CA Final / CA Inter – Study Plan

- Starting Date: 6th February
- Both Groups:
 - - All lectures to be completed by 6th Feb.
- Single Group:
 - - Complete syllabus by 28th February

Books & Revisions Strategy

- • Stick to ONE book / notes only
- • Ensure it covers everything below:
 - - 100% Module
 - - RTP
 - - MTP
 - - PYQ
- 👉 Compulsory to complete this in 1st Revision

1st Revision – Most Important

- Focus Areas:
 - • Questions Practice
 - • Presentation Skills
 - • Writing Speed
 - • LDR (Last Day Revision)

CA Final – Only 1 Group (60 Days)

- Subject-wise Plan:
 - FR : $12 + 10 = 22$ Days
 - AFM : $9 + 7 = 16$ Days
 - Audit : $8 + 6 = 14$ Days
- Total Study Days = $29 + 23 = 52$ Days
- → 8 Days Spare for Backlogs, RTP & Mock Tests

CA Final – Both Groups (85 Days)

- Group-wise Allocation:
- FR : 10 + 8
- AFM : 8 + 6
- Audit: 7 + 5
- DT : 10 + 8
- IDT : 8 + 6
- Total = 43 Days + 33 Days = 76 Days

Study Strategy – Subject Combination

- 2 Subjects at a Time
 - 1 Theory Subject
 - 1 Practical Subject
- This balance helps maintain focus and efficiency.

Mock Test Strategy

- Any ONE Group:
 - At least 2 Difficult Mock Tests
- Both Groups:
 - At least 1 Difficult Mock Test

Daily Study Discipline

- • Daily 10–12 hours fixed schedule
- • Follow the schedule repeatedly
- • Consistency beats irregular effort
