Directions (1-5): Answer the questions based on the information given below.

Eight persons- S, T, U, V, W, X, Y, and Z are standing on the circular table facing the center. All the information is not necessarily in the same order.

S stands second to the left of X. W stands adjacent to neither S nor X. Y stands to the immediate right of W. Z stands second to the left of V. V and W are not immediate neighbors. The number of persons stands between X and V is the same as the number of persons stands between V and T. U stands adjacent to neither W nor Z.

1) What is the position of S with respect to V?

- a) Immediate left
- b) Immediate right
- c) Third to the left
- d) Third to the right
- e) Second to the left

2) Who among the following person stands between T and S when counted to the right of S?

- I. The one who stands immediate left of X
 - II. The one who stands opposite to Z
 - III. The one who stands second to the right of U
 - IV. W
- a) Only II and IV

III. RQP

- a) Only I
- b) Only II
- c) Only I and II
- d) All I, II and III
- e) None of these

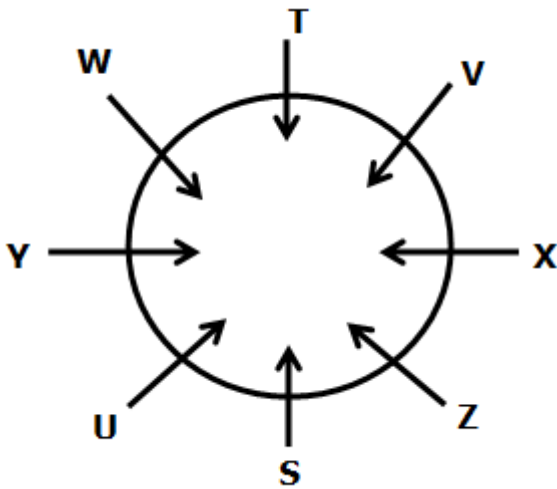

ANSWER WITH EXPLANATION

Directions (1-5):

- 1) Answer: C
- 2) Answer: B
- 3) Answer: E
- 4) Answer: B
- 5) Answer: C

Final Arrangement

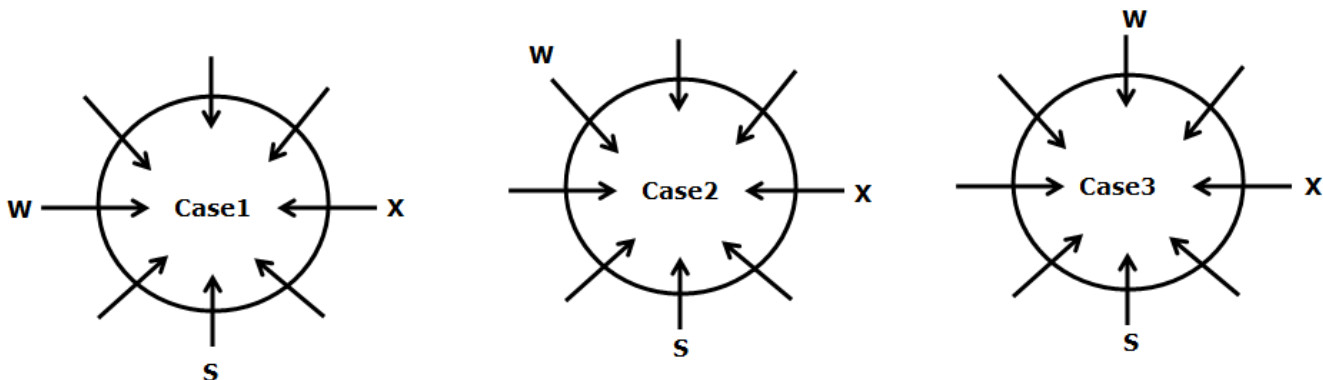

Circular Seating Arrangement for Bank Prelims Exam – Set 2

We have,

- S stands second to the left of X.
- W stands adjacent to neither S nor X.

From the above condition, there are three possibilities.

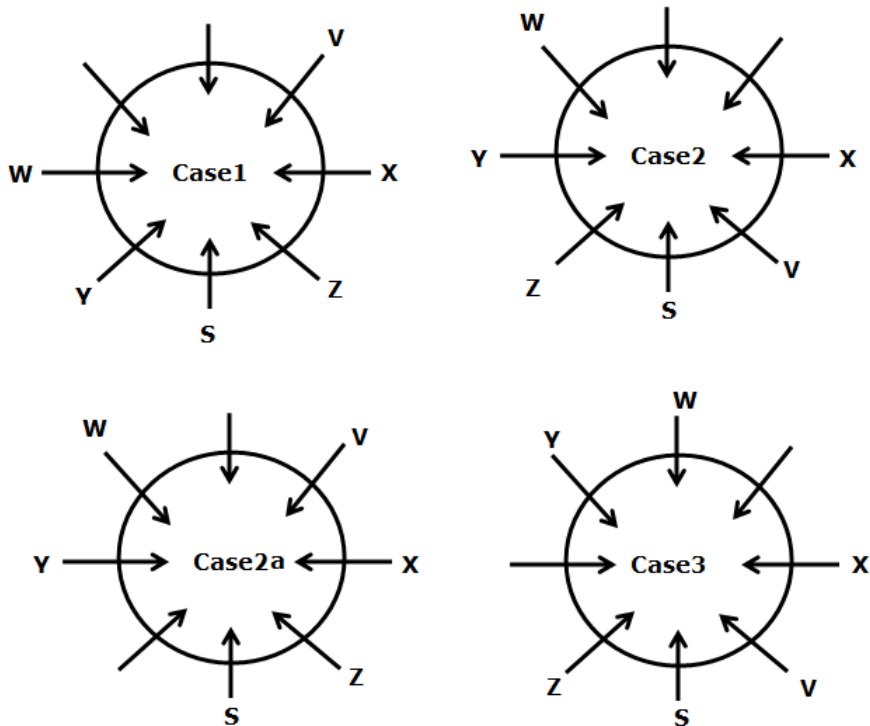

Again we have,

- Y stands to the immediate right of W.
- Z stands second to the left of V.
- V and W are not immediate neighbors.

From the above condition, there are four possibilities.

Circular Seating Arrangement for Bank Prelims Exam – Set 2

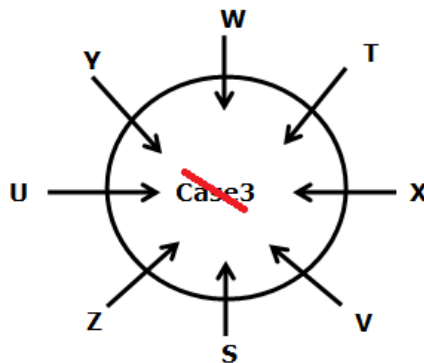

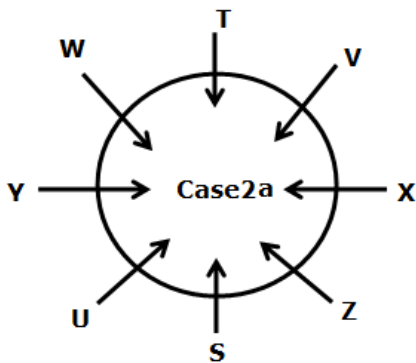

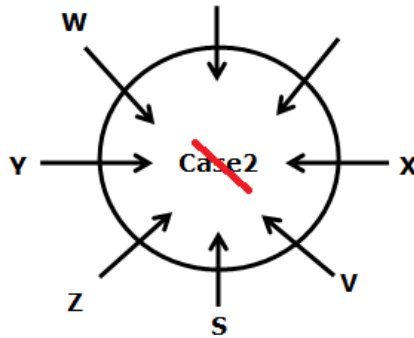

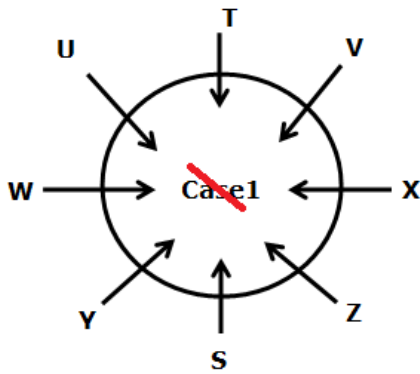

Again we have,

- The number of persons stands between X and V is the same as the number of person stands between V and T.
- U stands adjacent to neither W nor Z.

From the above condition, case1, case2, and case3 get eliminated. case2a shows the final arrangement.

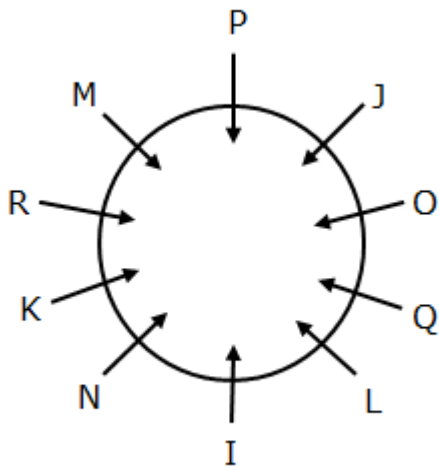

Circular Seating Arrangement for Bank Prelims Exam – Set 2

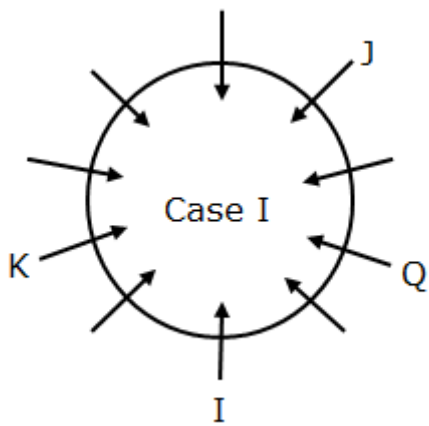

Directions (6-10):

- 6) Answer: D
- 7) Answer: D
- 8) Answer: C
- 9) Answer: E
- 10) Answer: C

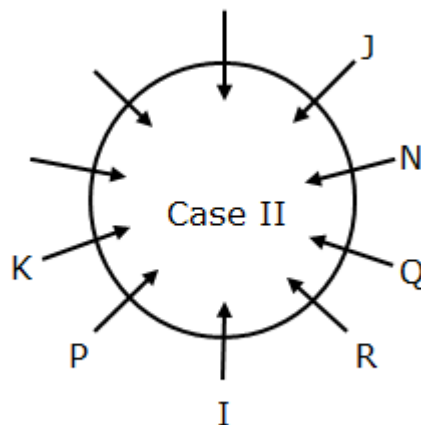

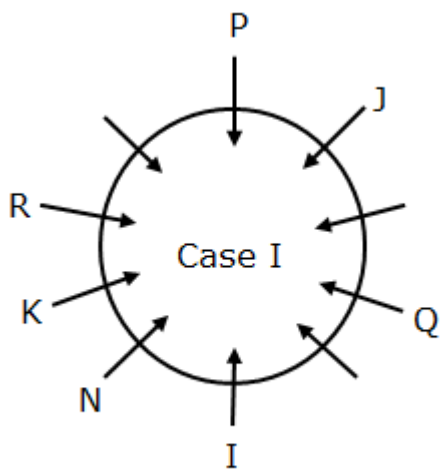

Circular Seating Arrangement for Bank Prelims Exam – Set 2

I faces the one who sits third to the right of Q. J sits fourth to the left of K.
Neither I nor Q sits adjacent to both J and K.

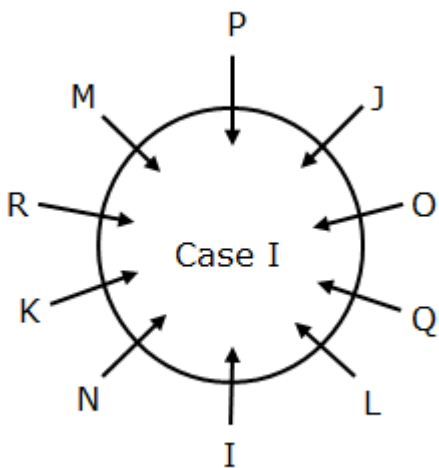

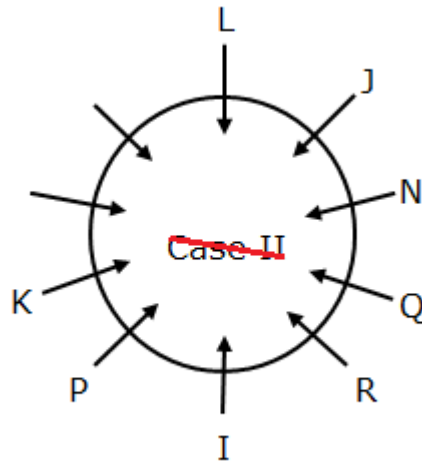

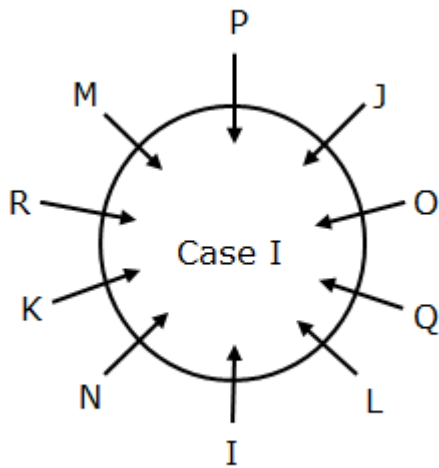

Only two persons sit between J and R who sits second to the left of N. As many persons sit between N and J is the same as between I and P.
