Auditor need to consider where efforts should be directed. This will help in developing OAS

ETE

Auditor directs team to significant matters using professional judgment. Identifying material transactions, balances, disclosures sets audit strategy..

⊗

factors that an auditor should consider in directing the engagement team's efforts

1. Volume of Transactions → Reliance on IC to be placed or Not.
2. Significant Industry Developments → as changes in industry regulations and new reporting requirements.
3. Changes in Financial Reporting Framework → such as changes in AS
4. Other Significant Relevant Developments: → change in Legal Environment

Considering PEA/OE helps in developing OAS.
