been defined (under various sub-sections of the Companies Act, 2013) as follows:

2(21) "**company limited by guarantee**" means a company having the liability of its members limited by the memorandum to such amount as the members may respectively undertake to contribute to the assets of the company in the event of its being wound up;

- 2(22) **“Company limited by shares”** means a company having the liability of its members limited by the memorandum to the amount, if any, unpaid on the shares respectively held by them;
- 2(42) **“Foreign company”** means any company or body corporate incorporated outside India which –
- (a) has a place of business in India whether by itself or through an agent physically or through electronic mode; and
 - (b) conducts any business activity in India in any other manner.
- 2(45) **“Government company”** means any company in which not less than 51% of the paid-up share capital is held by the Central Government, or by any State Government or Governments, or partly by the Central Government and partly by one or more State Governments, and includes a company which is a subsidiary company of such a Government company;
- 2(62) **“One Person Company”** means a company which has only one person as a member;
- 2(68) **“Private company”** means a company having a minimum paid-up share capital as may be prescribed, and which by its articles,—
- (i) restricts the right to transfer its shares;
 - (ii) except in case of One Person Company, limits the number of its members to two hundred:
- Provided that where two or more persons hold one or more shares in a company jointly, they shall, for the purposes of this sub-clause, be treated as a single member:
- Provided further that—**
- (A) persons who are in the employment of the company; and
 - (B) persons who, having been formerly in the employment of the company, were members of the company while in that employment and have continued to be members after the employment ceased,
- shall not be included in the number of members; and
- (iii) prohibits any invitation to the public to subscribe for any securities of the company;

2(71) **“Public Company”** means a company which—

- (a) is not a private company; and
- (b) has a minimum paid-up share capital as may be prescribed:

Provided that a company which is a subsidiary of a company, not being a private company, shall be deemed to be public company for the purposes of this Act even where such subsidiary company continues to be a private company in its articles;

2(85) **“Small company”** means a company, other than a public company, -

- (i) paid-up share capital of which does not exceed ₹ 50 lakhs or such higher amount as may be prescribed which shall not be more than ₹ 10 crores; and
- (ii) turnover of which as per profit and loss account for the immediately preceding financial year does not exceed ₹ 2 crores or such higher amount as may be prescribed which shall not be more than ₹ 100 crores:

Provided that nothing in this clause should apply to:

- (A) a holding company or a subsidiary company
- (B) a company registered under section 8
- (C) a company or body corporate governed by any special Act

As per the Companies (Specification of Definitions Details) Rules, 2014¹, for the purposes of sub-clause (i) and sub-clause (ii) of clause (85) of section 2 of the Act, paid up capital and turnover of the small company shall not exceed ₹ 4 crores and ₹ 40 crores respectively.

2(92) **“Unlimited company”** means a company not having any limit on the liability of its members;

2(46) **“Holding company”**, in relation to one or more other companies, means a company of which such companies are subsidiary companies;

¹ As amended by the Companies (Specification of Definitions Details) Amendment Rules, 2022 dated 15 September 2022.

Explanation.–For the purposes of this clause, the expression “company” includes any body corporate.

2(87) “**Subsidiary company**”, or “subsidiary”, in relation to any other company (that is to say the holding company), means a company in which the holding company-

- (i) controls the composition of the Board of Directors; or
- (ii) exercises or controls more than one-half of the total share capital either at its own or together with one or more of its subsidiary companies:

Provided that such class or classes of holding companies as may be prescribed should not have layers of subsidiaries beyond such numbers as may be prescribed.

Explanation – For the purposes of this clause, -

- (a) a company should be deemed to be a subsidiary company of the holding company even if the control referred to in sub-clause (i) or sub-clause (ii) is of another subsidiary company of the holding company;
- (b) the composition of a company’s Board of Directors should be deemed to be controlled by another company if that other company by exercise of some power exercisable by it at its discretion can appoint or remove all or a majority of the directors;
- (c) the expression “company” includes any body corporate;
- (d) “layer” in relation to a holding company means its subsidiary or subsidiaries;

Companies (Accounting Standards) Rules, 2021 define Small and Medium Sized Company as follows:

2(e) “Small and Medium Sized Company” (SMC) means, a company-

- (i) whose equity or debt securities are not listed or are not in the process of listing on any stock exchange, whether in India or outside India;
- (ii) which is not a bank, financial institution or an insurance company;

- (iii) whose turnover (excluding other income) does not exceed two hundred and fifty crore rupees in the immediately preceding accounting year;
- (iv) which does not have borrowings (including public deposits) in excess of fifty crore rupees at any time during the immediately preceding accounting year; and
- (v) which is not a holding or subsidiary company of a company which is not a small and medium-sized company.

Explanation: For the purposes of this clause, a company shall qualify as a Small and Medium Sized Company, if the conditions mentioned therein are satisfied as at the end of the relevant accounting period.

1.2 MAINTENANCE OF BOOKS OF ACCOUNT

As per Section 128 of the Companies Act, 2013, every company shall prepare and keep at its registered office books of account and other relevant books and papers and financial statement for every financial year which give a true and fair view of the state of the affairs of the company, including that of its branch office or offices, if any, and explain the transactions effected both at the registered office and its branches and such books should be kept on accrual basis and according to the double entry system of accounting:

Provided further that the company may keep such books of account or other relevant papers in electronic mode in such manner as may be prescribed.

Maintenance at Place other than Registered Office

It is a duty of the company to inform the Registrar of Companies within seven days of the decision in case the Board of Directors decides to maintain books at the place other than the registered office.

In Case of Branch Office

Where a company has a branch office in India or outside India, it should be deemed to have complied with the provisions of the Act, if proper books of account relating to the transactions effected at the branch office are kept at that office and proper summarised returns periodically are sent by the branch office to the company at its registered office or such other place as the Board of Directors has decided.

Section 128 (3) further lays down that the books of account and other books and papers maintained by the company within India should be open for inspection at the registered office of the company or at such other place in India by any director during business hours, and in the case of financial information, if any, maintained outside the country, copies of such financial information should be maintained and produced for inspection by any director subject to such conditions as may be prescribed. Section 128(5) further states that the books of account of every company relating to a period of not less than 8 financial years immediately preceding a financial year, or where the company had been in existence for a period less than 8 years, in respect of all the preceding years together with the vouchers relevant to any entry in such books of account should be kept in good order.

Books of Accounts maintained in electronic mode

A company may keep such books of account or other relevant papers in electronic mode in such manner as may be prescribed.

The books of account and other relevant books and papers maintained in electronic mode shall remain accessible in India, at all times, so as to be usable for subsequent reference.

Provided that for the financial year commencing on or after the 1st day of April, 2022, every company which uses accounting software for maintaining its books of

account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The books of account and other relevant books and papers shall be retained completely in the format in which they were originally generated, sent or received, or in a format which shall present accurately the information generated, sent or received and the information contained in the electronic records shall remain complete and unaltered.

The information received from branch offices shall not be altered and shall be kept in a manner where it shall depict what was originally received from the branches.

The information in the electronic record of the document shall be capable of being displayed in a legible form.

There shall be a proper system for storage, retrieval, display or printout of the electronic records as the Audit Committee, if any, or the Board may deem appropriate and such records shall not be disposed of or rendered unusable, unless permitted by law;

Provided that the back-up of the books of account and other books and papers of the company maintained in electronic mode, including at a place outside India, if any, shall be kept in servers physically located in India on a daily basis.

The company shall intimate to the Registrar on an annual basis at the time of filing of financial statement-

- (a) the name of the service provider;
- (b) the internet protocol address of service provider;
- (c) the location of the service provider (wherever applicable);
- (d) where the books of account and other books and papers are maintained on cloud, such address as provided by the service provider.

Explanation.- For the purposes of this rule, the expression "electronic mode" includes "electronic form" as defined in clause (r) of sub-section (1) of section 2 of Information Technology Act, 2000 and also includes an electronic record as

defined in clause (t) of sub-section (1) of section 2 of the Information Technology Act, 2000 and "books of account " shall have the meaning assigned to it under the Act.

Where the service provider is located outside India, the name and address of the person in control of the books of account and other books and papers in India.

1.3 STATUTORY BOOKS

The following statutory books are required to be maintained by a company under different sections of the Companies Act, 2013:

- ◆ Register of Investments of the company held in its own name (Section 187)
- ◆ Register of Charges (Section 85)
- ◆ Register of Members (Sections 88)
- ◆ Register of Debenture-holders and other Security holders (Section 88)
- ◆ Minute Books (Section 118)
- ◆ Register of Contracts, or arrangements in which directors are interested (Section 189)
- ◆ Register of directors and key managerial personnel and their shareholding (Section 170)
- ◆ Register of Loans and Investments by Company (Section 186)

In addition, a company usually maintains a number of statistical books to keep a record of its transactions which have resulted either in the payment of money to it or constitute the basis on which certain payments have been made by it.

- ◆ Registers and documents relating to the issue of shares are:
 - (i) Share Application and Allotment Book;
 - (ii) Share Call Book
 - (iii) Certificate Book
 - (iv) Register of Members
 - (v) Share Transfer Book
 - (vi) Dividend Register.

1.4 ANNUAL RETURN

In accordance with Section 92 of the Companies Act, 2013, every company should prepare an annual return in the form prescribed by the Companies Act, 2013 signed by a director and the company secretary, or where there is no company secretary, by a company secretary in practice:

Provided that in relation to One Person Company and small company, the annual return should be signed by the company secretary, or where there is no company secretary, by the director of the company.

The annual return should be filed with the Registrar within 60 days from the day on which each of the annual general meeting (AGM) is held or where no AGM is held in any year, within 60 days from the date on which AGM should have been held along with a statement showing the reasons why AGM was not held.

1.5 FINAL ACCOUNTS

Under Section 129 of the Companies Act, 2013, at the annual general meeting of a company, the Board of Directors of the company should lay financial statements before the company:

Financial Statements as per Section 2(40) of the Companies Act, 2013, *inter-alia* include -

- (i) a balance sheet as at the end of the financial year;
- (ii) a profit and loss account, or in the case of a company carrying on any activity not for profit, an income and expenditure account for the financial year;
- (iii) cash flow statement for the financial year;
- (iv) a statement of changes in equity, if applicable; and
- (v) any explanatory note annexed to, or forming part of, any document referred to in (i) to (iv) above:

Provided that the financial statement, with respect to One Person Company, small company and dormant company, may not include the cash flow statement.

The financial statements of a one person company, small company, dormant company or a private company (if such a private company is a start-up), may not include the cash flow statement.

Periodic Financial Statements

The Central Government may, require such class or classes of unlisted companies, as may be prescribed,—

- (a) to prepare the financial results of the company on such periodical basis and in such form as may be prescribed;
- (b) to obtain approval of the Board of Directors and complete audit or limited review of such periodical financial results in such manner as may be prescribed; and
- (c) file a copy with the Registrar within a period of thirty days of completion of the relevant period with such fees as may be prescribed.

Requisites of Financial Statements

It should give a true and fair view of the state of affairs of the company as at the end of the financial year.

Provisions Applicable

(1) Specific Act is Applicable

For instance, any

- (a) insurance company
- (b) banking company or
- (c) any company engaged in generation or supply of electricity* or
- (d) any other class of company for which a Form of balance sheet or Profit and loss account has been prescribed under the Act governing such class of company

(2) In case of all other companies

Balance Sheet as per Form set out in Part I of Schedule III and Statement of Profit and Loss as per Part II of Schedule III.

Division	Applicable to:
Division I	Companies that are required to apply Accounting Standards notified under Section 133 of the Companies Act, 2013.
Division II	Companies that are required to apply Indian Accounting Standards notified under Section 133 of the Companies Act, 2013.
Division III	Non-Banking Finance Companies (NBFCs) that are required to apply Indian Accounting Standards notified under Section 133 of the Companies Act, 2013.

**Section 1(4)(d) of the Companies Act, 2013 states that the provisions of the Companies Act shall apply to companies engaged in the generation or supply of electricity, except in so far as the said provisions are inconsistent with the provisions of the Electricity Act, 2003. Keeping this in view, Schedule III may be followed by such companies till the time any other format is prescribed by the relevant statute.*

Points to be kept in mind while preparing final accounts:

- ◆ Requirements of Schedule III to the Companies Act;
- ◆ Other statutory requirements;
- ◆ Accounting Standards notified by Ministry of Corporate Affairs (MCA) (AS 1 to AS 29²);
- ◆ Statements and Guidance Notes issued by the Institute of Chartered Accountants of India (ICAI); which are necessary for understanding the accounting treatment/ valuation/ disclosure suggested by the ICAI.

Compliance with Accounting Standards

As per section 133 of the Companies Act, it is mandatory to comply with accounting standards notified by the Central Government from time to time.

Schedule III of the Companies Act, 2013

As per section 129 of the Companies Act, 2013, Financial statements should give a true and fair view of the state of affairs of the company or companies and comply with the accounting standards notified under section 133 and should be in the form or forms as may be provided for different class or classes of companies in Schedule III under the Act. Schedule III to the Companies Act, 2013 has been given as Annexure at the end of this chapter.

² AS 6 and AS 8 have been withdrawn

Example 1

In the financial statements of the financial year 20X1-20X2, Alpha Ltd. has mentioned in the notes to accounts that during financial year, 24,000 equity shares of ₹ 10 each were issued as fully paid bonus shares. However, the source from which these bonus shares were issued has not been disclosed. Is such non-disclosure a violation of the Schedule III to the Companies Act? Comment.

Solution

Schedule III has come into force for the Balance Sheet and Profit and Loss Account prepared for the financial year commencing on or after 1st April, 20X1. As per Part I of the Schedule III, a company should, inter alia, disclose in notes to accounts for the period of 5 years immediately preceding the balance sheet date (31st March, 20X2 in the instant case) the aggregate number and class of shares allotted as fully paid-up bonus shares. Schedule III does not require a company to disclose the source from which bonus shares have been issued. Therefore, non-disclosure of source from which bonus shares have been issued does not violate the Schedule III to the Companies Act.

Example 2

The management of Loyal Ltd. contends that the work in process is not valued since it is difficult to ascertain the same in view of the multiple processes involved. They opine that the value of opening and closing work in process would be more or less the same. Accordingly, the management had not separately disclosed work in process in its financial statements. Comment in line with Schedule III.

Solution

Schedule III to the companies Act does not require that the amounts of WIP at the beginning and at the end of the accounting period to be disclosed in the statement of profit and loss. Only changes in inventories of WIP need to be disclosed in the statement of profit and loss. Non-disclosure of such change in the statement of profit and loss by the company may not amount to violation of Schedule III if the differences between opening and closing WIP are not material.

Example 3

Futura Ltd. had the following items under the head "Reserves and Surplus" in the Balance Sheet as on 31st March, 20X1:

Amount ₹ in lakhs

<i>Securities Premium Account</i>	<i>80</i>
<i>Capital Reserve</i>	<i>60</i>
<i>General Reserve</i>	<i>90</i>

The company had an accumulated loss of ₹ 250 lakhs on the same date, which it has disclosed under the head "Statement of Profit and Loss" as asset in its Balance Sheet. Comment on accuracy of this treatment in line with Schedule III to the Companies Act, 2013.

Solution

Part I of Schedule III to the Companies Act, 2013 provides that debit balance of Statement of Profit and Loss (after all allocations and appropriations) should be shown as a negative figure under the head 'Surplus'. Similarly, the balance of 'Reserves and Surplus', after adjusting negative balance of surplus, should be shown under the head 'Reserves and Surplus' even if the resulting figure is in the negative. In this case, the debit balance of profit and loss i.e. ₹ 250 lakhs exceeds the total of all the reserves i.e. ₹ 230 lakhs. Therefore, balance of 'Reserves and Surplus' after adjusting debit balance of profit and loss is negative by ₹ 20 lakhs, which should be disclosed on the face of the balance sheet. Thus, the presentation by the company is incorrect.

Example 4

Sumedha Ltd. took a loan from bank for ₹ 10,00,000 to be settled within 5 years in 10 equal half yearly instalments with interest. First instalment is due on 30.09.20X1 of ₹ 1,00,000. Determine how the loan will be classified in preparation of Financial Statements of Sumedha Ltd. for the year ended 31st March, 20X1 according to Schedule III.

Solution

In the given case, instalments due on 30.09.20X1 and 31.03.20X2 will be shown under the head 'short term borrowings' as current maturities of loan from bank as per the amendment to Schedule III vide MCA notification dated 24th March, 2021. Therefore, in the balance sheet as on 31.3.20X1, ₹ 8,00,000 (₹ 1,00,000 x 8 instalments) will be shown under the heading 'Long term Borrowings' and ₹ 2,00,000 (₹ 1,00,000 x 2 instalments) will be shown under the heading 'short term borrowings'.

Example 5

Prince Ltd. presents its provisions for contingencies under "Reserves and Surplus" in Notes to Accounts in its financial statements. Whether this presentation is correct?

Solution

The ICAI's Glossary of Terms Used in Financial Statements defines the term 'Reserve' as "the portion of earnings, receipts or other surplus of an enterprise (whether capital or revenue) appropriated by the management for a general or a specific purpose other than a provision for depreciation or diminution in the value of assets or for a known liability." 'Reserves' should be distinguished from 'provisions'. For this purpose, reference may be made to the definition of the expression 'provision' in AS-29 Provisions, Contingent Liabilities and Contingent Assets.

As per AS-29, a 'provision' is "a liability which can be measured only by using a substantial degree of estimation". A 'liability' is "a present obligation of the enterprise arising from past events, the settlement of which is expected to result in an outflow from the enterprise of resources embodying economic benefits." Present obligation' – "an obligation is a present obligation if, based on the evidence available, its existence at the Balance Sheet date is considered probable, i.e., more likely than not."

Example 6

Anek Ltd. is a company that is required to present its financial statements as per the Division I of Schedule III. The company has trade receivables at the balance sheet date. What are the disclosures that are applicable with respect to trade receivables in the financial statements?

Solution

Under Schedule III, trade receivables are required to be classified into long-term (non-current) trade receivables and short-term (current) trade receivables. Trade Receivables, shall be sub-classified as:

- (i) (a) Secured, considered good;
- (b) Unsecured considered good;
- (c) Doubtful

- (ii) Allowance for bad and doubtful debts shall be disclosed under the relevant heads separately.
- (iii) Debts due by directors or other officers of the company or any of them either severally or jointly with any other person or debts due by firms or private companies respectively in which any director is a partner or a director or a member should be separately stated.

For trade receivables outstanding, following ageing schedule shall be given:

Particulars	Outstanding for following periods from due date of payment#					Total
	Less than 6 months	6 months-1 year	1-2 years	2-3 years	More than 3 years	
(i) Undisputed Trade Receivables – considered good						
(ii) Undisputed Trade Receivables – considered doubtful						
(iii) Disputed Trade Receivables – considered good						
(iv) Disputed Trade Receivables – considered doubtful						

similar information shall be given where no due date of payment is specified in that case disclosure shall be from the date of the transaction.

Note: Students may note that the questions based on preparation of Statement of Profit and Loss and Balance Sheet and explanatory notes as per Schedule III have been given in this Unit. However, questions requiring preparation of cash flow statements have been separately given in the next unit of this chapter.

1.6 DISTRIBUTABLE PROFIT

One of the important functions of company accounting is to determine the amount of profits which is available for distribution to the shareholders as dividend. This is necessary since the amount of profits disclosed by the Profit & Loss Account, in every case, is not available for distribution. The availability of profits for distribution depends on a number of factors, *e.g.*, their composition, the amount of provisions and appropriations that must be made out of them in priority, etc.

Meaning of Dividend

- (a) A dividend is a distribution of divisible profit of a company among the members according to the number of shares held by each of them in the capital of the company and the rights attaching thereto.
- (b) Such a distribution may or may not entail a release of assets; it would be where a distribution involves payment of cash.
- (c) But when profits are capitalised and the amount distributed is applied towards payment of bonus shares, issued free to the shareholders, no part of the assets of the company can be said to have been released since, in such a case, profits are only capitalised, thereby increasing the paid up capital of the company. The company does not give up any asset.

As per Section 2 (35) of the Companies Act, 2013, term "Dividend" includes interim dividend also.

Under Section 123 (1) of the Companies Act, 2013, no dividend should be declared or paid by a company for any financial year except-

- (a) Out of the profits of the company for that financial year arrived at after providing for depreciation in accordance with the provisions of section 123(2), or
- (b) Out of the profits for any previous financial years arrived at after providing for depreciation in accordance with the provisions of that sub section and remaining undistributed; or
- (c) Out of both the above;

- (d) Out of the moneys provided by the Central Government or any State Government for the payment of dividend by the Company in pursuance of any guarantee given by that government

Provided that no dividend should be declared or paid by a company from its reserves other than free reserves.

Declaration of a dividend presupposes that there is a trading profit or a surplus available for distribution, arrived at after providing for depreciation on assets, not only for the year in which the profits were earned but also for any arrears of depreciation of the past years, calculated in the manner prescribed by sub-section (2) of Section 123.

Sub-section (3) of Section 124 further states that the Board of Directors of a company may declare interim dividend during any financial year out of the surplus in the profit and loss account and out of profits of the financial year in which such interim dividend is sought to be declared:

Provided that in case the company has incurred loss during the current financial year up to the end of the quarter immediately preceding the date of declaration of interim dividend, such interim dividend should not be declared at a rate higher than the average dividends declared by the company during the immediately preceding three financial years.

***Dividends cannot be declared except out of profits.
Capital cannot be returned to the shareholders by way of dividend.***

Dividend can be declared and paid by a company only out of the profits or free reserves (other than moneys provided by Central or State Govt.) as the payment of dividend from any other source will amount to payment of dividend from capital units.

Section 123(2) states that depreciation must be provided to the extent specified in Schedule II to the Companies Act, 2013. Further, when the assets are sold, discarded, demolished or destroyed in any financial year, the excess of the written down value over its sale proceeds as scrap, if any should be written off in the same financial year.

Declaration and Payment of Dividend

For the purpose of second proviso to sub-section (1) of section 123, a company may declare dividend out of the accumulated profits earned by it in previous years and transferred by it to the reserves, in the event of inadequacy or absence

of profits in any year, subject to the fulfilment of the following conditions as per Companies (Declaration and Payment of Dividend) Rules, 2014:

- (1) The rate of dividend declared should not exceed the average of the rates at which dividend was declared by it in the three years immediately preceding that year: provided that this sub-rule should not apply to a company, which has not declared any dividend in each of the three preceding financial years.
- (2) The total amount to be drawn from such accumulated profits should not exceed one-tenth of the sum of its paid-up share capital and free reserves as appearing in the latest audited financial statement.
- (3) The amount so drawn should first be utilised to set off the losses incurred in the financial year in which dividend is declared before any dividend in respect of equity shares is declared.
- (4) The balance of reserves after such withdrawal should not fall below 15% of its paid up share capital as appearing in the latest audited financial statement.
- (5) No company should declare dividend unless carried over previous losses and depreciation not provided in previous year are set off against profit of the company of the current year the loss or depreciation, whichever is less, in previous years is set off against the profit of the company for the year for which dividend is declared or paid.

Transfer to Reserves

- I The Board of Directors are free and can appropriate a part of the profits to the credit of a reserve or reserves as per section 123 (1) of the Companies Act, 2013.
- II Appropriation of a part of profit is sometimes made under law.
 - (a) For example, under the Banking Regulation Act, a fixed percentage of the profit of a banking company must first be transferred to the General Reserve before any dividend can be distributed.
 - (b) Transfer of a part of profit to a reserve is also necessary where the company has undertaken, at the time of raising of loan, that before any part of its profit is distributed, a specified percentage of the profit every year should be credited to a reserve for the repayment of the

loan and until the time for repayment arrives, the amount should remain invested in a specified manner.

- III Apart from appropriations aforementioned, it may also be necessary to provide for losses and arrears of depreciation and to exclude capital profit, as mentioned earlier, to arrive at the amount of divisible profit.

Declaration of Dividend

As per Section 123 of the Companies Act, 2013, Board of Directors of a company may declare dividend including interim dividend during any financial year out of the surplus in the profit and loss account and out of profits of the financial year in which such interim dividend is sought to be declared:

Provided that in case the company has incurred loss during the current financial year up to the end of the quarter immediately preceding the date of declaration of interim dividend, such interim dividend should not be declared at a rate higher than the average dividends declared by the company during the immediately preceding three financial years.

The amount of the dividend, including interim dividend, should be deposited in a scheduled bank in a separate account within five days from the date of declaration of such dividend.

No dividend should be paid by a company in respect of any share therein except to the registered shareholder of such share or to his order or to his banker and should not be payable except in cash: Provided that nothing in Section 123 should be deemed to prohibit the capitalisation of profits or reserves of a company for the purpose of issuing fully paid-up bonus shares or paying up any amount for the time being unpaid on any shares held by the members of the company:

Provided further that any dividend payable in cash may be paid by cheque or warrant or in any electronic mode to the shareholder entitled to the payment of the dividend.

Dividend on preference shares

- (a) Holders of preference shares are entitled to receive a dividend at a fixed rate before any dividend is declared on equity shares.
- (b) But such a right can be exercised subject to there being profits and the Directors recommending payment of the dividend.

Dividend on partly paid shares:

- A company may if so authorised by its Article, pay a dividend in proportion to the amount paid on each share (Section 51 of the Companies Act, 2013).

Calls in Advance

Calls paid in advance do not rank for payment of dividend.

Payment of Dividend

As per Section 124 of the Companies Act, 2013:

- (1) Where a dividend has been declared by a company but has not been paid or claimed within thirty days from the date of the declaration to any shareholder entitled to the payment of the dividend, the company should, within seven days from the date of expiry of the said period of thirty days, transfer the total amount of dividend which remains unpaid or unclaimed to a special account to be opened by the company in that behalf in any scheduled bank to be called the Unpaid Dividend Account.
- (2) The company should, within a period of ninety days of making any transfer of an amount under this section to the Unpaid Dividend Account, prepare a statement containing the names, their last known addresses and the unpaid dividend to be paid to each person and place it on the website of the company, if any, and also on any other website approved by the Central Government for this purpose, in such form, manner and other particulars as may be prescribed.
- (3) If any default is made in transferring the total amount or any part thereof to the Unpaid Dividend Account of the company, it should pay, from the date of such default, interest on so much of the amount as has not been transferred to the said account, at the rate of 12% per annum and the interest accruing on such amount should ensure to the benefit of the members of the company in proportion to the amount remaining unpaid to them.
- (4) Any person claiming to be entitled to any money transferred to the Unpaid Dividend Account of the company may apply to the company for payment of the money claimed.

Due to inadequacy of profits during the year ended 31st March, 20X2, XYZ Ltd. proposes to declare 10% dividend out of general reserves. From the following particulars, ascertain the amount that can be utilised from general reserves, according to the Companies (Declaration of dividend out of Reserves) Rules, 2014:

	₹
17,500 9% Preference shares of ₹ 100 each, fully paid up	17,50,000
8,00,000 Equity shares of ₹ 10 each, fully paid up	80,00,000
General Reserves as on 1.4.20X1	25,00,000
Capital Reserves as on 1.4.20X1	3,00,000
Revaluation Reserves as on 1.4.20X1	3,50,000
Net profit for the year ended 31 st March, 20X2	3,00,000
Average rate of dividend during the last three years has been 12%.	

Solution

Amount that can be drawn from reserves for 10% dividend		
10% dividend on ₹ 80,00,000		₹ 8,00,000
Profits available		
Current year profit	3,00,000	
Less: Preference dividend	<u>(1,57,500)</u>	<u>(1,42,500)</u>
Amount which can be utilised from reserves		<u>6,57,500</u>

Conditions as per Companies (Declaration of dividend out of Reserves) Rules, 20X1:

Condition I

Since 10% is lower than the average rate of dividend (12%), 10% dividend can be declared.

Condition II

Maximum amount that can be drawn from the accumulated profits and reserves should not exceed 10% of paid up capital plus free reserves ie. ₹ 12,25,000 [10% of (80,00,000+17,50,000+25,00,000)]

Condition III

The balance of reserves after drawl ₹ 18,42,500 (₹ 25,00,000 - ₹ 6,57,500) should not fall below 15 % of its paid up capital ie. ₹ 14,62,500 (15% of ₹ 97,50,000)

Since all the three conditions are satisfied, the company can withdraw ₹ 6,57,500 from accumulated reserves (as per Declaration and Payment of Dividend Rules, 2014.)
