

## CHAPTER 13

## Set Off &amp; Carry Forward Of Losses Introduction

## Set off &amp; Carry Forward of Losses Introduction

- ✚ Total Income earned by the Assessee during the PY is taxable under Income Tax Act.
- ✚ It is worthy to be noted that Total Income from All Sources/Heads is to be taxed & not the Income from Individual source/head. Thus, it becomes Important to know Mechanism of Set off & Carry forward of Losses.
- ✚ Ex: Mr. JK carries on two businesses. He gets loss in one business & profit in another one. His PGBP income will be the net income i.e. after an adjustment of the loss.
- ✚ It might also happen that Net Result from a Particular Source/Head of Income may be Loss. This Loss can be Set off against other Source/Head in a Specified Manner.
- ✚ Thus, it can be said that Loss from one Source/Head can be Adjusted against Income from other Source/Head Subject to Certain Conditions.
- ✚ Set-off & C/F of losses is mandatory.

## Meaning of Set-off &amp; Carry Forward of Losses

## Set off of Loss

Adjustment of Losses against Profits from Another Source/Head of Income in Same AY.

## Carry Forward of Losses

## This Topic Can be Divided into 2 Parts:

- A. Set off of Loss in Same Year
  1. Intra-Head/Inter-Source Adjustments [Set off within Same Head of Income]
