Top Month and Day Based Puzzle Free PDF for SBI Clerk Prelims – (English Version)

Directions (1-5): Study the following information carefully and answer the below questions

Eight persons- P, Q, R, S, T, U, V, and W are renewing their driving licenses on two different dates either 8 or 21 of different months- January, April, July, and September of the same year. All the information is not necessarily in the same order.

P renews on an odd number date. P renews three persons before U. V renews on an even number date but after P. Only two persons are renewing between V and Q. Neither Q nor W is the last person to renew their license. S renews two persons before W. T renews after R. The number of persons renews between R and T is the same as between R and P.

1) On which of the following month and date does R renew?

- a) April 8
- b) July 21
- c) January 8
- d) September 21
- e) None of the above

2) Four of the following are alike in a certain way and hence form a group. Who among the following ones does not belong to the group?

- a) The one who renews on January 8

- b) The one who renews immediately before Q
- c) U
- d) V
- e) The one who renews immediately after W

3) Which of the following statement is/are true?

- a) V renews immediately before R
- b) U renews on September 21
- c) Only one person renews between W and R
- d) P renews before S
- e) None of these

4) If the persons are renewing in alphabetical order from January 8th, then how many persons are unchanged in their position?

- a) No one
- b) One
- c) Two
- d) Three
- e) More than Three

5) How many persons renew between V and Q?

- a) Five
- b) Four
- c) Three
- d) Two
- e) None of these

- 2) Answer: E
- 3) Answer: A

- 4) Answer: B
- 5) Answer: D

Final Arrangement

Top Month and Day Based Puzzle Free PDF for SBI Clerk Prelims – (English Version)

Month & Date	Person
January 8	S
January 21	Q
April 8	W
April 21	P
July 8	V
July 21	R
September 8	U
September 21	T

We have,

- P renews on an odd number date.
- P renews three persons before U.

From the above condition, there are two possibilities.

	Case1	Case2
January 8		
January 21	P	
April 8		
April 21		P
July 8	U	
July 21		
September 8		U
September 21		

Again we have,

- V renews on an even number date but after P.
- Only two persons are renewing between V and Q.
- Neither Q nor W is the last person to renew their license.

From the above condition, there are three possibilities.

	Case1	Case2	Case1a
January 8			
January 21	P	Q	P
April 8	V		
April 21		P	Q
July 8	U	V	U
July 21	Q		
September 8		U	V
September 21			

Again we have,

- S renews two persons before W.
- T renews after R.

From the above condition, case1 gets eliminated.

	Case1	Case2	Case1a
January 8		S	S
January 21	P	Q	P
April 8	V	W	W
April 21		P	Q
July 8	U	V	U
July 21	Q	R	R
September 8		U	V
September 21		T	T

Again we have,

- The number of persons renews between R and T is the same as between R and P.

From the above condition, case1a gets eliminated. case2 shows the final arrangement.

	Case2	Case1a
January 8	S	S
January 21	Q	P
April 8	W	W
April 21	P	Q
July 8	V	U
July 21	R	R
September 8	U	V
September 21	T	T

Directions (6-10):

- 6) Answer: B
- 7) Answer: E
- 8) Answer: A
- 9) Answer: A
- 10) Answer: D

Final Arrangement

Month & date	Persons
January 12	O
January 27	R
April 12	T
April 27	Q
July 12	M
July 27	S
September 12	N
September 27	P

We have,

- S goes in the month which has an odd number of days and an odd number date.
- Only one person goes between S and Q.

From the above condition, there are three possibilities.
