-	Professional & Ethical Duty of a CA	<i>Added</i> in New Syllabus
-	Accounting & Technology	<i>Added</i> in New Syllabus
-	Difference Between AS & IND AS 1. IND AS 115 vs AS 7/AS 9 2. IND AS 116 vs AS 19 3. IND AS 12 vs AS 22	<i>Added</i> in New Syllabus
100% Descriptive Paper	1. 30% case scenario / case-study based MCQs 2. 70% descriptive questions	<i>MCQs &amp; Case Studies Part Added in New Syllabus</i> P.S. Easy to tackle once you have conceptual clarity. Ofcourse, separate Notes and lectures will be conducted for practicing the same

## FAQs for FR (By FRwithAK)

1. Is there anything major?

Ans. **No**, only 2 small topics, differences & few ques added. So hardly any change

2. Do the existing students have to enroll for any new batch?

Ans. **No**, not at all. It is my responsibility to provide you with the notes & lectures for above additions, so relax. Why Fear when AK is here.

(You will get access to the above soon on your google drive, will inform once the same is recorded and uploaded)

3. Is the recent regular batch which commenced in April 2023 updated?

Ans. **Yes**. The regular batch is conducted keeping in mind the new syllabus (As we already knew regarding the syllabus changes)

So, the recent regular batch will be 100% updated and will already cover all above additions and deletions and is best suited for students having attempt in May 24 & onwards.

4. Is there any upcoming Live Batch for Students willing to start FR for the First time, or will the existing regular batch solve the purpose?

Ans: You can enroll for the **existing** regular **batch** as its **already as per new syllabus**. But yes, will also be launching a **New Batch Soon** (Starting August Tentatively)

5. Will the notes be uploaded for ALL students on Telegram?

Ans. **Yes**, I will try to upload the notes for additions on My telegram channel to help all the students who have already studied FR and as I already said you need not worry as there is no Major change. So, no need to worry. (Do Join Telegram & YouTube Channel for Notes, Batch Updates, Revisions, Marathons and much more)
