1. Introduction

Though it is the duty of every taxable person to self-assess and pay his GST liabilities voluntarily, tax administration occasionally comes across situations where the tax dues are not paid correctly by the taxpayers. While in most of these cases, such non-payment is due to the bonafide belief of the person that his activities do not attract any tax liability under the GST law; or he is entitled to certain exemption, etc., in some cases, such non-payment is deliberate with an intention to evade payment of such tax by way of short payment of tax, excess avilment of input tax credit, etc.

As per the relevant provisions, the self-assessed tax has to be paid by the due date prescribed under the GST law and any non-compliance may affect the Input Tax Credit (ITC) eligibility of the customers and also the tax payer will not be able to file any return for further period in certain circumstances. Effectually, these provisions work as a self-policing system and take care of any mismatch in the payment of taxes.

However, despite these provisions, there may arise some instances where the tax was not paid correctly. To deal with such situations, Revenue must be empowered to demand the tax liability and recover such tax from the defaulter.

On one hand, there is a dire need to have a robust demand and recovery mechanism in place in order to empower the Revenue to exercise said powers, at the same time, care must also be taken that there should not be arbitrary exercise of such powers by the Revenue and same should be appropriately regulated.

Accordingly, the GST law contains elaborate provisions for the recovery of tax under various situations, which can be broadly classified into following two categories:

Chapter XV of the CGST Act 2017 [Sections 73 to 84¹] and Chapter XVIII [Rules 142 to 161] of the CGST Rules, 2017 contains various provisions relating to demands and recovery. There are parallel provisions in SGST laws of various States. The demand and recovery proceedings will be made either by Central GST Officer or State GST Officer depending on their jurisdiction over particular taxable person.

Provisions of demands and recovery under CGST Act have also been made applicable to IGST Act vide section 20 of the IGST Act.

Before proceeding to understand the demands and recovery provisions, let us first go through few relevant definitions.

2. RELEVANT DEFINITIONS

- ❖ **Appellate Tribunal:** means the Goods and Services Tax Appellate Tribunal constituted under section 109 [Section 2(9)].
- ❖ **Commissioner:** means the Commissioner of central tax and includes the Principal Commissioner of central tax appointed under section 3 and the Commissioner of integrated tax appointed under the Integrated Goods and Services Tax Act [Section 2(24)].

¹ Since sections 73 and 74 contain the provisions for determination of tax, pertaining to the period upto Financial Year 2023-24, not paid or short paid or erroneously refunded or input tax credit wrongly availed or utilised for any reason other than fraud or any wilful misstatement or suppression of facts or by reason of fraud or wilful-misstatement or suppression of facts, said provisions have not been discussed in detail in this Chapter and are not relevant for examination purpose. However, brief references to said sections have been retained wherever they are referred to in other sections/rules and in CBIC clarifications.

Newly introduced section 74A containing provisions relating to determination of tax not paid or short paid or erroneously refunded or input tax credit wrongly availed or utilised for any reason pertaining to Financial Year 2024-25 onward has been discussed in detail and will be relevant for examination purposes.

required to pay in order to obtain the goods or services or both of like kind and quality at or about the same time and at the same commercial level where the recipient and the supplier are not related [Section 2(73)].

- ❖ **Proper officer:** in relation to any function to be performed under this Act, means the Commissioner or the officer of the central tax who is assigned that function by the Commissioner in the Board [Section 2(91)].

3. DETERMINATION OF TAX NOT PAID OR SHORT PAID OR ERRONEOUSLY REFUNDED OR INPUT TAX CREDIT WRONGLY AVAILED OR UTILISED FOR ANY REASON PERTAINING TO FINANCIAL YEAR 2024-25 ONWARD [SECTION 74A READ WITH RULE 142]

- ❑ **Section 74A stipulates the manner in which the tax liability of a person should be determined in case of short payment/ non-payment of tax/ erroneous refund/ wrong availment/ utilization of ITC. It provides a unified mechanism for both fraud and non-fraud cases, i.e. where such short payment/ non-payment of tax/ erroneous refund/ wrong availment/ utilization of ITC is by reason of fraud, or any wilful-misstatement or suppression of facts to evade tax or by reasons other than fraud or wilful-misstatement or suppression of facts.**
- ❑ **Limitation period:** *One of the core principles of law is that legal proceedings must have an element of certainty. The law of limitation is built on this principle, as any action under any law must be taken within a prescribed time frame; otherwise, disputes would remain open-ended and uncertain. The purpose of a limitation period under tax law is to fix a definite time within which the tax authorities can take action, such as raising a demand, issuing a notice or making an assessment.*

It ensures that tax matters are not kept open indefinitely, giving

certainty and finality both to the taxpayer and the Department. The provisions of limitation period gain all the more importance in the legislation dealing with indirect taxes, where the tax burden is to be passed on to the next level at every stage. Therefore, a tax law must have a limitation period, beyond which demands cannot be raised.

- **Principal of natural justice:** *In order to adhere to the principles of natural justice, before raising any tax demand, a notice has to be issued [generally referred to as Show Cause Notice(SCN)], asking the person chargeable with tax to show cause as to why the specified amount of tax, interest and penalty should not be demanded from him.*

The issuance of SCN grants an opportunity to such person to defend himself before adjudication. The person to whom such notice has been issued can contest the demand by filing a reply to the SCN and also by appearing before the adjudicating authority personally. After considering the reply filed by the person as well as the submissions made during the personal hearing, the adjudicating authority shall pass a speaking order, either confirming the tax demand or dropping the same.

- **Section 74A provides standardized timelines and procedures for both types of cases, thereby bringing efficiency in handling the cases and promoting better understanding in following manner:**

- ❖ *Show cause notice (hereinafter referred as SCN) can be issued within 42 months (3.5 years), from the due date of furnishing the annual return or from the date of erroneous refund.*
- ❖ *The order must be passed within 1 year, from the date of SCN or from the date of erroneous refund.*

- **The incidence of short payment/non-payment of tax or erroneous refund or wrong availment/utilisation of ITC may be because of an inadvertent bonafide mistake, i.e. by reasons other than fraud or wilful-misstatement or suppression of facts (hereafter referred as **Non-fraud cases**) or it may be a deliberate attempt to evade the tax, i.e. by reason of fraud, or any wilful-misstatement or suppression of facts (hereinafter referred as **Fraud cases**).**

The provisions contained in section 74A have been discussed in detail below.

A. Issuance of SCN [Section 74A(1), (3) and (4)]

- ❑ **SCN is issued in any of the following cases:**
 - ❖ *Tax has not been paid,*
 - ❖ *Tax has been short paid,*
 - ❖ *Tax has been erroneously refunded, or*
 - ❖ *ITC has been wrongly availed/utilised.*
- ❑ **SCN requires the person chargeable with tax to show cause as to why he should not pay the amount specified in SCN along with interest payable thereon under section 50 (interest on delayed payment of tax)² and a penalty leviable under the provisions of the GST law. Thus, SCN would clearly state the amount of tax, interest and penalty that the person is liable to pay.**
- ❑ **Needless to say, the notice should clearly state the grounds based on which such demand is raised, so that the person against whom the notice is served is made aware of the basis of the demand.**
- ❑ **SCN is to be issued in both fraud cases and non-fraud cases.**
- ❑ **Exception: No SCN shall be issued if the disputed amount³ is less than ₹ 1,000 in a financial year.**
- ❑ **Pre-SCN intimation: The proper officer may, before serving of such SCN, communicate the details of any tax, interest and penalty as ascertained by him, in the prescribed form, to the person chargeable with tax, interest and penalty. It is important to note that issuance of pre-SCN intimation is not mandatory.**

Where such person has made partial payment of the amount communicated to him or desires to file any submissions against the proposed liability, he may make such submission and thereafter the

² Notification No. 13/2017 CT dated 28.06.2017 has notified the rate of interest as 18% per annum under section 50.

³ Disputed amount here refers the tax which has not been paid or short paid or erroneously refunded or where input tax credit has been wrongly availed or utilised

proper officer may issue an intimation, accepting the payment or the submissions or both, as the case may be, made by the said person.

- **Statement in lieu of SCN for subsequent periods:** *Where a SCN has been issued for any period, the proper officer may serve a statement instead of SCN for the subsequent periods.*

Such statement shall contain the details of:

- ❖ *Tax not paid*
- ❖ *Tax short paid*
- ❖ *Tax erroneously refunded, or*
- ❖ *ITC wrongly availed/utilised.*

Statement shall be served for the periods other than those covered under the SCN earlier issued.

The service of such statement for subsequent periods shall be deemed to be service of SCN on the person chargeable with tax. This is subject to the condition that the grounds relied upon for subsequent tax periods are the same as are mentioned in the earlier SCN.

This provision ensures that the Department's time is saved by avoiding repetitive re-typing of demand notices.

B. Time limit for issuance of SCN [Section 74A(2)]

SCN must be issued within 42 months (3.5 years) from:

- ❖ *the due date for furnishing of annual return⁴*
or
- ❖ *the date of erroneous refund.*

⁴ Annual return here refers to annual return for the financial year to which the tax not paid or short paid or input tax credit wrongly availed or utilised relates to.

C. Quantum of penalty [Section 74A(5)]**What is the penalty amount?****Fraud Case**

Penalty is the tax due from the person chargeable with tax.

Non-Fraud Case

Penalty is **higher** of:

- (i) 10% of tax due
- or
- (ii) ₹10,000**.

** ₹ 10,000 each under CGST and SGST/UTGST or ₹ 20,000 under IGST

D. Issuance of order [Section 74A(6) and (7)]

The person chargeable with tax may give the representation to proper officer and the proper officer shall, after considering the representation, determine the amount of tax, interest and penalty due from such person and issue an order.

Time limit for issuance of order: The proper officer shall issue said order within 12 months from date of issuance of the SCN.

However, if the officer is unable to issue order within this time, the Commissioner or any officer authorised by the Commissioner who is senior in rank to the proper officer, but not below the rank of Joint Commissioner of Central Tax, may extend this period.

Such extension can be given for a maximum of 6 months, provided reasons for the delay in issuance of order are recorded in writing, before the expiry of the original 12 months' period.

E. Payment of tax and interest and penalty⁵ before issuance of SCN [Section 74A(8)(i), 74A(9)(i) & 74A(10)]

The law provides an opportunity to the person chargeable with tax to pay tax, interest and penalty before issuance of SCN. In that case, in non-fraud cases, penalty will be completely waived off and in fraud cases, penalty will be reduced to 15% of the tax.

The detailed provisions are as under:

□ **Non-fraud cases:** *In case of non-fraud cases, the person chargeable with tax may pay the alongwith interest payable under section 50 (interest on delayed payment of tax), before the issue of SCN/statement:*

- ❖ *on the basis of his own ascertainment of tax, or*
- ❖ *the tax as ascertained by the proper officer*

and inform the proper officer in writing of such payment in prescribed form - Form DRC-03. An acknowledgement shall be made available to such person through the common portal electronically.

The proper officer, on receipt of such information, shall not serve any SCN/statement, as the case may be, in respect of the tax so paid or any penalty payable under the provisions of GST law.

□ **Fraud cases:** *In case of fraud cases, the person chargeable with tax may pay the alongwith interest payable under section 50 (interest on delayed payment of tax) and a penalty equivalent to 15% of such tax, before the issue of SCN/ statement:*

- ❖ *on the basis of his own ascertainment of tax, or*
- ❖ *the tax as ascertained by the proper officer*

⁵ *In case of payment of tax and interest before issuance of SCN, penalty is payable only in fraud cases.*

and inform the proper officer in writing of such payment in prescribed form - Form DRC-03. An acknowledgement shall be made available to the person through the common portal electronically.

The proper officer, on receipt of such information, shall not serve any SCN in respect of the tax so paid or any penalty payable under the provisions of GST law.

Where amount paid falls short of amount actually payable: Where the proper officer is of the opinion that the amount paid as above in fraud/non-fraud cases falls short of the amount actually payable, he shall proceed to issue SCN in respect of such amount which falls short of the amount actually payable.

- ❑ *The option of paying tax and interest and penalty (in case of fraud cases) before issuance of SCN so as to avoid the issuance of SCN is available in both fraud as well as non-fraud cases.*

F. Payment of tax and interest and penalty⁶ within 60 days of issuance of SCN [Section 74A(8)(ii) & 74A(9)(ii)]

- ❑ **Non-fraud cases:** *In case of non-fraud cases, the person chargeable with tax may pay the alongwith interest payable under section 50 (interest on delayed payment of tax), within 60 days of issuance of SCN/statement,*

and inform the proper officer of such payment in prescribed form.

In such cases, no penalty shall be payable and all proceedings in respect of the said SCN shall be deemed to be concluded. The proper officer shall issue an intimation in prescribed form concluding the proceedings in respect of the said SCN.

- ❑ **Fraud cases:** *In case of fraud cases, the person chargeable with tax may pay the alongwith interest payable under section 50 (interest on delayed payment of tax) and a penalty equivalent to 25% of such*

⁶ *In case of payment of tax and interest within 60 days of issuance of SCN, penalty is payable only in fraud cases.*

tax, within 60 days of issuance of SCN/statement, and inform the proper officer of such payment in prescribed form.

- ❑ *In such cases, all proceedings in respect of the said SCN shall be deemed to be concluded. The proper officer shall issue an intimation in prescribed form concluding the proceedings in respect of the said SCN.*

G. Payment of tax, interest and penalty within 60 days of communication of order [Section 74A(9)(iii)]

- ❑ *In case of fraud cases, the person chargeable with tax may pay the alongwith interest payable under section 50 (interest on delayed payment of tax) and a penalty equivalent to 50% of such tax, within 60 days of communication of order, and all proceedings in respect of the said SCN shall be deemed to be concluded.*

H. Penalty in case of non-payment of self-assessed tax or amount collected as tax, within 30 days of due date [Section 74A(11)]

In case of non-fraud cases, if the amount of self-assessed tax or any amount collected as tax has not been paid within a period of 30 days from the due date of payment of such tax, then following penalty shall be payable:

(i) 10% of tax

or

(ii) ₹10,000⁷

whichever is higher.

This provision is notwithstanding anything contained in clause (i) or clause (ii) of sub-section (8) of section 74A. In other words, in such cases, imposition of penalty is mandatory with no option of waiver [as offered under section 74A(8)].

In case of non-payment of self-assessed tax and the amount collected as representing the tax, the only opportunity for paying the same without incurring any penalty is, if it is paid, with interest, within 30 days from

⁷ ₹10,000 each under CGST and SGST/UTGST or ₹20,000 under IGST

the due date of payment. The option to pay such tax before issuance of SCN or within 30 days of issuance of SCN and avoid penalty consequences is not available. Penalty under section 74A(5)(i) shall be payable where any amount of self-assessed tax or any amount collected as tax has not been paid within a period of 30 days from the due date of payment of such tax.

For the purposes of section 74A:

- (i) the expression “all proceedings in respect of the said notice” shall not include proceedings under section 132. Section 132 is in relation to prosecution. Thus, the person can be prosecuted under GST law even if no further demand can be raised for tax, interest or penalty. Prosecution in criminal court is independent of and can be in addition to, penalty imposed under GST law.***
- (ii) where the notice under the same proceedings is issued to the main person liable to pay tax and some other persons, and such proceedings against the main person have been concluded under section 74A, the proceedings against all the persons liable to pay penalty under sections 122 and 125⁸ are deemed to be concluded. Sometimes, if a notice is issued to a company, notice may be also issued to its executive director, employees, transporter etc. for same cause of action. These are termed as ‘co-noticees’, while company is the ‘main noticee’. Conclusion of proceedings against main noticee would be deemed to be conclusion of proceedings against all co-noticees also and the entire case will stand closed.***
- (iii) For the purposes of this Act, the expression “suppression” shall mean non-declaration of facts or information which a taxable person is required to declare in the return, statement, report or any other document furnished under this Act or the rules made thereunder, or failure to furnish any information on being asked for, in writing, by the proper officer. Thus, definition of ‘suppression’ is very clear that only if information that was required to be disclosed under the GST law (e.g. in return, statement or report or when specific query was raised) is not***

⁸ Provisions relating to sections 122 & 125 have been discussed in detail in Chapter 21 – Offences and Penalties and Ethics under GST in this Module of the Study Material.

disclosed, that would amount to 'suppression'. It is not duty of a taxable person to disclose each material fact to the Department, if it is not asked for.

4. GENERAL PROVISIONS RELATING TO DETERMINATION OF TAX [SECTION 75]

General provisions relating to determination of tax are contained in section 75 of CGST Act. These provisions are applicable both in case of determination of tax not paid/short paid/ erroneously refunded/ITC wrongly availed/ utilised whether by reason of fraud/any wilful misstatement/suppression of facts or otherwise.

¹⁰ ₹ 10,000 each under CGST and SGST/UTGST or ₹ 20,000 under IGST

These provisions have been discussed are as follows:

A. Period of stay order to be excluded in computing the limitation period [Section 75(1)]

Where the service of notice or issuance of order is stayed by an order of a Court or Appellate Tribunal, the period of such stay shall be excluded in computing the *period for issuance of notice and issuance of adjudication order*** , as the case may be.

***period as specified in sub-sections (2) and (7) of section 74A¹¹.*

B. In case charges of fraud/any wilful misstatement/suppression of facts are not established for a notice issued in a fraud case, penalty prescribed for non-fraud cases is payable [Section 75(2A)]

Where any Appellate Authority or Appellate Tribunal or Court concludes that the penalty prescribed for fraud cases under section 74A is not sustainable for the reason that the charges of fraud or any wilful-misstatement or suppression of facts to evade tax has not been established against the person to whom the notice was issued, the penalty prescribed for non-fraud cases under section 74A shall be payable by such person.

C. Adjudication order issued in pursuance of Appellate Authority/ Appellate Tribunal/ Court's direction be issued with 2 years [Section 75(3)]

¹¹ *sub-sections (2) and (10) of section 73 or sub-sections (2) and (10) of section 74*

Adjournment of hearing to grant time to person chargeable with tax [Section 75(5)]

The proper officer shall, if sufficient cause is shown by the person chargeable with tax, grant time to the said person and adjourn the hearing for reasons to be recorded in writing.

However, such adjournment shall be granted for a maximum of 3 times to a person during the proceedings.

E. Adjudication order should be a speaking order [Section 75(6)]

The proper officer, in his order, shall set out the relevant facts and the basis of his decision.

F. Tax, interest and penalty demanded in order not to exceed amount specified in notice [Section 75(7)]

The amount of tax, interest and penalty demanded in the order shall not be in excess of the amount specified in the notice and no demand shall be confirmed on the grounds other than the grounds specified in the notice.

G. In case of modification of tax by the Appellate Authority/ Tribunal/ Court, penalty and interest to be modified accordingly [Section 75(8)]

Where the Appellate Authority or Appellate Tribunal or court modifies the amount of tax determined by the proper officer, the amount of interest and penalty shall stand modified accordingly, taking into account the amount of tax so modified.

H. Payment of interest mandatory even if not specified in the adjudication order [Section 75(9)]

The interest on the tax short paid or not paid shall be payable whether or not specified in the order determining the tax liability.

I. Adjudication order to be passed mandatorily within stipulated time [Section 75(10)]

The GST law ensures timely disposal of cases by providing that if the adjudication order is not issued within the stipulated time limit of 1 year of issuance of SCN, the adjudication proceedings shall be deemed to be concluded.

J. In case of appeal filed by Department against prejudicial decision of the Appellate Authority/ Appellate Tribunal/ High Court, period between the date of decision of the higher authority and that of the lower authority to be excluded [Section 75(11)]

An issue on which the Appellate Authority or the Appellate Tribunal or the High Court has given its decision which is prejudicial to the interest of revenue in some other proceedings and an appeal to the Appellate Tribunal or the High Court or the Supreme Court against such decision of the Appellate Authority or the Appellate Tribunal or the High Court is pending, the period spent between the date of the decision of the Appellate Authority and that of the Appellate Tribunal or the date of decision of the Appellate Tribunal and that of the High Court or the date of the decision of the High Court and that of the Supreme Court shall be excluded in computing the time limit for passing adjudication order, where proceedings are initiated by way of issue of a SCN under the sections 73 and 74 **or section 74A**.

K. Amount of self-assessed tax or interest remaining unpaid to be recovered under section 79 [Section 75(12)]

Notwithstanding anything contained in section 73 or section 74 **or section 74A**, where any amount of self-assessed tax in accordance with a return furnished under section 39 remains unpaid, either wholly or partly, or any amount of interest payable on such tax remains unpaid, the same shall be directly recovered under the provisions of section 79 [*discussed subsequently in this chapter*].

The expression "**self-assessed tax**" shall include the tax payable in respect of details of outward supplies furnished under section 37, but not included in the return furnished under section 39.

The scope of the term "**self-assessed tax**" is wide enough and hence the recovery proceedings can straight away be initiated by the proper officer for the outward supplies shown in the Form GSTR-1, if not reflecting in Form GSTR-3B. In other words, where the tax payable in respect of details of outward supplies furnished in Form GSTR-1, has not been paid through Form GSTR-3B, either wholly/partly, or any amount of interest payable on such tax remains unpaid, then in such cases, the tax short paid on such self-assessed and thus self-admitted liability, and the interest thereon, are liable to be recovered under section 79.

However, the difference/mismatch between details of Form GSTR-1 and Form GSTR-3B may arise due genuine reasons:

For instance,

- ❑ a typographical error/wrongly reported details in Form GSTR-1 or Form GSTR-3B which may be rectified in subsequent Form GSTR-1 or Form GSTR-3B, or
- ❑ where a supply could not be declared in GSTR-1 of an earlier tax period, though the tax on the same was paid by correctly reporting the same in Form GSTR-3B of said tax period; details may now be reported in the Form GSTR-1 of the current tax period.

Therefore, *Instruction No. 01/2022 GST dated 07/01/2022* provides that in case of mismatch between Form GSTR-1 and Form GSTR-3B, the proper officer may first send a communication to the registered person to pay the self-assessed tax short paid/not paid, or to explain the reasons for the same, within a reasonable time prescribed in the communication.

Recovery proceedings under section 79 will be initiated by the proper officer only when the said person either (i) fails to reply to the proper officer, or (ii) fails to make the payment of such amount short paid/not paid within the prescribed time or (iii) fails to explain the reasons for such amount short paid/not paid.

L. In case of penalty being imposed under section 73/74 or 74A, no other penalty to be imposed for the same act/omission [Section 75(13)]

Where any penalty is imposed under section 73 or section 74 **or 74A**, no penalty for the same act or omission shall be imposed on the same person under any other provision of this Act.

5. TAX COLLECTED BUT NOT DEPOSITED [SECTION 76]

The provisions of this section are based on the principle that nobody should be unjustly enriched in the name of Revenue. If any amount is collected in the name of tax, the same must be deposited with the Government.

Such situation may arise in case where tax is collected on supplies on which the tax is leviable, but such tax is not deposited with the Government or where tax is collected on supplies on which tax is not leviable at all, and thus, tax collected is not deposited with the Government.

The detailed provisions of this section have been discussed hereunder:

A. Amount representing tax collected from any person to be paid to the Central Government [Section 76(1)]

Notwithstanding anything to the contrary contained in any order or direction of any Appellate Authority or Appellate Tribunal or Court or in any other provisions of this Act or the rules made thereunder or any other law for the time being in force, every person who has collected from any other person any amount as representing the tax under this Act, and has not paid the said amount to the Government, shall forthwith pay the said amount to the Government, irrespective of whether the supplies in respect of which such amount was collected are taxable or not.

B. Issue of SCN [Section 76(2)]

Where any amount is required to be paid to the Government under subsection (1), and which has not been so paid, the proper officer may serve on the person liable to pay such amount a notice requiring him to show cause as to why the said amount as specified in the notice, should not be paid by him to the Government and why a penalty equivalent to the amount specified in the notice should not be imposed on him under the provisions of this Act.

C. Determination of amount due [Section 76(3)]

The proper officer shall, after considering the representation, if any, made by the person on whom SCN is served, determine the amount due from such person and thereupon such person shall pay the amount so determined.

D. Interest payable on the amount [Section 76(4)]

- The person who has collected any amount as representing the tax, but not deposited the same with the Government shall in addition to paying the said amount determined by the proper officer shall also be liable to pay interest thereon.
- Interest is payable at the rate specified under section 50.
- Interest is payable from the date such amount was collected by him to the date such amount is paid by him to the Government.

E. Opportunity of being heard [Section 76(5)]

An opportunity of hearing shall be granted where a request is received in writing from the person to whom SCN was issued.

F. Time limit for issuance of order [Section 76(6) & (7)]

The proper officer shall issue an order within **1 year** from the date of issue of the notice.

Where the issuance of order is stayed by an order of the Court or Appellate Tribunal, the period of such stay shall be excluded in computing the period of **1 year**.

G. Order must be a speaking order [Section 76(8)]

The proper officer, in his order, shall set out the relevant facts and the basis of his decision.

H. Adjustment of amount payable under section 76(1) and (3) [Section 76(9), (10) & (11)]

The amount paid to the Government under sub-section (1) or sub-section (3) shall be adjusted against the tax payable, if any, by the person in relation to the supplies referred to in sub-section (1).

Where any surplus is left after the adjustment under sub-section (9), the amount of such surplus shall either be credited to the Consumer Welfare Fund or refunded to the person who has borne the incidence of such amount.

The person who has borne the incidence of the amount, may apply for the refund of the same in accordance with the provisions of section 54.

**6. TAX WRONGFULLY COLLECTED AND PAID TO CENTRAL GOVERNMENT OR STATE GOVERNMENT [SECTION 77]**

A registered person who has paid the CGST and SGST or, as the case may be, the CGST and the UTGST on a transaction considered by him to be an intra-State supply, but which is subsequently held to be an inter-State supply, shall be refunded the amount of taxes so paid in such manner and subject to such conditions as may be prescribed.

A registered person who has paid IGST on a transaction considered by him to be an inter-State supply, but which is subsequently held to be an intra-State supply, shall not be required to pay any interest on the amount of CGST and SGST or, as the case may be, the CGST and the UTGST tax payable.

Similar provisions are contained in section 19 of the IGST Act, 2017.

Section 19 provides that a registered person who has paid IGST on a supply considered by him to be an inter-State supply, but which is subsequently held to be an intra-State supply, shall be granted refund of the amount of IGST so paid in such manner and subject to such conditions as may be prescribed. A registered person who has paid CGST and SGST or, as the case may be, the CGST and the UTGST, on a transaction considered by him to be an intra-State supply, but which is subsequently held to be an inter-State supply, shall not be required to pay any interest on the amount of IGST payable.

Clarification in respect of refund of tax specified in section 77 of the CGST Act and section 19 of the IGST Act

It is clarified that the term “subsequently held” in said sections covers both the cases where the inter-State or intra-State supply made by a taxpayer, is either subsequently found by taxpayer himself as intra-State or inter-State respectively or where the inter-State or intra-State supply made by a taxpayer is subsequently found/ held as intra-State or inter-State respectively by the tax officer in any proceeding, for instance, scrutiny/ assessment/ audit/ investigation, or as a result of any adjudication, appellate or any other proceeding. Accordingly, refund claim under the said sections can be claimed by the taxpayer in both the above-mentioned situations, provided the taxpayer pays the required amount of tax in the correct head.

(1) Ram Associates, a registered person, pays IGST on a transaction treating the same as inter-State supply by mistake, though it was an intra-state supply. In this case, Ram Associates has to pay CGST and SGST/UTGST, without any interest. He can thereafter claim refund of IGST which was erroneously paid.

7. RECOVERY PROCEEDINGS [SECTIONS 78 & 79]

The recovery proceedings are final steps towards the realisation of any tax or any other amount, which has been confirmed as payable after following the due process of adjudication by the proper officer. These recovery provisions under the CGST Act, 2017 lay down a well-defined procedure which is as follows:

A. Initiation of recovery proceedings [Section 78]

Any amount payable by a taxable person in pursuance of an order passed under this Act must be paid by such person within a period of **3 months** from the date of service of such order. If a taxable person fails to do so, recovery proceedings are initiated against him.

However, where the proper officer considers it expedient in the interest of revenue, he may, for reasons to be recorded in writing, require the said taxable person to make such payment within such period **less than a period of 3 months** as may be specified by him.

B. Recovery of tax [Section 79]

If the payable amount is not paid by a person within the specified time limit of 3 months, recovery proceedings shall be initiated and various actions may be taken by the recovery officer, for realisation of Government dues. Recovery of taxes can also be made from distinct persons [referred to in section 25(4) & (5)¹²] present in different States/ UTs.

The options for recovery of Government dues include deduction of money from any amount payable to such tax payer, detaining and selling any goods, directing any other person from whom the money is due to such person, attaching any property belonging to the defaulter etc.

¹² Concept of distinct persons has been explained in detail in Chapter 1 – Supply under GST in Module 1 of the Study Material.

MODES OF RECOVERY OF TAX [SECTION 79(1)]

Where any amount payable by a person to the Government under any of the provisions of this Act or the rules made thereunder is not paid, the proper officer shall proceed to recover the amount by **one or more of the following modes**, namely:

Clarification on the legal position of voluntary payment of taxes during the course of inspection, search or investigation

During the course of search, inspection or investigation, sometimes the taxpayers opt for deposit of their partial/full GST liability arising out of the issue pointed out by the Department during the course of such search, inspection or investigation. Instances have been noticed where some of the taxpayers after voluntarily depositing GST liability have alleged use of force and coercion by the officers for making recovery during the course of search, inspection or investigation.

Consequently, the legal position of voluntary payment of taxes has been clarified for ensuring correct application of law and for protecting the interest of the taxpayers.

Under the CGST Act, the taxpayers have an option to make voluntary payment of tax. Such voluntary payment of tax before issuance of show cause notice is permitted under section 73(5) and section 74(5)¹³. This helps the taxpayers in discharging their admitted liability, self-ascertained or as ascertained by the tax officer, without having to bear the burden of interest under section 50 for delayed payment of tax and may also save him from higher penalty imposable on him subsequent to issuance of show cause notice under section 73 or section 74, as the case may be.

Recovery of taxes not paid or short paid, can be made under the provisions of section 79 only after following due legal process of issuance of notice and subsequent confirmation of demand by issuance of adjudication order. Therefore, there may not arise any situation where **“recovery”** of the tax dues has to be made by the tax officer from the taxpayer during the course of search, inspection or investigation, on account of any issue detected during such proceedings.

However, the law does not bar the taxpayer from voluntarily making payment of any tax liability ascertained by him or the tax officer in respect of such issues, either before or during the course of such proceedings or subsequently. The tax officer

¹³ Sections 73 and 74 contain the provisions for determination of tax, pertaining to the period upto Financial year 2023-24, not paid or short paid or erroneously refunded or input tax credit wrongly availed or utilised for any reason other than fraud or any wilful misstatement or suppression of facts .

should however, inform the taxpayers regarding the provisions of voluntary tax payments.

8. PAYMENT OF TAX AND OTHER AMOUNT IN INSTALMENTS [SECTION 80]

Considering various business aspects, the provisions for payment of all such amounts, other than self-assessed tax, in instalments have also been made in the Act.

A person can avail this benefit of payment in instalments, by making an application to the Commissioner by specifying reasons for such request.

On receipt of application, the Commissioner may allow the payment of amount in instalments, subject to maximum 24 monthly instalments and on payment of applicable interest.

If there is default in payment of any one instalment then the whole outstanding balance shall become due and payable immediately.

- However, where there is default in payment of any one instalment on its due date, the whole outstanding balance payable on such date shall become due and payable forthwith and shall, without any further notice being served on

the person, be liable for recovery.

- ❑ **Facility of payment in instalments not allowed in certain cases:** The facility of payment in instalments shall not be allowed where -

 - ❑ The other partners shall be at liberty at any time to redeem the interest charged or, in the case of a sale being directed, to purchase the same.

12. CONTINUATION AND VALIDATION OF CERTAIN RECOVERY PROCEEDINGS [SECTION 84]

Where any notice of demand in respect of any tax, penalty, interest or any other amount payable under this Act, (hereafter in this section referred to as Government dues), is served upon any taxable person or any other person and any appeal or revision application is filed or any other proceedings is initiated in respect of such Government dues, then:

- (a) where such Government dues are enhanced in such appeal, revision or other proceedings, the Commissioner shall serve upon the taxable person or any other person another notice of demand in respect of the amount by which such Government dues are enhanced and any recovery proceedings in relation to such Government dues as are covered by the notice of demand served upon him before the disposal of such appeal, revision or other proceedings may, without the service of any fresh notice of demand, be continued from the stage at which such proceedings stood immediately before such disposal;
- (b) where such Government dues are reduced in such appeal, revision or in other proceedings —
 - (i) it shall not be necessary for the Commissioner to serve upon the taxable person a fresh notice of demand;
 - (ii) the Commissioner shall give intimation of such reduction to him and to the appropriate authority with whom recovery proceedings is pending;
 - (iii) any recovery proceedings initiated on the basis of the demand served upon him prior to the disposal of such appeal, revision or other proceedings may be continued in relation to the amount so reduced from the stage at which such proceedings stood immediately before such disposal.

Proceedings conducted under IBC covered under the term 'other proceedings' in section 84

The word 'other proceedings' is not defined in CGST Act. It is to be mentioned that the adjudicating authorities and appellate authorities under IBC are quasi-judicial authorities constituted to deal with civil disputes pertaining to

insolvency and bankruptcy. For instance, under IBC, NCLT serves as an adjudicating authority for insolvency proceedings which are initiated on application from any stakeholder of the entity like the firm, creditors, debtors, employees etc. and passes an order approving the resolution plan. As the proceedings conducted under IBC also adjudicate the government dues pending under the CGST Act or under existing laws against the corporate debtor, the same appear to be covered under the term 'other proceedings' in section 84.

Ascertain the last date by which the proper officer should issue order under section 74A assuming that show cause notice is issued by proper officer on said date.*
- (4) *In continuation of sub-part (3) above, if proper officer issues a show cause notice under section 74A on 10th October, 2025 for the amount of tax so allowed and Arnav Enterprises decides to pay said tax along with applicable interest, on 5th December, 2025, you are required to determine penalty, if any, payable by Arnav Enterprises.*

In each of the above cases, will your answer be different if the short payment of tax is on account of fraud, other facts remain the same?

Note – Assume that the due date for furnishing annual return has not been extended and limitation period for issuance of order under section 74A has not been extended by the Commissioner. Ignore computation of interest in the above question.

ANSWERS

1. It is mandatory to pay amount, collected from other person representing tax under GST law, to the Government. Every person who has collected from any other person any amount as representing the tax under GST law, and has not paid the said amount to the Government, shall forthwith pay the said amount to the Government, irrespective of whether the supplies in respect of which such amount was collected are taxable or not.

For any such amount not so paid, proper officer may issue SCN for recovery of such amount and penalty equivalent to amount specified in notice.

The proper officer shall, after considering the representation, if any, made by the person on whom SCN is served, determine the amount due from such person and thereupon such person shall pay the amount so determined alongwith interest at the rate specified under section 50 from the date such

amount was collected by him to the date such amount is paid by him to the Government.

2. The proper officer can issue a show cause notice within 42 months from the due date of furnishing the annual return for relevant financial year to which short payment relates to [Section 74A(2)]. It is important to note that section 74A stipulates the same limitation period for issuance of show cause notice whether the short payment is on account of fraud or on account of a bonafide error.
3. The proper officer shall issue said order within 12 months from date of issuance of the SCN. However, if the officer is unable to issue order within this time, the Commissioner or any officer authorised by the Commissioner who is senior in rank to the proper officer, but not below the rank of Joint Commissioner of Central Tax, may extend this period.

Such extension can be given for a maximum of 6 months, provided reasons for the delay in issuance of order are recorded in writing, before the expiry of the original 12 months' period.

4. Yes. In case of fraud cases, the person chargeable with tax may pay the alongwith interest payable under section 50 (interest on delayed payment of tax) and a penalty equivalent to 15% of such tax, before the issue of SCN/ statement, on the basis of his own ascertainment of tax, or the tax as ascertained by the proper officer, and inform the proper officer in writing of such payment in prescribed form - Form DRC-03. An acknowledgement shall be made available to the person through the common portal electronically.

The proper officer, on receipt of such information, shall not serve any SCN in respect of the tax so paid or any penalty payable under the provisions of GST law.

5. The proper officer may recover the dues in following manner:
 - (a) Deduction of dues from the amount owned by the tax authorities payable to such person.
 - (b) Recovery by way of detaining and selling any goods belonging to such person;

- (c) Recovery from other person, from whom money is due or may become due to such person or who holds or may subsequently hold money for or on account of such person, to pay to the credit of the Central or a State Government;
 - (d) Distrain any movable or immovable property belonging to such person, until the amount payable is paid. If the dues not paid within 30 days, the said property is to be sold and with the proceeds of such sale the amount payable and cost of sale shall be recovered.
 - (e) Through the Collector of the district in which such person owns any property or resides or carries on his business, as if it was an arrear of land revenue.
 - (f) By way of an application to the appropriate Magistrate who in turn shall proceed to recover the amount as if it were a fine imposed by him.
 - (g) By enforcing the bond/instrument executed under this Act or any rules or regulations made thereunder.
 - (h) CGST arrears can be recovered as an arrear of SGST and vice versa [Section 79].
- 6.** As per section 74A, a show cause notice can be issued by the proper officer if it appears to him that:
- tax has not been paid; or
 - tax has been short paid; or
 - tax has been erroneously refunded; or
 - input tax credit has been wrongly availed or utilized,

whether by reason of fraud or any wilful misstatement or suppression of facts to evade tax or for reason other than fraud or any wilful misstatement or suppression of facts to evade tax.

In either of the cases as enumerated above, the SCN should be issued within 42 months or 3.5 years from due date for furnishing of annual return for the financial year to which the tax not paid or short paid, etc. relates to, or the date of erroneous refund.

The proper officer shall issue said order within 12 months from date of issuance of the SCN. However, if the officer is unable to issue order within this time, the Commissioner or any officer authorised by the Commissioner who is senior in rank to the proper officer, but not below the rank of Joint Commissioner of Central Tax, may extend this period.

Such extension can be given for a maximum of 6 months, provided reasons for the delay in issuance of order are recorded in writing, before the expiry of the original 12 months' period.

7. The provisions of section 76 make it mandatory on Subharti Enterprises to pay amount collected from other person representing tax under this Act, to the Government.

Section 76 stipulates that notwithstanding anything to the contrary contained in any order or direction of any Appellate Authority or Appellate Tribunal or Court or in any other provisions of the CGST Act or the rules made thereunder or any other law for the time being in force, every person who has collected from any other person any amount as representing the tax under this Act, and has not paid the said amount to the Government, shall forthwith pay the said amount to the Government, irrespective of whether the supplies in respect of which such amount was collected are taxable or not.

Where any amount is required to be paid to the Government as mentioned above, and which has not been so paid, the proper officer may serve on the person liable to pay such amount a notice requiring him to show cause as to why the said amount as specified in the notice, should not be paid by him to the Government and why a penalty equivalent to the amount specified in the notice should not be imposed on him under the provisions of this Act.

The proper officer shall, after considering the representation, if any, made by the person on whom show cause notice (SCN) is served, determine the amount due from such person and thereupon such person shall pay the amount so determined.

The person who has collected any amount as representing the tax, but not deposited the same with the Government shall in addition to paying the said amount determined by the proper officer shall also be liable to pay interest thereon. Interest is payable at the rate specified under section 50. Interest is

payable from the date such amount was collected by him to the date such amount is paid by him to the Government.

The proper officer shall issue an order within 1 year [excluding the period of stay order] from the date of issue of the notice. The proper officer, in his order, shall set out the relevant facts and the basis of his decision.

8. Due date for payment of tax for the month of April is 20th May.

As per section 74A, where self-assessed tax is not paid within 30 days from due date of payment of such tax, penalty equivalent to 10% of tax or ₹ 10,000, whichever is higher, is payable. Thus, option to pay tax within 60 days of issuance of SCN to avoid penalty, is not available in case of self-assessed tax.

Since in the given case, Anant & Co. has not paid the self-assessed tax within 30 days of due date [i.e. 20th May], penalty equivalent to:

- (i) 10% of tax, viz., ₹ 9,000 (10% of ₹ 90,000) or
- (ii) ₹ 10,000,

whichever is higher, is payable by him under CGST Act. Equivalent amount of penalty is payable under SGST/UTGST Act.

Hence, the stand taken by the Department that penalty will be levied on Anant & Co. is correct, but the amount of penalty of ₹ 45,000 under the CGST Act is not correct.

9. (1) The proper officer can issue a show cause notice within 42 months from the due date of furnishing the annual return for relevant financial year to which short payment relates to [Section 74A(2)]. For the financial year 2024–25, the due date for furnishing the annual return is 31st December, 2025. Therefore, the last date by which show cause notice can be issued by the proper officer for the amount of tax short paid by Arnab Enterprises is 30th June 2029.

Further, section 74A stipulates the same limitation period for issuance of show cause notice whether the short payment is on account of fraud or on account of a bonafide error. Thus, answer will remain same if the short payment of tax is on account of fraud.

(2) The person chargeable with tax where any tax has been short paid, may, before service of show cause notice, pay the amount of tax along with

interest payable under section 50 of such tax on the basis of his own ascertainment of such tax and inform the proper officer in writing of such payment, and the proper officer, on receipt of such information shall not serve any show cause notice in respect of the tax so paid or any penalty payable under the provisions of the CGST Act or the rules made thereunder [Section 74A(8)(i)].

Thus, no penalty is payable by Arnav Enterprises in respect of payment of tax of ₹ 1,00,000 before issuance of show cause notice. No show cause notice will be issued by the proper officer in respect of the tax of ₹ 1,00,000 so paid.

However, in case where the short payment of tax is on account of fraud, the person chargeable with tax, may before service of show cause notice, pay the amount of tax along with interest payable under section 50 and a penalty equivalent to 15% of such tax on the basis of his own ascertainment of such tax or the tax as ascertained by the proper officer and inform the proper officer in writing of such payment, and the proper officer, on receipt of such information, shall not serve any show cause notice, in respect of the tax so paid or any penalty payable under the provisions of the CGST Act or the rules made thereunder [Section 74A(9)(i)].

Thus, a penalty of ₹ 15,000 [$₹ 1,00,000 \times 15\%$] is payable by Arnav Enterprises alongwith payment of tax of ₹ 1,00,000 with applicable interest, before issuance of show cause notice. No show cause notice will be served by the proper officer after payment of tax alongwith interest and penalty, in respect of the tax so paid.

- (3)** Since Arnav Enterprises has paid the tax of ₹ 1,00,000 alongwith interest before issuance of show cause notice, no show cause notice will be issued by the proper officer in respect of the tax so paid [Section 74A(8)(i)].

However, where the proper officer is of the opinion that the amount paid under section 74A(8)(i) falls short of the amount actually payable, he shall proceed to issue the show cause notice in respect of such amount which falls short of the amount actually payable [Section 74A(10)].

Thus, in the given case, the proper officer will issue the notice for the remaining tax of ₹ 3,60,000 [₹ 4,60,000 - ₹ 1,00,000].

In case where the short-payment is on account of fraud, answer will be as follows:

Since Arnav Enterprises has paid the tax of ₹ 1,00,000 alongwith applicable interest and penalty before issuance of show cause notice, no show cause notice will be issued by the proper officer in respect of the tax so paid [Section 74A(9)(i)].

However, where the proper officer is of the opinion that the amount paid under section 74A(9)(i) falls short of the amount actually payable, he shall proceed to issue the show cause notice in respect of such amount which falls short of the amount actually payable [Section 74A(10)].

Thus, in the given case, the proper officer will issue the notice for the remaining tax of ₹ 3,60,000 [₹ 4,60,000 - ₹ 1,00,000].

Further, the proper officer is required to issue the order within 12 months from the date of issuance of show cause notice, in both fraud and non-fraud cases [Section 74A(7)]. Thus, in the given case, the proper officer has to issue the order on or before 10th October, 2026, whether the short payment is on account of fraud or on account of a bonafide error.

- (4)** Where the person chargeable with tax, where any tax has been short paid, pays the said tax along with interest payable under section 50 within 60 days of issue of show cause notice, and on doing so, no penalty shall be payable and all proceedings in respect of the said notice shall be deemed to be concluded [Section 74A(8)(ii)].

Thus, in the given case, since Arnav Enterprises has paid the tax of ₹ 3,60,000 alongwith applicable interest within 60 days of issuance of show cause notice, i.e. on or before 9th December, 2025, no penalty shall be payable and all proceedings in respect of the said notice shall be deemed to be concluded.

In case where the short-payment is on account of fraud, answer will be as follows:

Where the person chargeable with tax, where any tax has been short paid, pays the said tax along with interest payable under section 50 and a penalty equivalent to 25% of such tax within 60 days of issue of the notice, and on doing so, all proceedings in respect of the said notice shall be deemed to be concluded [Section 74A(9)(ii)].

Thus, in the given case, Arnav Enterprises has to pay penalty of ₹ 90,000 [₹ 3,60,000 × 25%]. If Arnav Enterprises has paid the tax of ₹ 3,60,000 alongwith applicable interest and penalty of ₹ 90,000 [₹ 3,60,000 × 25%] on 5th December, 2025, which is within 60 days of issuance of show cause notice, i.e. on or before 9th December, 2025, all proceedings in respect of the said notice shall be deemed to be concluded.

AMENDMENTS MADE VIDE THE FINANCE (NO. 2) ACT, 2019

The Finance (No. 2) Act, 2019 came into force from 01.08.2019. ANNEXURE

As discussed earlier, sections 73 and 74 prescribe the provisions for determining tax, pertaining to the period upto Financial year 2023-24, not paid or short paid or erroneously refunded or input tax credit wrongly availed or utilised for any reason other than fraud or any wilful misstatement or suppression of facts or by fraud or reason of wilful misstatement or suppression of facts. Several circulars have been issued in pursuance of these provisions. While these circulars seem *prima facie* relevant under the new section 74A as well, the CBIC has not yet clarified the same. Once CBIC issues guidance on the applicability of those circulars under section 74A, the applicability of these circulars for the relevant examination will be clarified by the ICAI by way of Statutory Update. These circulars are as follows:

1. Clarification on levy of penalty under section 73(11) in case of delayed filing of return

Issue: Whether penalty in accordance with section 73(11) should be levied in cases where the return in Form GSTR-3B has been filed after the due date of filing such return?

Clarification: The provisions of section 73(11) can be invoked only when the provisions of section 73 are invoked and the provisions of section 73 are generally not invoked in case of delayed filing of the return in Form GSTR-3B because tax along with applicable interest has already been paid.

It is accordingly clarified that penalty under the provisions of section 73(11) is not payable in such cases. It is further clarified that since the tax has been paid late in contravention of the provisions of the CGST Act a general penalty under section 125 may be imposed after following the due process of law [*Circular No. 76/50/2018 GST dated 31.12.2018*].

2. Monetary limits prescribed for issuance of SCNs by different level of officers

Board has assigned the officers mentioned in table below, the functions as the proper officers in relation to issue of SCNs and orders under sections 73 and 74¹⁴, up to the prescribed monetary limits of tax (including cess) not paid/ short paid/ erroneously refunded/ ITC of CGST wrongly availed/utilized for issuance of SCNs and passing of orders under sections 73 and 74:

¹⁴ made applicable to matters in relation to IGST vide section 20 of the IGST Act

CGST Officer	Monetary limit of CGST	Monetary limit of IGST	Monetary limit of CGST and IGST
Superintendent of Central Tax	Not exceeding ₹ 10 lakh	Not exceeding ₹ 20 lakh	Not exceeding ₹ 20 lakh
Deputy or Assistant Commissioner of Central Tax	Above ₹ 10 lakh and not exceeding ₹ 1 crore	Above ₹ 20 lakh and not exceeding ₹ 2 crores	Above ₹ 20 lakh and not exceeding ₹ 2 crores
Additional or Joint Commissioner of Central Tax	Above ₹ 1 crore without any limit	Above ₹ 2 crores without any limit	Above ₹ 2 crores without any limit

The central tax officers of Audit Commissionerates and Directorate General of Goods and Services Tax Intelligence (hereinafter referred to as "DGGSTI") shall exercise the powers only to issue SCNs. An SCN issued by them shall be adjudicated by the competent central tax officer of the Executive Commissionerate in whose jurisdiction the noticee is registered.

In case SCNs have been issued on similar issues to a noticee(s) and made answerable to different levels of adjudicating authorities within a Commissionerate, such SCNs should be adjudicated by the adjudicating authority competent to decide the case involving the highest amount of central tax and/or integrated tax (including cess) [Circular No. 31/05/2018 GST dated 09.02.2018]

3. Clarification on various issues relating to applicability of demand and penalty provisions under CGST Act in respect of transactions involving fake invoices

A number of cases have been noticed where the registered persons are found to be involved in issuing tax invoice (fake invoices), without actual supply of goods or services or both, in order to enable the recipients of such invoices to avail and utilize ITC fraudulently.

Circular No. 171/03/2022 GST dated 06.07.2022 clarifies the applicability of demand and penalty provisions under the CGST Act, in respect of such transactions involving fake invoices as follows:

Sl. No.	Issues	Clarification
1.	<p>In case where a registered person "A" has issued tax invoice to another registered person "B" without any underlying supply of goods or services or both,</p> <p>(i) whether such transaction will be covered as supply under section 7?</p> <p>(ii) whether any demand and recovery can be made from 'A' in respect of the said transaction under the provisions of section 73 or section 74?</p> <p>(iii) whether any penal action can be taken against registered person 'A' in such cases?</p>	<p>Since there has only been an issuance of tax invoice by the registered person 'A' to registered person 'B' without the underlying supply of goods or services or both, therefore, such an activity does not satisfy the criteria of "supply", as defined under section 7.</p> <p>As there is no supply by 'A' to 'B' in respect of such tax invoice in terms of the provisions of section 7, no tax liability arises against 'A' for the said transaction, and accordingly, no demand and recovery is required to be made against 'A' under the provisions of section 73/section 74 in respect of the same.</p> <p>Besides, no penal action under the provisions of section 73/section 74 is required to be taken against 'A' in respect of the said transaction.</p> <p>The registered person 'A' shall, however, be liable for penal action under section 122(1)(ii) for issuing tax invoices without actual supply of goods or services or both.</p>

2.	<p>A registered person "A" has issued tax invoice to another registered person "B" without any underlying supply of goods or services or both. 'B' avails ITC on the basis of the said tax invoice.</p> <p>B further issues invoice along with underlying supply of goods or services or both to his buyers and utilizes ITC availed on the basis of the above mentioned invoices issued by 'A', for payment of his tax liability in respect of his said outward supplies.</p> <p>Whether 'B' will be liable for the demand and recovery of the said ITC, along with penal action, under the provisions of section 73/section 74 or any other provisions of the CGST Act?</p>	<p>Since the registered person 'B' has availed and utilized fraudulent ITC on the basis of the said tax invoice, without receiving the goods or services or both, in contravention of the provisions of section 16(2)(b), he shall be liable for the demand and recovery of the said ITC, along with penal action, under the provisions of section 74, along with applicable interest under provisions of section 50.</p> <p>Further, as per provisions of section 75(13), if penal action for fraudulent availment or utilization of ITC is taken against 'B' under section 74, no penalty for the same act, i.e. for the said fraudulent availment or utilization of ITC, can be imposed on 'B' under any other provisions of the CGST Act, including under section 122.</p>
3.	<p>A registered person 'A' has issued tax invoice to another registered person 'B' without any underlying supply of goods or services or both. 'B' avails ITC on the basis of the said tax invoice and further passes on the said ITC to another registered person 'C' by issuing invoices without</p>	<p>In this case, the ITC availed by 'B' in his electronic credit ledger on the basis of tax invoice issued by 'A', without actual receipt of goods or services or both, has been utilized by 'B' for passing on of ITC by issuing tax invoice to 'C' without any underlying supply of goods or services or both.</p> <p>As there was no supply of goods or services or both by 'B' to 'C' in</p>

underlying supply of goods or services or both.

Whether 'B' will be liable for the demand and recovery and penal action, under the provisions of section 73 or section 74 or any other provisions of the CGST Act.

respect of the said transaction, no tax was required to be paid by 'B' in respect of the same. The ITC availed by 'B' in his electronic credit ledger on the basis of tax invoice issued by 'A', without actual receipt of goods or services or both, is ineligible in terms of section 16(2)(b). In this case, there was no supply of goods or services or both by 'B' to 'C' in respect of the said transaction and also no tax was required to be paid in respect of the said transaction.

Therefore, in these specific cases, no demand and recovery of either input tax credit wrongly/ fraudulently availed by 'B' in such case or tax liability in respect of the said outward transaction by 'B' to 'C' is required to be made from 'B' under the provisions of section 73/section 74.

However, in such cases, 'B' shall be liable for penal action both under section 122(1)(ii) and section 122(1)(vii), for issuing invoices without any actual supply of goods and/or services as also for taking/ utilizing input tax credit without actual receipt of goods and/or services.

The fundamental principles that have been outlined in the above scenarios may be adopted to decide the nature of demand and penal action to be taken

against a person for such unscrupulous activity. Actual action to be taken against a person will depend upon the specific facts and circumstances of the case which may involve a complex mixture of above scenarios or even may not be covered by any of the above scenarios.

Any person who has retained the benefit of transactions specified under section 122(1A), and at whose instance such transactions are conducted, shall also be liable for penal action under section 122(1A).

It may also be noted that in such cases of wrongful/ fraudulent availment or utilization of ITC, or in cases of issuance of invoices without supply of goods or services or both, leading to wrongful availment or utilization of ITC or refund of tax, provisions of section 132 may also be invocable, subject to conditions specified therein, based on facts and circumstances of each case.
