BUSINESS TRUST

QUESTION 1:

A business trust, registered with SEBI (Real Estate Investment Trusts) Regulations 2014, has provided following particulars of its income for the PY 2025-26:

- 1) Interest from Excel Ltd. ₹ 1 crore.
- 2) Dividend from Excel Ltd. ₹ 2 crores.
- 3) STCG on sale of listed equity shares of Excel Ltd. ₹ 3 crores.
- 4) LTCG on sale of commercial properties ₹ 6 crores.
- 5) Interest from debentures of Zed Ltd. ₹ 1 crore.
- 6) Rental income from investment in real estate assets ₹ 5 crores.
- 7) Dividend from Star Ltd. ₹ 2 crores.

Excel Ltd. is an Indian company [engaged in real estate business] in which business trust holds 70% shares. Excel Ltd. has not opted for new tax regime u/s 115BAA.

Discuss the tax consequences of above income in the hands of business trust and its unit holders assuming that the business trust has distributed ₹ 12 crores to the unit holders during PY 2025-26.

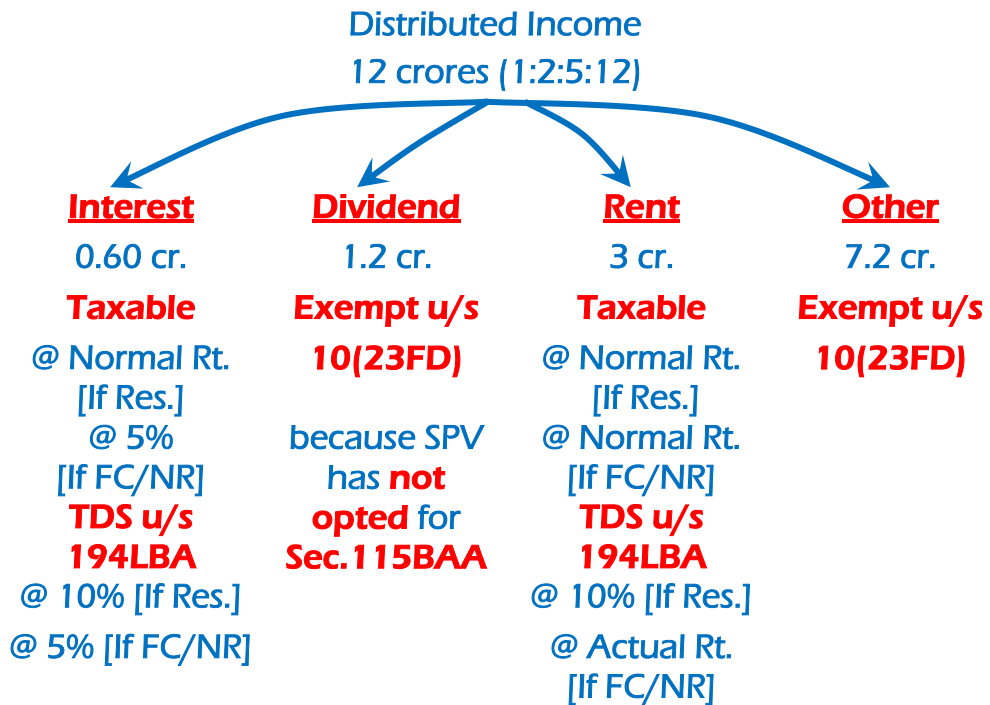

ANSWER:

TAX TREATMENT FOR BUSINESS TRUST

Particulars		Amt.
Interest Income:		
From Excel Ltd. [SPV]	Exempt u/s 10(23FC)	1 cr.
Dividend Income:		
From Excel Ltd. [SPV]	Exempt u/s 10(23FC)	2 cr.
Rent Income:		
From Real Estate Assets	Exempt u/s 10(23FCA)	5 cr.
Other Incomes:		
STCG [Eq. Shares]	20% Tax u/s 111A	3 cr.
LTCG [Comm. Prop..]	12.5% Tax	6 cr.
Div. from Star Ltd. [Non SPV]	42.74% MMRT	2 cr.
Int. from Zed Ltd. [Non SPV]	42.74% MMRT	1 cr.
TOTAL INCOME		20 cr.

TAX TREATMENT FOR UNIT-HOLDERS

Out of the total income of Rs. 20 crores, the business trust has distributed Rs. 12 crores. This distributed income of Rs. 12 crores is assumed to be earned by the unit-holders in the **same nature** and in the **same proportion** in which business trust has earned it. Since the business trust has earned the **interest** from SPV, **dividend** from SPV, **rent** and **other** income in the ratio of **1 : 2 : 5 : 12** [see above working], the unit-holders are assumed to have earned the distributed income of Rs. 12 crores in the same ratio. Tax treatment of such distributed income is as follows:

QUESTION 2:

Mr. Rajesh is a resident unitholder of Shipra Ltd. Shipra Ltd. is a Real Estate Investment Trust. (REIT), which holds 100% shareholding in GPL Ltd., an Indian company.

Mr. Rajesh acquired 10% units in Shipra Ltd. in the year 2022-23 at an issue price of ₹20,00,000. The particulars of income of Shipra Ltd. for the P.Y. 2025-26 are given below:

Particulars	Amount
Dividend Income from GPL Ltd.	₹ 2 crores
Interest Income from GPL Ltd.	₹ 3 crores
STCG on sale of developmental properties	₹ 1 crore
Other receipts [in the nature of loan repayment]	₹ 2.8 crores

GPL Ltd. does not exercise option under section 115BAA for A.Y. 2026-27. Shipra Ltd. distributed 90% of the above amounts to the unit-holders during the year.

Compute total income and tax payable by Mr. Rajesh for the A.Y. 2026-27, assuming that he has not shifted out of default tax regime.

What would be Rajesh's total income if, during PY 2023-24, he received 24,80,000 from Shipra Ltd. which was not in the nature of income for Shipra Ltd.

ANSWER:**COMPUTATION OF TOTAL INCOME (U/H – Rajesh)**

	Particulars	₹
(i)	Dividend income from GPL Ltd. (SPV)	—
	Exempt u/s 10(23FD) since GPL Ltd. (SPV) has not exercised the option u/s 115BAA . Accordingly, ₹ 18 lakhs (10% of ₹ 1.80 crore, being 90% of ₹ 2 crore), being the dividend component of income received by Mr. Rajesh from Shipra Ltd. is not taxable in his hands.	
(ii)	Interest income from GPL Ltd. (SPV)	27,00,000
	As per sec. 115UA , interest income distributed to unit holders would be taxable for the unit holders. Accordingly, ₹ 27 lakhs i.e., 10% of ₹ 2.7 crores (90% of ₹ 3 crores), being the interest component of income distributed to Mr. Rajesh, is taxable in his hands.	
(iii)	STCG on sale of developmental properties	—
	Exempt u/s 10(23FD) [STCG on sale of development properties is taxable at maximum marginal rate of 42.74% in the hands of the REIT]. No tax liability arises in the hands of Mr. Rajesh on ₹ 9 lakh (10% of ₹ 90 lakh, being 90% of ₹ 1 crore).	
(iv)	Other Receipts	5,20,000
	Taxable u/s 56(2)(xii) for the unit holder as Income from Other Sources Taxable amount = Amt distributed till date – Issue Price – Amt Taxed earlier = (2.8 cr. x 90% x 10%) – 20,00,000 = 5,20,000	
	Total Income	32,20,000

COMPUTATION OF TAX PAYABLE

Particulars	₹	₹
Upto ₹ 4,00,000	Nil	
₹ 4,00,000 – ₹ 8,00,000 [₹ 4,00,000 @ 5%]	20,000	
₹ 8,00,000 – ₹ 12,00,000 [₹ 4,00,000 @ 10%]	40,000	
₹ 12,00,000 – ₹ 16,00,000 [₹ 4,00,000 @ 15%]	60,000	
₹ 16,00,000 – ₹ 20,00,000 [₹ 4,00,000 @ 20%]	80,000	
₹ 20,00,000 – ₹ 24,00,000 [₹ 4,00,000 @ 25%]	1,00,000	
₹ 24,00,000 – ₹ 32,20,000 [₹ 8,20,000 @ 30%]	2,46,000	5,46,000
Add: Health and education cess @ 4%		+ 21,840
Tax liability		5,67,840
Less: TDS u/s 194LBA @ 10% by Shipra Ltd. in respect of interest income from SPV		- 2,70,000
Tax payable		2,97,840

Situation 2:**COMPUTATION OF TOTAL INCOME (U/H – Rajesh)**

	Particulars	₹
(i)	Dividend income from GPL Ltd. (SPV)	—
(ii)	Interest income from GPL Ltd. (SPV)	27,00,000
(iii)	STCG on sale of developmental properties	—
(iv)	Other Receipts	25,20,000
	Taxable u/s 56(2)(xii) for the unit holder as Income from Other Sources	
	Taxable amount = Amt distributed till date [50 L] – Issue Price [20 L] – Amt Taxed earlier [4.8 L] = ₹25,20,000	
	Total Income	52,20,000

# INVESTMENT FUND

## **QUESTION 1:**

Income of Investment Fund:

|                         | ₹           |
|-------------------------|-------------|
| Short term capital loss | (65,00,000) |
| Business Loss           | (89,00,000) |
| LTCG                    | 45,00,000   |
| Interest Income         | 84,00,000   |

Discuss the tax treatment of above incomes/losses in the hands of Investment Fund and its Unit holders.

## **ANSWER:**

### TAX TREATMENT

|                               | Investment Fund       |                  | Unit Holders     |
|-------------------------------|-----------------------|------------------|------------------|
| LTCG                          | 45,00,000 <b>Ex.*</b> |                  |                  |
| <u>Less:</u> STCL set-off     | (65,00,000)           | —                | (20,00,000)      |
|                               |                       |                  | <b>To be C/f</b> |
| IFOS (Interest Income)        | 84,00,000 <b>Ex.*</b> |                  |                  |
| <u>Less:</u> Bus.. Loss S/off | (89,00,000)           | (5,00,000)       | —                |
|                               |                       | <b>To be C/f</b> |                  |

\* Normally, losses cannot be set off against exempt incomes. However, here STCL and business loss of ₹ 65L and ₹ 89L can be set-off against Exempt LTCG and Exempt Interest income respectively because the true nature of LTCG and interest income is taxable but its taxability is passed on to the unit holders.

**Carry forward** of Net STCL **after setting off** LTCG is **passed to the U/H** [i.e. ₹ 20,00,000].

## 3 ASSESSMENT PROCEDURES

---

### **QUESTION 1:**

Shashank filed his return of income on 26th June, 2026 for the PY 2025-26 declaring an income of ₹ 1,90,000. Later on, he discovered that he forgot to claim an expense of ₹ 4,00,000. Hence, he filed a revised return on 18th November, 2026 declaring loss of ₹ 2,10,000. The Assessing officer opined that the loss claimed in the revised return cannot be carried forward as the revised return was filed after the due date specified in sec. 139(1). Is the contention of Assessing Officer correct? Discuss.

### **ANSWER:**

Shashank filed his original return on 26<sup>th</sup> June, 2026 [Before the due date]. Later on, he filed a revised return on 18<sup>th</sup> November, 2026 declaring loss of ₹ 2,10,000.

As per sec. 80, a loss can be carried forward if the return of such loss is filed on time. In case of a revised return, the **date of original return** will decide whether the return was filed on time or not because a **revised return replaces the original return**. Since Shashank has filed the original return on time, the loss declared in the revised return **can be carried forward**.

Hence, the contention of Assessing officer is **not correct**.

### **QUESTION 2:**

On 14<sup>th</sup> May, 2027, Rajesh received a notice u/s 142(1) requiring him to file the return for the PY 2025-26 up to 25<sup>th</sup> June, 2027. However, Rajesh is of the opinion that a return cannot be filed after 31<sup>st</sup> December of the A.Y.

Is Rajesh correct?

Advise him as to what course of action he should adopt on receipt of notice u/s 142(1) and the consequences of not complying with this notice.

**ANSWER:**

If a return is **voluntarily** filed then it can be filed **latest up to 31<sup>st</sup> December of A.Y.** or before completion of asst. [whichever is earlier]. However, if the return is **demanded by A.O.** then it can be demanded **even after 31<sup>st</sup> December of A.Y.** by sending notice **u/s 142(1)**.

In this question, since the return is demanded by A.O., it can be filed even after **31<sup>st</sup> December** of A.Y. Hence, the opinion of **Rajesh is not correct**. Accordingly, Rajesh is **advised to file the return** up to 25<sup>th</sup> June, 2027 in response to notice u/s 142(1). Failure to comply with notice u/s 142(1) shall attract **penalty of ₹ 10,000 u/s 272A** and it shall lead to **Best Judgment Assessment** by A.O.

**QUESTION 3:**

In respect of return filed by following assessee for the PY 2025-26, you are required to specify the last date by which intimation u/s 143(1) can be sent:

- i) Jaimin filed his return on 13<sup>th</sup> December, 2026.
- (ii) Smita filed her return on 24<sup>th</sup> June, 2027 in response to notice u/s 142(1).

**ANSWER:**

Intimation u/s 143(1) is sent to the assessee **within 9 months** from the end of the year in which **return is filed**.

In case of Jaimin, since the return is filed on 13/12/2026, intimation can be sent to him latest up to **31<sup>st</sup> December, 2027**.

In case of Smita, since the return is filed on 24/06/27, intimation can be sent to him latest up to **31<sup>st</sup> December, 2028 (Note 1)**.

**Note 1:** Normally, assessment of PY 2025-26 should be completed within 12 months from the end of AY i.e. up to 31/03/2028. However, summary assessment is as good as no assessment. Accordingly, intimation of summary assessment can be sent even beyond 12 months from the end of AY.

**QUESTION 4:**

Arjun filed his return for the PY 2025-26 on 26.07.2026. On 16.09.2026, he received intimation u/s 143(1). After receiving the intimation, Arjun wants to revise his return. You are required to advise Arjun as to whether he can revise his return which is already processed u/s 143(1).

**ANSWER:**

As per **sec. 139(5)**, a return can be revised up to **31<sup>st</sup> December of A.Y.** or before **completion of assessment** whichever is **earlier**.

In the given case, return filed by Arjun is processed u/s 143(1) and intimation for the same is received on 16.09.2026. However, it should be noted that the processing of return u/s 143(1) does not amount to assessment. Accordingly, assessment of Arjun is not yet done.

Hence, Arjun **can revise his return** even after receiving intimation u/s 143(1) [**latest up to 31<sup>st</sup> December of AY** i.e. 31.12.2026].

**QUESTION 5:**

Rajan filed his return for the PY 2025-26 on 05-12-2026. His return was processed u/s 143(1) and an intimation for the same was received by him on 12-02-2027.

On 22<sup>nd</sup> June, 2027, he recd. a notice u/s 143(2) requiring him to attend the office of A.O.

Rajan seeks your advice as to whether he should respond to notice u/s 143(2) as his assessment for the PY 2025-26 is already completed u/s 143(1).

**ANSWER:**

Rajan filed his return on 05-12-2026. His return was processed u/s 143(1) and the intimation for the same is received on 12-02-2027. However, it should be noted that the processing of return u/s **143(1) does not amount to assessment**. Summary assessment is as good as no assessment. Accordingly, **scrutiny can be initiated even after receipt of intimation u/s 143(1)**.

Hence, Rajan is **advised to respond** to the notice of scrutiny u/s 143(2).

**QUESTION 6:**

Zoom Ltd. filed its return for the AY 2026-27 on 6<sup>th</sup> July, 2026. The return is selected for regular assessment u/s 143(3) for which notice u/s 143(2) is served on the company on 3<sup>rd</sup> July, 2027. State whether the service of notice is within time.

**ANSWER:**

Notice of scrutiny u/s **143(2)** should be served on the assessee i.e. it should be received by the assessee **within 3 months** from the end of the year in which **return is filed**.

In the given case, Zoom Ltd. filed its return on 6<sup>th</sup> July, 2026. Accordingly, notice u/s 143(2) should be received by the assessee latest up to **30<sup>th</sup> June, 2027**. However, Zoom Ltd. received this notice on **3<sup>rd</sup> July, 2027**. Hence, the service of notice is **not within time** and it's an **invalid notice**.

**QUESTION 7:**

Grind Ltd. is engaged in sale of beverages. For the PY 2025-26, it failed to file the return voluntarily. After the end of AY i.e. on 17<sup>th</sup> May, 2027, the Assessing officer served a notice u/s 143(2) and completed assessment u/s 143(3) by passing an order on 14th July, 2027. Discuss whether the action taken by A.O. is valid or not.

**ANSWER:**

In case of a regular assessment, **return is must**. A regular assessment u/s 143(3) can be done only if the assessee has filed the return.

In the given case, Grind Ltd. has failed to file its return for the PY 2025-26. In such case, the A.O. cannot send a notice u/s 143(2) for making assessment u/s 143(3).

Hence, the **action of A.O. is not valid**.

The right course of action is:

(i) To **require the assessee to file the return** by sending notice u/s 142(1) and once the assessee files the return, the A.O. can initiate the procedure of **regular assessment**

**OR**

(ii) To issue a **show cause notice** to the assessee and make the assessment u/s 144 as per his **best judgment**.

**QUESTION 8:**

Big Bang Pvt. Ltd is a closely held company. It filed its return for the PY 2025-26 on 17th October, 2026. A notice u/s 142(1) was issued by A.O. on 26-11-2026 requiring the assessee to furnish certain information. However, the assessee failed to reply this notice. On 04-05-2027, the A.O. passed an order u/s 144 computing the income of assessee as per his best judgment. The assessee contends that the order passed by A.O. is not tenable in law as the A.O. failed to issue a show cause notice before passing order u/s 144. Discuss whether the contention of assessee is valid or not.

**ANSWER:**

Before making best judgment assessment i.e. before passing order u/s 144, the A.O. should issue a show cause notice requiring the assessee to give reason as to why assessment should not be done as per the judgment of A.O. However, if best judgment is done because of assessee's **failure to comply with notice u/s 142(1) then show cause notice is not required.**

In the given case, Big Bang Pvt. Ltd failed to comply with notice u/s 142(1). In such case, the A.O. can make the best judgment assessment u/s 144 **without issuing a show cause notice.** Hence, the contention of assessee that "the order passed by A.O. is not tenable in law" is **invalid.**

**QUESTION 9:**

In respect of PY 2020-21, AO discovered an escaped income of ₹ 80,000. To assess this income, the AO initiated proceeding u/s 147 and issued a notice u/s 148 on 4<sup>th</sup> January, 2026. Is the proceeding valid?

**ANSWER:**

For assessing the escaped income, notice u/s 148 should be issued **within 3 years and 3 months** from the end of **relevant AY.**

In the given case, the escaped income pertains to AY 2021-22. Accordingly, notice u/s 148 can be issued latest up to 30<sup>th</sup> June, 2025 [within 3 years and 3 months from the end of AY 2021-22]. However, in the given case, the AO has issued this notice on 4<sup>th</sup> January, 2026 [after 3 years and 3 months]. Hence, the proceeding is **invalid.**

**QUESTION 10:**

Case of Samurai Ltd. for the PY 2020-21 was reopened with a reason that the company claimed deduction of ₹ 6,00,000 which was disallowed u/s 40A(3).

On 23-07-2024, Samurai Ltd. received a notice u/s 148 in response to which it filed a return on 05-09-2024. You are required to specify the last date by which order u/s 147 should be passed.

**ANSWER:**

Order u/s 147 should be passed within **12 months** from the end of the year in which **notice u/s 148 is received** by the assessee. In the given case, Samurai Ltd. received notice u/s 148 on 23-07-2024. Hence, the order u/s 147 should be passed **latest up to 31-03-2026**.

**QUESTION 11:**

The AO initiated reopening proceeding on Health Plus Ltd. for PY 2022-23 in order to disallow a particular expense by issuing notice u/s 148 on 15-12-2025. During the course of proceeding, the AO discovered that the company had received rent income in the PY 2022-23 which was not declared by it. Can the AO assess rent income which was subsequently discovered by A.O.?

**ANSWER:**

Once a valid proceeding is initiated u/s 147, the A.O. **can also** assess/reassess **OTHER escaped income** which is subsequently discovered by the A.O. during the course of proceedings under this section (**even if provisions of sec. 148A are not complied with** in respect of such other escaped income). Accordingly, the AO can also assess rent income subsequently discovered by him.

**QUESTION 12:**

The High Court found that an income accrued in PY 2013-14 was wrongly taxed in the hands of Ajay whereas the income was taxable in the hands of Vijay.

On 13-08-2025, the High Court issued an order directing the A.O. to reopen the assessment of Vijay for the PY 2013-14.

On 24-10-2025, the A.O. issued a notice u/s 148 to Vijay. Vijay contends that the issue of notice u/s 148 for PY 2013-14 is time barred. Is the contention of Vijay correct?

**ANSWER:**

As per **sec. 150**, if notice u/s 148 is issued in order to give effect to the **direction of authority under appeal/reference/revision**, then the notice can be issued anytime (**No time limit**).

In the given case, the High Court found that an income accrued in PY 2013-14 was wrongly taxed in the hands of Ajay instead of Vijay. Hence, the High Court directed the AO to reopen the case of Vijay in order to include this income in the assessment of Vijay.

Since the AO is directed by High court to reopen the case of Vijay, notice u/s 148 can be issued any time [i.e. there is no time limit]. Accordingly, the issue of notice u/s 148, in this case, is **not barred by limitation**. Hence, the notice issued by AO on 24-10-2025 for the PY 2013-14 is valid and the **contention of Vijay is not correct**.

**QUESTION 13:**

Assessment of Ranjan for the AY 2022-23 was completed u/s 143(3). On 12-07-2025, the AO discovered that certain income of ₹ 14,00,000 pertaining to the PY 2021-22 was not disclosed by Ranjan (this information was flagged in accordance with the risk management strategy of CBDT). After complying with provisions of sec. 148A, the AO issued notice u/s 148. During the course of proceeding u/s 147, Ranjan claims:

- (i) Set-off of loss of ₹ 1,00,000 pertaining to PY 2021-22 which he could not claim in the relevant AY
- (ii) Expense of ₹ 5,00,000 which was wrongly disallowed by A.O. in the relevant A.Y.
- (iii) Expense of ₹ 3,00,000 related to the aforesaid escaped income.

Discuss whether Ranjan can claim above in the reassessment proceeding u/s 147 for the AY 2022-23.

**ANSWER:**

Proceeding u/s 147 is for the benefit of Government. As per the judgment of Supreme Court in the case of **Sun Engineering Pvt. Ltd.**, the assessee **cannot claim any benefit** in this proceeding. The scope of sec. 147 is restricted to escaped incomes only. In the given case, the AO initiated proceeding u/s 147 in respect of PY 2021-22. During this proceeding:

- (i) Ranjan claims set-off of loss which he could not claim earlier but he **cannot claim** this as he had the remedy to revise the return earlier.
- (ii) Ranjan claims expense of ₹ 5,00,000 which was wrongly disallowed by AO in the previous assessment but he **cannot reargue** the matters which were already decided in previous assessment as he had the remedy to file the appeal earlier.

Ranjan claims expense of ₹ 3,00,000 related to escaped income. Since this expense is related to the escaped income, it **can be claimed as deduction** from the escaped income and the net amt. of escaped income i.e. ₹ 11 lakhs [14 L- 3L] shall be included in the order u/s 147.

**QUESTION 14:**

In an order of assessment for the AY 2023-24, the assessee noticed a mistake for which application u/s 154 was moved and the order was rectified. Subsequently, the assessee moved further application for rectification u/s 154 which was rejected by the A.O. on the ground that the order once rectified cannot be rectified again. Is the contention of the A.O. correct?

**ANSWER:**

In the given case, order of assessment for the AY 2023-24 was rectified by AO. Subsequently, the assessee moved further application for rectification of rectified order.

Section 154 empowers Income Tax Authority to rectify a mistake in the **order or intimation** if such mistake is **apparent** from the record. A rectified order can be **further rectified** if the rectified order contains a mistake **apparent** from the record.

Hence, the contention of AO that the order once rectified cannot be rectified again is **not valid**. Accordingly, the AO is **not correct** in rejecting the application of the assessee.

**QUESTION 15:**

Specify the last date by which following actions should be taken:

- Service of notice u/s 143(2) in respect of A.Y. 2026-27 to an assessee who filed the return on 24-10-2026.
- Application for rectification of mistake in an order passed u/s 147 on 03-05-2024 in respect of PY 2022-23.
- Issue of notice u/s 148 on discovery of an escaped income of ₹ 90,000 in respect of PY 2021-22 of an assessee whose original assessment was completed on 04-07-2023.
- Passing order u/s 147 in respect of AY 2023-24 in case of Mr. X who was served notice u/s 148 on 30-11-2025.
- Passing order u/s 143(3) in respect of AY 2026-27 in case of Mr. Y who was served notice u/s 143(2) on 4th June, 2027.

**ANSWER:**

| Action                                                                                                                                                               | Last date         |

| <b>3 years and 3 months</b> from the end of <b>relevant AY</b>                                                                                                       |                   |
| Passing order u/s 147 in respect of AY 2023-24 in case of Mr. X who was served notice u/s 148 on 30-11-2025.                                                         | <b>31-03-2027</b> |
| <b>12 m</b> from the end of the year in which <b>notice u/s 148 is recd.</b>                                                                                         |                   |
| Passing order u/s 143(3) in respect of AY 2026-27 in case of Mr. Y who was served notice u/s 143(2) on 4th June, 2027.                                               | <b>31-03-2028</b> |

**QUESTION 16:**

The assessment of Mr. Sahaj for A.Y. 2017-18 was made on 28.3.2019 making an addition of ₹ 3,25,000 for a certain income received during the P.Y. 2016-17. The assessee contested the addition before Commissioner (Appeals) but lost the case. The Appellate Tribunal passed an order on 26.9.2025 holding that the said income was not taxable in the PY. 2016-17 but the same was taxable in the year of accrual, being P.Y. 2014-15 relevant to A.Y. 2015-16. The Assessing Officer issued notice under section 148 for A.Y. 2015-16 in October 2025 bringing to tax the sum of ₹ 3,25,000. Is the notice valid? Would your answer change if in the said case, the assessment order for A.Y. 2017-18 was made on 4.8.2019 instead of 28.3.2019?

**ANSWER:**

As per **sec. 150**, notice u/s 148 can be issued **anytime** [if the reopening is directed by appellate authority] subject to a **condition** that the **time limit of 3 years and 3 mnths** has **not expired** as **on the date of passing of the assessment order** [which was the subject-matter of appeal].

In this case, the date of passing of assessment order [which was subject matter of appeal] is 28.03.2019 and as on this date, the time limit of 3 yrs, 3 mnths for reopening of AY 2015-16 has not expired.

Hence, sec. 150 is applicable and the notice issued u/s 148 in October 2025 as per the direction of appellate authority is valid.

If the date of passing of assessment order [which was subject matter of appeal] is 04.08.2019, then, as on this date, the time limit of 3 yrs, 3 mnths for reopening of AY 2015-16 has expired.

Hence, sec. 150 is not applicable and the notice issued u/s 148 in October 2025 as per the direction of appellate authority is invalid.

**QUESTION 17:**

The return for A.Y. 2026-27 was filed on time as per section 139(1) and proceedings were taken up for assessment under section 143(3). Later on, the assessee, noticed certain omissions and therefore filed a revised return on 20.02.2027. The Assessing Officer ignoring the revised return so filed framed the order on 25.4.2027. Is the action of Assessing Officer correct? Examine.

**ANSWER:**

As per sec. 139(5), an assessee can file a revised return:

- (i) Up to **31st December of A.Y.** i.e 31.12.26
- or
- (ii) Before **Completion of Assessment** whichever is **earlier**

In this case, the assessee has filed the revised return on 20.02.2027 which is beyond the time limit allowed by sec. 139(5). Hence, the action of the Assessing Officer in making the assessment in disregard of the revised return filed on 20.02.2027 is correct.

**QUESTION 18:**

In respect of Mr. Naksh, who is engaged in the export of fabrics, information is flagged as per the risk management strategy formulated by the CBDT for A.Y.2022-23, A.Y.2023-24, A.Y.2024-25 and A.Y.2025-26.

In case of Mr. Ramesh (friend of Mr. Naksh), who is engaged in trading of commodities, the Assessing Officer has in his possession certain documents showing information pertaining to shares of value ₹ 28 lakhs purchased in the P.Y. 2019-20 and shares of value of ₹ 21 lakhs purchased in the P.Y.2020-21. Can the Assessing Officer issue notice under section 148 to Mr. Naksh and Mr. Ramesh in April 2026? If so, in respect of which assessment years can notice be issued? Is it necessary that they be provided with an opportunity of being heard before issuance of notice?

What would be your answer with respect to issue of notice to Mr. Ramesh if the shares purchased in the P.Y.2019-20 were of ₹ 30 lakhs instead of ₹ 28 lakhs, all other facts remain the same?

**ANSWER:**

⇒ **In case of Mr. Naksh:**

Notice u/s 148 can be issued for **A.Y.2022-23, A.Y.2023-24 and A.Y.2024-25**, since the **time limit of 3 years and 3 months** from the end of the relevant assessment year has **not expired** in April, 2026. Before issuing such notice, Mr. Naksh should be provided an opportunity of being heard by issuing a show cause notice within 3 years from the end of relevant A.Y. [for A.Y. 2022-23, show cause notice should be issued latest by 31/3/2026].

However, notice u/s 148 cannot be issued in respect of **A.Y.2025-26** because for A.Y.2025-26 it is possible to make **regular/best judgment assessment**.

⇒ **In case of Mr. Ramesh:**

In case of Mr. Ramesh, the A.O. has in his possession certain documents which reveal **escapement** of income represented in the form of shares **amounting to ₹ 49 lakhs** [PY 2019-20 ₹ 28 lakhs + PY 2020-21 ₹ 21 lakhs]. Since the amount is lower than ₹ 50 lakhs, **notice cannot be issued beyond 3 years and 3 months** from the end of the relevant AY. In this case, the relevant AYs are A.Y.2020-21 and A.Y.2021-22. In respect of these A.Y.s, the time limit of 3 yrs and 3 months has expired before April 2026. Accordingly, notice cannot be issued u/s 148 in April 2026. However, where the escaped income represented in the form of shares amounts to **₹ 51 lakhs** (i.e., ₹ 30 lakhs + ₹ 21 lakhs), an **extended period of 5 years and 3 months** from the end of the relevant AY would be available for issue of notice, which has not expired in April, 2026. Therefore, the A.O. can issue notice u/s 148 for A.Y.2020-21 and A.Y.2021-22. Before issuing such notice, Mr. Ramesh should provided an opportunity of being heard by issuing a show cause notice within 5 years from the end of relevant A.Y. [for A.Y. 2020-21, show cause notice should be issued latest by 31/3/2026].

**QUESTION 19:**

Tai Ltd. filed its return of income for assessment year 2025-26 on 26th September, 2025. The return is selected for regular assessment under section 143(3) for which notice under section 143(2) is served on the company on 3rd July, 2026. The company responded to the notice under section 143(2).

Examine whether the service of the notice is within time and if not, whether the assessment order can be challenged by the assessee.

What would be your answer if the A.O. failed to issue notice under section 143(2) ?

**ANSWER:**

→ The time limit for service of notice u/s 143(2) is **3 months** from the end of the year in which the **return** was **filed** by the assessee. The return of income for AY 2025-26 was filed by the assessee on 26th September, 2025. Therefore, the notice u/s 143(2) must be served by **30th June, 2026**. However, the notice was served on the assessee on **3rd July, 2026**. Hence, the notice issued u/s 143(2) is **time-barred**.

As per **section 292BB**, where an assessee had **appeared** in any proceedings or **co-operated** in any enquiry relating to an assessment or reassessment, it shall be **deemed that any notice** required to be served upon him, **has been duly served upon him in time** in accordance with the provisions of the Act and **after completion** of such assessment/reassessment, the assessee **cannot raise objection** that the notice was not served properly. However, the assessee **can raise such objection before** the assessment/reassessment is **completed**.

Therefore, in the instant case, if the assessee, Tai Limited, had **raised an objection** for late service of the notice u/s 143(2) [**before** the passing of assessment order], then, the validity of the assessment **order can be challenged** and if the **objection is not raised before** the passing of assessment order then, the assessment **order cannot be challenged**.

→ Section 292BB is a deeming provision that seeks to cure defects in any notice issued under any provision of the Income-tax Act, 1961, if the assessee has participated in the proceedings. It is, however, to be noted that the **section does not save complete absence of issue of notice**. For section 292BB to apply, the notice must have been issued by the Department. The section only seeks to cure the defects in the manner of service of notice. The section is not intended to cure complete absence of notice itself. This was held by **Supreme Court** in the case of **Laxman Das Khandelwal**. Hence, the assessee can challenge the assessment order if the A.O. fails to issue the notice u/s 143(2).

### **QUESTION 20:**

Ram, an individual, filed his return of income for the assessment year 2026-27 on 15.6.2026. He later discovered that he had not claimed deduction under section 80C in the said return. He claimed the said deduction through a letter addressed to the Assessing Officer. The Assessing Officer completed the assessment without allowing the deduction claimed by Ram. Is the Assessing Officer justified in doing so?

**ANSWER:**

In the case of **Goetze (India) Ltd.**, the Supreme Court has ruled that the assessing officer has **no power to entertain any fresh claim** made after filing of the return of income **otherwise than by way of a revised return.**

In the instant case, Ram has claimed the deduction under section 80C, which he omitted to claim in the original return of income, **through a letter** addressed to the Assessing Officer and **not by filing a revised return** under section 139(5).

In view of the decision of the Supreme Court cited above, the A.O. was **justified** in completing the assessment without allowing the deduction under section 80C.

**QUESTION 21:**

Mr. X filed his return of income for A.Y. 2026-27 by declaring a total income of ₹ 10 lakhs. His case was selected for scrutiny assessment and an addition of ₹ 4 lakhs was made by the Assessing Officer on account of disallowances of certain expenses. During the course of the assessment proceedings, Mr. X found that he erroneously failed to claim the set-off of brought forward losses under section 72 amounting to ₹ 3 lakhs, which he was otherwise entitled to. By the time the error was discovered by Mr. X, the time-limit for filing revised return had also expired. Hence, during the course of the proceedings, Mr. X approached the Assessing Officer to allow the set-off of the brought forward losses which was erroneously not claimed in the return of income filed under section 139(1). Whether the Assessing Officer is bound to accept the request of Mr. X? Your Answer should cover these aspects:

- Issue involved
- Provision applicable
- Analysis and
- Conclusion

**ANSWER:**

**Issue Involved:**

The issue under consideration is whether the Assessing Officer is bound to allowed the set-off of brought forward losses under section 72 even if the assessee, Mr. X, in this case, has not claimed the same in the return filed by him and the time limit for filing revised return has expired.

**Provision Applicable:**

Under section 72, business losses shall be **carried forward** and **shall be set-off** against the profits and gains of any business in the next assessment year. It is assumed that the assessee has filed the return of income within the time stipulated u/s 139(1) and hence is eligible for set off of the unabsorbed loss in the subsequent year. The wording used in section 72 is “shall”, indicating that the provisions relating to set off of brought forward business loss are **mandatory** provided the return for the year of loss was filed on time.

**Analysis:**

As per a CBDT Circular, it is the **duty of the A.O. to assist a taxpayer** in every reasonable way, particularly in the matter of claiming and securing reliefs and in this regard, they should take the initiative in guiding a taxpayer where proceedings or other particulars before them indicate that some refund or relief is due to him. Thus, it is the duty of the Assessing Officer to apply the relevant provisions of the Act for the purpose of determining the true figure of Mr. X's total income and consequential tax liability. Merely because Mr. X has not claimed the set-off of brought forward losses of ₹ 3 lakh in the original return filed and the time limit for filing revised return has expired, it cannot relieve the Assessing Officer of his duty to apply section 72 in the appropriate case.

**Conclusion:**

The Assessing Officer is **bound to accept the request** of Mr. X and allow the set-off of brought forward losses of ₹ 3 lakh under section 72, even if Mr. X has not claimed the same in the return filed, and the time limit for filing the revised return has expired.

Note – The facts of this case are similar to the case of **Mahalakshmi Sugar Mills Co. Ltd**, wherein the Supreme Court gave ruling taking note of the CBDT Circular.

**QUESTION 22:**

Pruthvi Ltd. did not make a claim of ₹ 20 lakhs in the return of income filed for A.Y. 2026-27 which was disallowed in the previous assessment year under section 43B. However, the said claim was also not considered by the Assessing Officer during assessment proceedings on the ground that no revised return was filed. Can the assessee now make such claim before the appellate authority?

**ANSWER:**

Yes, the assessee is entitled to raise additional claims before the appellate authorities.

The restriction that an additional claim must be made by filing a revised return applies only in respect of a claim made before the Assessing Officer. An assessee cannot make a claim before the Assessing Officer otherwise than by filing a revised return. It was so held by the Supreme Court in the case of **Goetze (India) Ltd.**

However, this restriction **does not apply to an additional claim made before an appellate authority**. The appellate authorities have jurisdiction to permit additional claims before them. though, the exercise of such jurisdiction is entirely the **authorities' discretion**. It was so held by the Bombay High Court in the case of **Pruthvi Brokers & Shareholders**.

Thus, additional claim **can be raised** before Appellate Authority even if no revised return is filed.

**QUESTION 23:**

Mr. Surajit e-filed his Income-tax Return for A.Y. 2025-26 on July 21, 2025. He declared a total income of ₹ 11,75,000.

Total income includes interest from Public Provident Fund (PPF) ₹ 95,530 and long-term capital gains on agricultural land exempt under section 10(37). Both these incomes were disclosed in the schedule of exempt income.

Mr. Surajit also found that by mistake he failed to claim the current year business loss in the Income-tax Return amounting to ₹ 4,50,000 which he is entitled to claim.

In due course of time, the above I.T. Return got processed under section 143(1) and both the above exemptions for Interest on Public Provident Fund and long-term capital gains on agricultural land were denied. Intimation was served to Mr. Surajit and a demand of tax was raised.

For all the above mistakes in the return he filed a revised return u/s 139(5) but time limit for e-verification of revised return had lapsed and the same became invalid.

Assessee filed for rectification under section 154 which was also rejected by the Assessing Officer. Is the Assessing Officer bound to accept the request of Mr. Surajit?

Your answer should cover:

- (1) Issues involved
- (2) Provisions Applicable
- (3) Analysis and Conclusion

**ANSWER:**

**Issue Involved:**

The issue under consideration is whether a rectification application before the Assessing Officer under section 154 can be filed to rectify a mistake

- for denial of exemption in respect of interest on PPF and Long-term Capital Gains on agricultural land u/s 10(37) while processing return u/s 143(1) which was disclosed by the assessee in the Schedule of exempt income of ITR; and
- to claim a business loss which the assessee failed to claim in the return filed by him.

**Provisions Applicable:**

As per section 154, the Income Tax Authority can rectify a mistake in his **order** or **intimation** if such mistake is "**apparent**" from the record.

**Analysis and Conclusion:**

The jurisdiction of any authority u/s 154 depends upon the existence of a mistake apparent on the face of the record. As per section 154, an income-tax authority can rectify mistake which is committed in the intimation passed u/s 143(1) or an order passed under the Act.

In the present case, **denial of exemption** while processing the return u/s 143(1) in respect of interest from Public Provident Fund (PPF) and LTCG on agricultural land exempt under section 10(37) are **mistakes in the intimation [apparent from record]**.

However, **mistake to claim current year business loss** in the return of income is the not a mistake in the intimation [apparent from record]. It is a **mistake in the return** for which the only remedy is to revise the return. Moreover, the assessing officer has no power to entertain a fresh claim for deduction made after filing return of income otherwise than by way of a revised return.

Accordingly, the Assessing Officer is bound to **accept the request** of Mr. Surajit for rectification only **in respect of** exemption of **interest** on PPF and **LTCG** under section 10(37) and **not in respect** of claim for **business loss**.

#### **QUESTION 24:**

Mr. Ravi would like to furnish his updated return for the AY 2025-26. In case he furnished his updated return, his tax liability would be ₹4,50,000 [including ₹55,000 towards interest].

Tax paid by him at the time of filing previous return was ₹1,65,000 [including ₹15,000 towards interest].

- You are required to examine whether Mr. Ravi can furnish updated return:
  - (i) on 05.03.2027
  - (ii) on 28.02.2028
  - (iii) on 31.05.2030
- If yes, compute the amount of additional income tax payable by him at the time of filing his updated return.
- Would your answer be different if the assessee has received notice u/s 148 for the said AY 2025-26 on 23.07.2027 ?
- What would be the time limit for completion of assessment u/s 143(3) if Mr. Ravi files the updated return for AY 2025-26 on 20.05.2027 ?

**ANSWER:**

- Updated return can be filed **within 48 months** from the end of relevant AY i.e. within 48 months from 31.03.2026 i.e. latest **upto 31.03.2030**.

Accordingly, Mr. Ravi **can furnish** updated return on **5.3.2027** and on **28.2.2028**. However, he **cannot** furnish such return on **31.05.2030**, since it falls beyond 48 months.

- Additional income tax payable if UR is filed on 5.3.2027 i.e. **within 12 mnths** from the end of relevant AY

$$= (4,50,000 - 1,65,000) \times 25\% = ₹ 71,250$$

Additional tax payable if UR is filed on 28.02.2028 i.e.

**after 12m upto 24m** from the end of relevant AY

$$= (4,50,000 - 1,65,000) \times 50\% = ₹ 1,42,500$$

- An assessee **cannot furnish** updated return in respect of a year for which **assessment proceedings** under Income tax are **pending**.

Accordingly, if Mr. Ravi received notice u/s 148 on 23.07.2027 then the he **cannot** file updated return **28.2.2028**. However, he **can** file the updated on **5.3.2027** because as on this date the proceeding did not commence.

- If Mr. Ravi files the updated return for AY 2025-26 on 20.05.2027 then the assessment of AY 2025-26 u/s 143(3) should be completed **within 12 months** from the end of the year in which **updated return is filed** i.e. the time limit for completion of assessment would be **31.03.2029**.

APPEALS, REFERENCE & REVISION

QUESTION 1:

The Income-tax Appellate Tribunal (ITAT) passed an order providing relief as prayed by the assessee on 7-06-2024. On 13-12-2024, the Tribunal found a mistake apparent from the record and immediately rectified the mistake and passed an order on 15-12-2024.

Is the order passed by the Tribunal barred by limitation?

What would be your answer if the mistake was identified by the Assessing Officer who filed rectification petition on 13-12-2024 and the Tribunal passes the rectification order on 24-01-2026?

ANSWER:

As per sec. 254, if there is any **apparent mistake** in the order of ITAT then the ITAT **can rectify** such mistake [either on its own motion or on an application made by Assessee/AO]. If rectification is done by ITAT on its own motion, then it should be done **within 6 months** from the end of the month in which order is passed. If assessee/AO applies for rectification then he should apply within such 6 months [no time prescribed for reply].

In the given case, the ITAT passed the order on 7-06-2024. This order **can be rectified** by ITAT on its own motion **till 31-12-2024**. Since the order is rectified on 15-12-2024, it is **not barred by limitation**.

If the mistake is identified by AO then the AO **should apply till 31-12-2024** and there is no time prescribed for reply by ITAT. Accordingly, if the AO applies for rectification on 13-12-2024 then the **application is within the prescribed time limit** and it is not barred by limitation. Hence, the rectification order passed by ITAT on 24-01-2026 is **valid**.

QUESTION 2:

Discuss the correctness or otherwise of following propositions in the context of the Income-tax Act, 1961:

- (i) The ITAT is the final fact-finding authority.
- (ii) The Commissioner (Appeals) cannot admit an appeal filed beyond 30 days from the date of receipt of order by an assessee.
- (iii) An assessee aggrieved by an order passed u/s 263 by the Commissioner of Income-tax cannot file an appeal.
- (iv) The Commissioner of Income-tax can revise an order passed by AO within 2 years from the end of relevant AY if such order is erroneous and prejudicial to the interest of revenue.

ANSWER:

- (i) The statement is **correct** because if the appeal is on a **question of fact** then the judgment of ITAT is **final**.
- (ii) The statement is **incorrect** because if an assessee has **genuine reason** for delay in filing the appeal then the CIT(A) can **condone the delay** and admit the appeal filed beyond 30 days.
- (iii) The statement is **incorrect** because if the assessee is aggrieved by the revisionary order of CIT u/s 263 then he **can file an appeal to ITAT within 2 months** from the end of the month in such order is received.
- (iv) The statement is **incorrect** because as per sec. 263, the CIT can revise the order of AO **within 2 years from the end of the year in which such order is passed** if the order is erroneous and prejudicial to Government. [Note: 2 years is not from the end of relevant AY]

QUESTION 3:

An Income-tax authority did not file an appeal to the ITAT against an order of Commissioner (Appeals) decided against the Income-tax department on a particular issue in case of one assessee, Mr. A for the AY 2024-25 on the ground that the tax effect of such dispute was less than the monetary limit prescribed by CBDT.

In AY 2025-26, a similar issue arose in the assessments of Mr. A and his brother Mr. B, which was decided by the Commissioner (Appeals) against the Department.

Can the Income-tax department move an appeal to the Tribunal in respect of AY 2025-26 against the orders of the Commissioner (Appeals) for Mr. A and his brother Mr. B?

ANSWER:

Section 268A empowers **CBDT to fix monetary limits** for regulating appeals by department (the underlying objective is to reduce litigation in small cases).

Accordingly, **IF** the dept. **did not file appeal** on a particular issue in case of particular assessee in a particular year **THEN** it shall **not stop** the department from filing appeal on the same issue in case of same assessee in **another year** or on the same issue in case of **another assessee** in any year.

In the given case, the dept. did not file appeal in case of Mr. A in AY 2024-25 because the tax effect was less than the monetary limit prescribed by CBDT. However, **this shall not stop the dept. from filing appeal** on the same issue in case of Mr. A and his brother Mr. B **in AY 2025-26**.

QUESTION 4:

The Commissioner of Income-tax issued notice to revise the order passed by an Assessing Officer under section 143. During the pendency of proceedings before the Commissioner, on the basis of material gathered during survey under section 133A after issue of the first notice, the Commissioner of Income-tax issued a second notice, the contents of which were different from the contents of the first notice. Examine whether the action of the Commissioner is justified as to the second notice.

ANSWER:

The action of the Commissioner in issuing the second notice is not justified. The term "record" has been defined in clause (b) of Explanation 1 to section 263(1). According to this definition "record" shall include all records relating to any proceeding under the Act **available at the time of examination** by the Commissioner. In other words, the information, material, report etc. which were not in existence at the time the assessment was made and came into existence afterwards can be taken into consideration by the Commissioner for the purpose of invoking his jurisdiction under section 263(1). However, information, material, report etc. which **came in to existence after the examination** by Commissioner **cannot be taken in to consideration** for the purpose of sec. 263.

In this case, proceedings took place in following sequence:

- First, assessment took place u/s 143(3);
- Then, examination of records by CIT;
- Then, issue of first notice u/s 263;
- Then, materials gathered during survey u/s 133A;
- Then, issue of second notice based on such materials.

Based on above sequence, action u/s 263 is justified only on the basis of examination of records before issue of first notice. Since, **materials gathered during survey** u/s 133A came in to existence **after the examination** by commissioner, the issue of second notice is **not justified**.

QUESTION 5:

A petition for stay of demand was filed by XYZ Ltd. before the Income-tax Appellate Tribunal in respect of a disputed demand for which appeal was pending before it. The Appellate Tribunal granted stay vide order dated 1.1.2025 for a period of 180 days from the date of such order, on deposit of 20% of the amount of tax by XYZ Ltd. Thereafter, the bench was functioning intermittently till 1.2.2026 and therefore, the disputed matter could not be disposed of. In the meanwhile, in June 2025, XYZ Ltd. had made an application for extension of stay and was granted extension of stay upto 31.12.2025. Thereafter, on 5.1.2026, the Assessing Officer attached the bank account of XYZ Ltd. and

recovered the amount of ₹15 lakhs against the arrear demand of ₹25 lakhs. The company requested the Assessing Officer to refund the amount as it holds stay over it. The Assessing Officer, however, rejected the contention of the assessee stating that the stay period expired on 31.12.2025, after which the order of stay stood vacated automatically. Examine the correctness of contention of the Assessing Officer.

ANSWER:

While filing appeal to ITAT, the assessee can apply to ITAT for stay of demand. If the ITAT is satisfied then it can grant a stay of **maximum 180 days**. During this period, the ITAT shall give its judgement (if possible). If the ITAT fails to give the judgement with this period and if the delay is not due to the fault of assessee then the assessee can apply for extension of stay. In such case, the ITAT can **extend** the stay but the total period of stay (original + extension) should not exceed **365 days**. After this period, the order of stay shall stand **vacated**.

This provision would result in **automatic vacation** of stay on expiry of 365 days even in cases where the ITAT could not dispose off due to its own fault or due to the fault of Department [and no fault of assessee]. This would cause **undue hardship** to the assessee even where the assessee is not at fault. In this sense, the **provision is arbitrary** and disproportionate so far as the assessee is concerned. Hence, the order of stay shall stand **vacated** after expiry of 365 days **only if the delay** in disposing of the appeal is **due to the fault of assessee**. This was held by Supreme Court in the case of **Pepsi Foods Ltd.**

Accordingly, if an appeal is not heard by the bench, due to the bench functioning intermittently, the **delay is not attributable to XYZ Ltd.** and the order of stay **shall not vacate** after expiry of 365 days. In such a case, the recovery of 15 lakhs against the arrear demand of 25 lakhs made by the A.O. on 5.1.2025 is not in order. and the **contention of the Assessing Officer is not correct.**

QUESTION 6:

XYZ Limited entered into a contract for purchase of software with M/s. Delta Inc, a non-resident company based in Sweden. It filed an application u/s 195(2) before the Assessing Officer to make payment to the non-resident company for purchase of software without deducting tax at source.

The assessee, XYZ Limited, contended that said non-resident company had no Permanent Establishment in India and in terms of the DTAA between India and Sweden, no tax was to be deducted in India on same. The AO rejected the assessee's application on grounds that consideration for software licensing constituted royalty u/s 9(1)(vi) and was liable to be taxed in India and, accordingly, assessee was directed to deduct tax at source at rate of 10% on said royalty payment.

On Appeal, the Commissioner (Appeals) passed an order in favour of the assessee. On further appeal, the Tribunal upheld the order passed by the Assessing Officer on grounds that payments made for purchase of software were in nature of royalty and tax at source to be deducted on such payment.

The assessee company filed a miscellaneous application for rectification under Section 254(2) before the Tribunal. The assessee had also filed an appeal before the High Court.

Tribunal allowed said application in exercise of his powers under section 254(2) and reheard entire appeal on merits and recalled its original order and passed an order in favour the assessee. Thereafter, the writ petition filed by the assessee with High Court was also withdrawn. Is Tribunal justified in recalling its original order? Please state your answer on the basis of latest provisions of the Act and Supreme Court rulings. Your answer should cover:

- (a) Issue involved
- (b) Provisions applicable
- (c) Analysis and Conclusion

ANSWER:

Issue Involved:

The issue under consideration is whether the powers under section 254(2) can be exercised by the Tribunal to recall an order and rehear the entire appeal on merits.

Provisions applicable:

Sec. **254(1)** empowers the ITAT to **pass** such **order** as it thinks fit, after giving both the parties to the appeal an opportunity of being heard.

Sec. **254(2)** empowers the ITAT to **rectify** any **apparent mistake** in an order passed by it u/s 254(1).

Analysis and Conclusion:

The power u/s 254(2) is limited to rectification of a mistake apparent on record and therefore, the Tribunal must restrict itself within those parameters.

A detailed order was passed by the ITAT upholding [supporting] the order passed by the A.O. While allowing the application u/s 254(2) and recalling its earlier order, the **ITAT had reheard the entire appeal**. The subsequent order passed by the ITAT recalling its earlier order was **beyond the scope** and ambit of the powers u/s 254(2) and is **not tenable in law**.

Note – The facts given in the question are similar to the facts in the case of **Reliance Communications Ltd.** wherein the issue came up before the Supreme Court. The above answer is based on the rationale of the Supreme Court in the said case.

QUESTION 7:

Doctrine of precedence would be applicable in case of tax laws. In light of the Doctrine of Precedence, comment on correctness or otherwise of following statements alongwith reasons for your answers:

- (a) The *ratio decidendi* (the rationale for deciding a case) of a Supreme Court decision is absolutely binding on all lower courts, Tribunals & authorities. However, the lower courts, Tribunals & authorities are not bound by the:
- *obiter dicta* (additional remarks or things said by the way) of Supreme Court decisions and
 - judgments passed by Supreme Court *per incuriam* (i.e. without referring the statutory provision).
- (b) Where there are two irreconcilable decisions of two Benches of similar strength of the Supreme Court, the decision with more detailed discussion on the subject shall prevail.
- (c) Lower authorities may deviate from the decision of the jurisdictional High Court, only in a situation to keep the issue alive where the Department has not accepted the said decision and has taken the matter to the Supreme Court.

ANSWER:

- (a) **Incorrect** - Not only the *ratio decidendi* (the rationale for deciding a case), but also *obiter dicta* (additional observations, remarks, and opinions given while deciding a case) of the Supreme Court are binding on all the Courts. Judgments passed by Supreme Court *per incuriam* (i.e. without referring the statutory provision) are also **binding** on the lower courts.
- (b) **Incorrect** - When there are two irreconcilable decisions of two Benches of similar strength of Supreme Court, the decision **later in time** shall prevail.
- (c) **Incorrect** - Lower authorities **cannot pass** orders which are **inconsistent with** the decisions of the **jurisdictional High Court** even for the purpose of keeping the issue alive.

QUESTION 8:

The assessment of Vindhya Ltd. was completed under section 143(3) with an addition of ₹ 21 lakhs to the returned income. Vindhya Ltd. preferred appeal before the Commissioner (Appeals) which is pending now. In this backdrop, examine the following issues:

- (i) Based on fresh information that there was escapement of income for the same assessment year, can the Assessing Officer initiate reassessment proceedings when the appeal is pending before Commissioner (Appeals)?
- (ii) Can the Assessing Officer pass an order under section 154 for rectification of mistake in respect of issues not being subject matter of appeal?
- (iii) Can the assessee-company seek revision under section 264 in respect of matters other than those preferred in appeal?
- (iv) Can the Commissioner make a revision under section 263 both in respect of matters covered in appeal and other matters?

ANSWER:

- (i) **Section 147** empowers the A.O. to assess/reassess escaped incomes if he has information suggesting escapement.

As per the third proviso to sec. 147, the A.O. cannot assess/reassess an escaped income which involves appeal matters. However, the A.O. can assess/reassess other matters of the same order. The **doctrine of partial merger** would apply in this case.

Therefore, even when an appeal is pending on the matter of additions of ₹ 21 lakhs to the returned income, the A.O. can initiate reassessment proceedings in respect of other matters.

- (ii) **Section 154** empowers the Income Tax Authority to rectify mistakes in the order or intimation if the mistakes are apparent from the record.

As per this section, the Income Tax Authority cannot rectify apparent mistake in relation to appeal matters. However, the A.O. can rectify apparent mistake in relation to other matters of the same order. Thus, the **doctrine of partial merger** holds good for section 154 also.

Since the issue under consideration in this case relates to rectification of a mistake in respect of a non-appeal matter, the A.O. can pass an order u/s 154 for rectification of the same provided the mistake is apparent from the record.

- (iii) **Section 264** empowers the Commissioner to revise an order which is prejudicial to the assessee.

As per this section, once the assessee files an appeal on a particular matter, the Commissioner can neither revise that matter nor any other matter of the same order. Thus, the **doctrine of total merger** would apply u/s 264.

Therefore, under section 264, the Commissioner cannot revise an order which is pending before the commissioner (Appeals), even if the revision pertains to a matter, other than the matter(s) covered in the appeal.

- (iv) **Section 263** empowers the Commissioner to revise an order which is erroneous and prejudicial to the Govt.

As per this section, the Commissioner cannot revise appeal matters. However, he can revise other matters of the same order. Here again, the **doctrine of partial merger** applies.

Therefore, where an appeal is pending on a particular matter, the Commissioner cannot revise such matter but he can revise other matters if the same are erroneous and prejudicial to the Govt.

QUESTION 9:

ABC Ltd. has approached the Supreme Court under a special leave petition. There has been a delay of 439 days in filing the appeal under section 260A for which reason ABC Ltd. requested for a condonation of delay under section 14 of Limitation Act, 1963. The company submitted that the delay was on account of pursuing an alternate remedy of filing a miscellaneous application before the Income-tax Appellate Tribunal (ITAT) under section 254(2).

From the above facts, examine whether delay in filing appeal under section 260A can be condoned under section 14 of Limitation Act, 1963 where the stated reason for delay is the pursuance of an alternate remedy by way of filing an application before the ITAT under section 254(2) for rectification of mistake apparent on record.

ANSWER:

The issue under consideration is whether delay in filing appeal under section 260A can be condoned under section 14 of the Limitation Act, 1963, where the stated reason for delay is the pursuance of an alternate remedy by way of filing an application before the ITAT under section 254(2) for rectification of mistake apparent on record.

This issue came up before the Supreme Court in the case of **Spinacom India (P.) Ltd.** In this case, the Supreme Court rejected the question of invoking section 14 of the Limitation Act 1963 which allows condonation of delay on demonstration of sufficient cause. The Apex Court did not accept that the rectification application before the ITAT under section 254(2) was an alternate remedy to filing appeal to High Court u/s 260A. The former is an application for rectifying a 'mistake apparent from the record' which is much narrower in scope than the latter. The Court stated that the appellant had the **option of filing an appeal** to High Court **while the rectification application was pending** before the ITAT. The time period for filing an appeal to High Court does not get suspended on account of the pendency of a rectification application before the ITAT.

Accordingly, applying the rationale of the above Supreme Court ruling to the facts of this case, the delay in filing appeal to HC due to pursuance of an alternate remedy by way of filing an rectification application before the ITAT **cannot be condoned.**

QUESTION 10:

M/s. Uranus LLP filed its return for the A.Y. 2023-24 on 23-07-2023. The assessment u/s 143(3) was completed on 15.06.2025. The A.O. made 2 additions to the income of the LLP, namely:

- ₹12 lakhs towards unexplained investment u/s 69; and
- ₹ 4 lakhs u/s 40(b) due to excess interest paid to partners.

The assessee contested the addition of ₹ 12 lakhs u/s 69 and filed an appeal before the Commissioner (Appeals). The appeal was decided on 12th February, 2026 against the LLP. In March, 2026, the LLP approaches you to know whether it should apply for revision to Principal Commissioner u/s 264 or for rectification u/s 154 to the Assessing Officer as regards disallowance u/s 40(b). You are required to advise the LLP, keeping in mind the relevant provisions of income-tax law.

ANSWER:

Section 264 empowers the Commissioner to revise an order which is prejudicial to the assessee. As per this section, once the assessee files an appeal on a particular matter, the Commissioner can neither revise that matter nor any other matter of the same order. Thus, the **doctrine of total merger** would apply u/s 264.

Section 154 empowers the Income Tax Authority to rectify mistakes in the order or intimation if the mistakes are apparent from the record. As per this section, the Income Tax Authority cannot rectify apparent mistake in relation to appeal matters. However, the A.O. can rectify apparent mistake in relation to other matters of the same order. Thus, the **doctrine of partial merger** would apply u/s 154.

In the present case, since the order passed by the A.O. in respect of the addition of unexplained investment of ₹ 12 lakhs became the subject matter of an appeal to CIT(A), M/s. Uranus LLP, can **neither apply for revision u/s 264** for the matter of **unexplained investment nor** for the matter of **addition u/s 40(b)**.

However, M/s Uranus LLP **can apply** to the A.O. **for rectification u/s 154** in relation to matter **of addition u/s 40(b)** if the mistake is apparent from the record (as it is not an appeal matter).

In the view of above, the assessee, M/s Uranus LLP should seek rectification under section 154.

QUESTION 11:

An assessee who had been served with an order of assessment passed under section 143(3) on 1.1.2026 had filed an application against this order before the CIT as per section 264 on 11.1.2026. However, the CIT refused to entertain the application on the pretext of premature application. Assessee seeks your opinion.

ANSWER:

An assessee, who is aggrieved by the order of the A.O. can apply to CIT/CCIT for revision u/s 264 within 1 year from the date of receipt of order of A.O. The assessee can make such application either **after the time limit of filing appeal** to CIT(A) expires and if he applies before such time limit expires then he should **expressly waive his right to appeal**.

In the present case, the time limit for filing appeal to CIT(A) had not expired on 11.1.2026 and the assessee had also not waived the right of appeal while filing the application to CIT for revision u/s 264. Therefore, the **Commissioner's refusal** to entertain such application is **correct**.

Question 12:

Mr. Vijay furnished his return of income for A.Y. 2025 –26 declaring total income of ₹28,00,000 for the A.Y. 2025–26. He received an assessment order under section 143(3) on 26.11.2026 enhancing the total income for the A.Y. 2025–26 by ₹5,00,000. He is aggrieved by the said order and is desirous of knowing whether he can file an application before the Dispute Resolution Committee (DRC). He informs you that no order of detention has been made and no prosecution proceedings have been initiated or instituted against him under any law for the time being in force. However, penalty under section 271D has been levied on him for failure to comply with the provisions of section 269SS.

Can Mr. Vijay file an application before the DRC?

- (i) If yes, what is the time limit for making an application to DRC, against such order under the Income – tax Act, 1961. He is also keen to know, whether, in case he is aggrieved by the order passed by the DRC, can he file appeal against such order of DRC?
- (ii) Would your answer be different, if assessment order is based on information received under a DTAA with Country X?

Answer:

Dispute Resolution committee (DRC) is a committee to resolve disputes of **small and medium taxpayers**. An assessee is eligible to resolve disputes through DRC if following conditions are satisfied:

- (i) **Returned income** of such assessee is **upto Rs. 50 lakhs**.
- (ii) The aggregate amount of **Variation** made in the order of A.O. is **up to Rs. 10 lakhs**.
- (iii) The disputed order should **not be based on Search/ Survey or information** received under DTAA.
- (iv) Such person **should not be Convicted** under laws like the Indian Penal Code, Prevention of Corruption Act, Prevention of Money Laundering Act, Unlawful Activities Act etc.

Accordingly, in the present case, **Mr. Vijay can file** an application before DRC as his returned income is ₹28 lakhs [\leq ₹50 lakhs] and the amount of variation done by the A.O. is ₹4 lakhs [\leq ₹10 lakhs] and he satisfies the other specified conditions. Levy of penalty under section 271D on him does not result in non – compliance with any specified condition.

Mr. Vijay should file an application for resolution of dispute in the prescribed form on or before 25.12.2026 i.e., **within one month** from the **date of receipt of the order of A.O.**

However, once a modified order is passed based on the resolution by DRC, **an appeal or revision would lie against such order**. If order of A.O. is based upon the **information** received from foreign country **under DTAA** entered with India, **Mr. Vijay, will not be eligible** to make an application before DRC.

QUESTION 13:

The assessment of AUM Enterprises u/s 143(3) for the A.Y.2021-22 was completed on 15th June, 2022 as follows:

- (a) Addition of ₹ 8 Lakhs for unexplained cash credit u/s 68;
- (b) Allowance of expenditure "P" – 5 lakhs;
- (c) Allowance of expenditure "R" – 12 lakhs.

On 4th August, 2023, a notice u/s 148 was sent to the assessee in order disallow expenditure "P" and the income of P.Y. 2020-21 was reassessed u/s 147 by passing an order on 9th December, 2023.

Later, the Commissioner discovered that the expenditure "R" was erroneously allowed against the judgement of Supreme Court. Hence, he initiated the proceedings u/s 263 and disallowed expenditure "R" by passing a revisionary order on 17th August, 2025.

Examine whether the revisionary power exercised by Commissioner u/s 263 is in order or barred by limitation.

ANSWER:

Section 263 empowers CIT/CCIT to revise an order passed by his subordinate authority if the same is erroneous and prejudicial to the Govt. The time limit prescribed for such revision is **2 years** from the end of the year in which the **order containing error was passed**.

In case of AUM Enterprises:

- Order u/s **143(3)** was passed on **15th June, 2022** and
- Order u/s **147** was passed on **9th December, 2023**.

The issue involved is whether the time limit of 2 years u/s 263 shall be reckoned from the date of original assessment order u/s 143(3) or the date of reassessment order u/s 147.

The facts of the case are similar to the case of **Industrial Development Bank of India Ltd.** where the **Supreme Court** held that if the **issue** before the Commissioner **relates to the original** assessment order then the time limit shall be **reckoned from the date of original** assessment order. However, if the **issue** before the Commissioner **relates to the reassessment** order then the time limit shall be **reckoned from the date of reassessment** order.

In this case, the issue before the Commissioner was **expenditure "R"** which **relates to the original** assessment order [It was not related to reassessment order as the reassessment was in relation to a different issue i.e. expenditure "P"]. Hence, the time limit of **2 years** u/s 263 shall be **reckoned from** the end of the year in which the **original** assessment order u/s 143(3) was passed which comes to **31st March, 2025**. Since the revisionary order was passed on **17th August, 2025**, it is **barred by limitation**.

# SEARCH AND SEIZURE

---

## **QUESTION 1:**

In a search conducted on 24-07-2025, cash of ₹ 70 lakhs was seized. The assessee moved an application on 26-08-2025 to release such cash after explaining the sources thereof, which was turned down by the department.

The assessee seeks your opinion on whether the department can withhold the explained money?

## **ANSWER:**

- ⇒ The person on whom search is conducted can make an **application** to the A.O. for release of explained assets (within **30 days** from the end of month in which **assets are seized**).
- ⇒ The application should state the **nature & source** of acquisition of such assets.
- ⇒ If the A.O. is satisfied, then he shall release the explained assets after taking the **permission of CIT/CCIT** & after **deducting existing** liabilities.
- ⇒ The explained assets shall be released within **120 days** from the date on which **search is completed** i.e. date on which last authorization for search is executed.

In this case, since the application was made to the Assessing Officer within 30 days period, the amount of existing liability may be recovered out of the explained cash and balance may be released within 120 days from the date on which last of the authorizations for search is executed. However, if the application is turned down by the Department due to the reason that it was not satisfied with the explanation given by the assessee as to the nature and source then the seized cash cannot be released.

**QUESTION 2:**

A search was made under section 132 of the Income-tax Act, 1961 on M/s. ABC Limited. The search was initiated on 26.02.2026 and concluded on 06.03.2026 when the last authorization was executed.

M/s. ABC Limited received a notice under section 143(2) for A.Y. 2024-25, the assessment proceedings for which in the faceless manner was ongoing at the time of search. A notice under section 148 was also issued for A.Y. 2021-22 to the company as per the provisions of the Act, the proceedings for which were also pending on the date of search. The company has made an appeal before the Commissioner of Income-tax (Appeals) for the A.Y. 2016-17 for a matter relating to a business deduction, which was dismissed by the CIT (Appeals) on 20.12.2025 and order u/s 250 was communicated on the same date to the company. The company decided to go for further appeal on this matter in the ITAT.

- i) What would be considered as the "Block period" as per special provisions for Assessment of search cases under section 158B to 158BI in case of M/s. ABC Limited?
- (A) Assessment years relevant to previous years 2019-20 to 2024-25 and the period from 1st April, 2025 to 06.03.2026.
  - (B) Assessment years relevant to previous years 2019-20 to 2024-25 and the period from 1st April, 2025 to 25.02.2026.
  - (C) Assessment years relevant to previous years 2019-20 to 2024-25 and the period from 1st April, 2025 to 26.02.2026.
  - (D) Assessment years relevant to previous years 2019-20 to 2025-26.
- ii) As per information provided relating to ABC Limited, Choose the correct option on the basis of the above facts:
- (A) The assessment proceedings for A.Y. 2024-25 shall be deemed to have abated but assessment proceedings under section 148 shall continue.
  - (B) The assessment proceedings for both A.Y. 2021-22 and A.Y. 2024-25 shall abate on the date of initiation of search under section 132.

- (C) The assessment proceedings for A.Y. 2021-22 shall abate but the Assessment proceedings for A.Y. 2024-25 will continue.
- (D) The assessment proceedings for both A.Y. 2021-22 and A.Y. 2024-25 shall continue and these two periods will be excluded from assessment of block period.
- iii) What would be the prescribed time limit for filing appeal before ITAT as per the time limit given in section 253(3) of the Act on the matter relating to A.Y. 2016-17 for the company. (Ignore condonation of delay allowable by ITAT)?
- (A) On or before 18.02.2026
- (B) On or before 28.02.2026
- (C) On or before 19.01.2026
- (D) On or before 31.01.2026

**ANSWER:**

- (i) **(A)**
- (ii) **(B)**
- (iii) **(B)**

## SURVEY u/s 133A

---

### **QUESTION 1:**

The Income-tax authority surveyed a popular Coffee shop at 12 o'clock in the night for the purpose of collecting information which may be useful for income-tax purposes. The Coffee shop is open for business everyday between 2 p.m. and 2 a.m. The owner of the coffee shop claims that the income-tax authority could not enter the shop in late night. The Income-tax authority wanted to take away with him the books of account kept at the Coffee shop.

Examine the validity of the claim made by the owner and the proposed action of the Income-tax authority.

### **ANSWER:**

- ➔ As per section 133A, for survey at place of business, the Income-tax Authority can enter during business hours. However, for survey at other place, the Income-tax Authority can enter after sunrise but before sunset.  
In the given case, the Income-tax Authority surveyed a Coffee shop at 12 o'clock in the night i.e. a place of business which is open for business everyday between 2 p.m. and 2 a.m.  
Since the time of entry is during business hours, the owner cannot claim that the income-tax authority could not enter the shop in late night. Hence, the **claim of owner is invalid.**
- ➔ During survey, the Income-tax authority can impound books of accounts for max. 15 days [excluding public holidays]. Hence, in the given case, the income-tax authority **can take away the books** of account kept at Coffee shop for **max. 15 days [excluding public holidays]**. However, for retaining books of account beyond this period, permission of CIT/CCIT is required.

## ADVANCE RULING

---

### QUESTION 1:

State whether in following cases, the application for advance ruling will be allowed or rejected by the Board for Advance Rulings:

- (i) Mr. Bonnie is a non-resident. He made an application to the Board for Advance Rulings on 02-11-2025 in respect of an issue pending before Commissioner (Appeals).
- (ii) Nitin Shetty, a resident of India, made an application to the Board for Advance Rulings on 17-10-2025 in respect a transaction valued at ₹ 135 crores.
- (iii) ZENO Ltd., a public sector undertaking, applied to the Board for Advance Rulings in respect of an issue pending before Commissioner of Income-tax u/s 263.

### ANSWER:

- (i) A **Non - Resident** can approach BAR for determination of a question arising out of a transaction undertaken or proposed to be undertaken by him. Ruling cannot be sought if the issue is pending before AO/Comm./ITAT/HC/SC.

In the given case, Mr. Bonnie (a non-resident) applied for advance ruling in respect of an issue pending before Commissioner (Appeals).

Since the issue is pending before Commissioner, the application will be **rejected** by BAR.

- (ii) A **Resident** can approach BAR for determination of a question arising out of a transaction undertaken or proposed to be undertaken by him if aggregate value of such transactions is **₹100 crores or more**.

In the given case, Nitin Shetty applied for advance ruling in respect a transaction valued at ₹ 135 crores.

Since the transaction value is more than ₹ 100 crores, the application will be **allowed** by BAR.

- (iii) **Notified Residents** (notified\* by Central Govt.) can approach BAR for determination of a question arising out of issues pending before A.O or Commissioner or ITAT (but not before H.C/ S.C)

\* Presently, Public Sector Undertakings are notified.

In the given case, ZENO Ltd., a public sector undertaking, applied for advance ruling in respect of an issue pending before Commissioner of Income-tax u/s 263.

Since ZENO Ltd. is a notified resident, it can apply for advance ruling in respect of issue pending before Commissioner.

Hence, the application of ZENO Ltd. will be **allowed** by BAR.

### **QUESTION 2:**

Chris, a non-resident, made an application to the Board for Advance Rulings on 27-06-2025 in respect a transaction valued at ₹ 220 crores.

He seeks your advice as to following matters:

- (i) What is the amount of fees required to be paid by him?
- (ii) Can he withdraw the application?
- (iii) Can his brother use the ruling of BAR pronounced in his case?

### **ANSWER:**

- (i) Fees for advance ruling depends upon the value of transaction for which ruling is sought.

| Value of transaction              | Fees        |
|-----------------------------------|-------------|
| up to ₹ 100 crores                | ₹ 2,00,000  |
| > ₹ 100 crores up to ₹ 300 crores | ₹ 5,00,000  |
| > ₹ 300 crores                    | ₹ 10,00,000 |

In case of a public sector company, fee is ₹ 10,000.

In the given case, Chris applied for advance ruling in respect of a transaction valued at ₹ 220 crores.

Accordingly, fees payable by Chris will be **₹ 5,00,000**.

(ii) An applicant of advance ruling can withdraw his application within 30 days from the date of application.

Accordingly, Chris **can withdraw** his application **within 30 days** from the date of application i.e. latest up to 27-07-2024.

(iii) The Ruling of AAR can be used:

→ By the **Applicant only**;

→ In respect of the **Transaction** for which ruling is sought.

Accordingly, **brother of Chris cannot use** the advance ruling pronounced in case of Chris.

### **QUESTION 3:**

M/s. ABC Limited, an Indian company makes an application to Board of Advance rulings in relation to the tax liability of M/s. Pinicer Inc, a nonresident arising out of a transaction which is proposed to be undertaken by ABC Limited with M/s. Pinicer Inc. The value of transactions entered into between both the parties is ₹ 250 crores. As per section 245Q, how many copies of application need to be filed by the applicant with the Board and what would be the amount of fees to be accompanied with the application. What is the remedy available to an applicant if the Board rejects its application? Also, state the time limit within which the applicant should exercise this remedy.

### **ANSWER:**

Section 245Q provides that an applicant desirous of obtaining an advance ruling may make an application stating the question on which the advance ruling is sought in the prescribed form and in the prescribed manner. The application needs to be made in **quadruplicate** (refer note below) by the applicant i.e., M/s ABC Ltd. Since the value of transaction between M/s ABC Ltd and M/s Pinicer Inc., in respect of which ruling is sought, exceeds ₹ 100 crores but does not exceed ₹ 300 crores, **fees of ₹ 5 lakhs** is to be accompanied with the application.

As per section 245W, if the applicant/CIT is aggrieved by the ruling of BAR then he can **file an appeal** to the **High Court** against such ruling **within 60 days** from the date of receipt of such ruling. However, where the High Court is satisfied that the appellant was

prevented by **sufficient cause** from presenting the appeal within the 60 days period, it may grant **further period of 30 days** for filing such appeal.

**Note:** Rule 44E prescribes that the application for advance ruling shall be furnished through his/its **registered email address**. Though rule prescribe to furnish application through e-mail, the word “quadruplicate” is still contained in the section 245Q(2). The main solution is given based on provisions contained in section 245Q(2). However, **alternate solution** that “the application of advance ruling needs to be made by the applicant i.e., M/s ABC Ltd. through its **registered e-mail**” is also possible in line with Rule 44E.

#### **QUESTION 4:**

A Non-resident Foreign Company entered into contracts with several Indian Companies for installation of mobile telephone system and made an application to the Board of Advance Rulings, for advance ruling in relation to the tax liability arising out of such transaction. One of the above said Indian Companies also made an application to its Assessing Officer for determination of a question of law with regard to payments to be made to the said Foreign Company. The Board of Advance Rulings rejected the application of the Foreign Company on the ground that the question raised is pending before an Income Tax Authority. Is the rejection of the application of the Foreign Company justified in law?

#### **ANSWER:**

As per section 245R, the Board for Advance Rulings (BAR), after examining the application and the records called for, may either allow or reject an application. However, the **BAR shall not allow an application where the question** raised in the application is **already pending** before any income tax authority, or Appellate Tribunal or any court.

In the present case, the question raised by a non-resident foreign company with respect to tax liability on income arising from installation of mobile telephone system is already pending before the Assessing Officer on account of application made by one of the

Indian Companies for determination of question with regard to the payments made to the said foreign company. Since such question is **already pending** before the Income-tax Authority, the **rejection** of application of the foreign company by the BAR is **justified** in law.

**Alternate Answer:**

The BAR shall not allow the application only if the question raised is already pending in the applicant's case before any income-tax authority. Accordingly, based on this view, the rejection of application by the BAR is **not justified** in law, since the question raised in the application made by the foreign company is **pending** before the Assessing Officer **in the case of one of the Indian Companies**, and **not in the applicant's case**.

TAXATION OF GIFTS

QUESTION 1:

Mr. Mansoor, a dealer in shares, received following without consideration during the PY 2025-26:

- 1) A Plot of land from his friend [SDV ₹ 8,00,000].
- 2) Cash Gift of ₹ 80,000 on his anniversary from his friend Jason.
- 3) Bullion, the fair market value of which was ₹ 75,000 on his birthday from his brother-in-law.

On 23rd June, 2025, Mansoor purchased 5,000 shares of Orange Ltd. @ ₹ 500 per share [FMV ₹ 800 per share].

Further, on 5th September, 2025, Mansoor took possession of a flat booked by him 2 years back at ₹ 30 lakhs. The SDV of the flat on the date of registration is ₹ 44 lakhs and on the date of booking was ₹ 35 lakhs. He paid ₹ 1,00,000 by account payee cheque as down payment on the date of booking.

Compute the taxable income from other sources for the AY 26-27.

ANSWER:

STATEMENT OF INCOME FROM OTHER SOURCES

	₹
Gift of plot from a friend [Taxable as the SDV > ₹50,000]	8,00,000
Gift of cash from a friend [Taxable as it is > ₹50,000]	80,000
Gift of bullion from his brother-in-law [Exempt as brother-in-law is a relative]	—
Purchase of shares at low price [Exempt because Mansoor is a dealer in shares and shares are stock-in-trade for him]	—
Purchase of immovable property at low price [Note 1]	5,00,000
TAXABLE IFOS	13,80,000

Note 1:

SDV** ₹ 35 lakhs
Actual Cost ₹ 30 lakhs
Difference ₹ 5 lakhs > [Higher of 10% of Actual cost or ₹ 50,000]

Since the difference of ₹ 5 lakhs is more than ₹3,00,000, such difference is taxable as Gift.

**If part or whole of the consideration is paid by account payee cheque/draft/ECS on or before the agreement date then SDV as on the date of agreement i.e. the date of booking should be considered.

## TAX DEDN/COLLECTION AT SOURCE

---

### **QUESTION 1:**

Examine the applicability of the provisions for tax deduction at source under section 194DA in the following cases:

- 1) Mr. Singh, a resident, is due to receive ₹ 4.50 lakhs on 31.03.2026, towards maturity proceeds of LIC policy taken on 1.4.2023, for which the sum assured is ₹ 4 lakhs and the annual premium is ₹ 1,25,000.
- 2) Mr. Roy, a resident, is due to receive ₹ 3.25 lakhs on 31.3.2026 on LIC policy taken on 31.3.2018, for which the sum assured is ₹ 3 lakhs and the annual premium is ₹ 30,100.
- 3) Mr. Zack, a resident, is due to receive ₹ 95,000 on 1.8.2025 towards maturity proceeds of LIC policy taken on 1.8.2018 for which the sum assured is ₹ 90,000 and the annual premium is ₹ 10,000.

### **ANSWER:**

- 1) In case of Mr. Singh, since the annual premium (₹1,25,000) is more than 10%\* of sum assured (10% of ₹ 4,00,000), the **income element** comprised in the maturity proceeds of ₹4,50,000 is **subject TDS u/s 194DA @ 2%**.  
\* 10%, because the policy is taken on/after 1/4/2012
- 2) In case of Mr. Roy, since the annual premium (₹ 30,100) exceeds 10%\* of sum assured (10% of ₹ 3,00,000), the **income element** comprised in the maturity proceeds of ₹3,25,000 is **subject TDS u/s 194DA @ 2%**.  
\* 10%, because the policy is taken on/after 1/4/2012
- 3) In case of Mr. Zack, since the annual premium (₹ 10,000) is more than 10%\* of sum assured (10% of ₹ 90,000), the income element comprised in the maturity proceeds of ₹ 95,000 is taxable. However, it **shall not be subject to TDS u/s 194DA** as the maturity proceeds is **less than ₹ 1,00,000**.  
\* 10%, because the policy is taken on/after 1/4/2012

**QUESTION 2:**

Romit, a salaried individual, pays rent of ₹ 70,000 per month to Rajiv from June, 2025. Is he required to deduct tax at source? If so, when is he required to deduct tax and when is he required to deposit the same? Also, compute the amount of TDS.

What would be your answer if Rajiv does not provide his PAN to Romit?

What would be your answer if Romit vacated the premises on 30th November, 2025 (PAN furnished by Rajiv)?

**ANSWER:**

Since Romit is a **salaried** individual [not carrying on business], he has **no turnover** in the preceding year and Ind/HUFs with no/low turnover are liable to deduct **TDS u/s 194IB** if the rent **exceeds ₹ 50,000 per month**. Since rent paid by Romit is ₹ 70,000 per month, he is liable to deduct TDS u/s 194IB.

Although the rent is paid on monthly basis, TDS u/s 194IB is deducted in the **last month of financial year** i.e. in the month of March and the same is to be **deposited within 30 days** from the end of the month of tax deduction i.e. it should be deposited by **30<sup>th</sup> April, 2026**.

Amount of TDS to be deducted from the rent of March month =  
 $70,000 \text{ p.m.} \times 10 \text{ months} \times 2\% = ₹ 14,000.$

As per **sec. 206AA**, if Rajiv fails to provide his PAN then TDS should be deducted **@20%**.

Amt of TDS =  $70,000 \text{ p.m.} \times 10 \text{ months} \times 20\% = ₹ 1,40,000.$

However, the amt of TDS should not exceed the amount of Rent of March. Hence, TDS shall be restricted to ₹ 70,000.

If Romit **vacated** the premises on 30<sup>th</sup> November, 2025 then TDS should be deducted in the month of **November** and the same should be deposited by **30<sup>th</sup> December, 2025**.

Amount of TDS to be deducted from the rent of November month =  
 $70,000 \text{ p.m.} \times 6 \text{ months} \times 2\% = ₹ 8,400.$

**QUESTION 3:**

Callos Ltd. paid ₹ 70,000 to Ankush on 16.07.2025 towards fees for professional services. Tax on the same was deducted on 22.10.2025 and deposited on 03.01.2026.

Compute the amount of interest chargeable u/s 201(1A).

**ANSWER:**

In case of Callos Ltd., there is delay in deduction as well as deposit of TDS.

As per **section 201(1A)**,

Interest for **late deduction**

= Amt of TDS x **1% p.m.** x No. of months [from the date when **deductible** upto the date when **deducted**]

= (70,000 x 10%) x 1% p.m. x 4 months [**July to Oct.**]

= ₹ 280

Interest on **late deposit**

= Amt of TDS x **1.5% p.m.** x No. of months [from the date when **deducted** upto the date when **deposited**]

= (70,000 x 10%) x 1.5% p.m. x 3 months [**Nov. to Jan.**]

= ₹ 315

Total interest u/s 201(1A) = ₹ 280 + ₹ 315 = ₹ 595

**QUESTION 4:**

Explain the applicability of the provisions relating to the deduction of tax at source in the following transactions:

- 1) Trax Ltd. pays ₹ 1,00,000 to Trinity Ltd., a resident contractor who, under the contract dated 15-10-2025, manufactures a product according to the specification of Trax Ltd. by using materials purchased from Trax Ltd.
- 2) A State Government pays ₹ 30,000 as commission on 13-06-2025 to one of its agents for sale of lottery tickets.
- 3) On 17-07-2025, A Turf Club awards a jackpot of ₹ 5 lakhs to the winner of one of its races.
- 4) State Bank of India pays rent of ₹ 15,000 per month to Miss Zoya, a non-resident.

- 5) Mr. Sharma pays interest of ₹ 35,000 to Mr. Shenoy on 12-06-2025. Loan was taken for his business purpose. His turnover during PY 2024-25 was ₹ 89 lakhs.
- 6) Mr. Agarwal paid ₹ 2,00,000 to Sunder Caterers for the contract of catering for her son's birthday party.
- 7) Matrix Ltd. paid ₹ 46,000 to Mr. Mishra, a goods transporter. Mr. Mishra owns 6 trucks.
- 8) KLF Ltd. [whose turnover during PY 2024-25 was ₹ 67 lakhs] paid advertisement charges of ₹ 88,000 to Mr. Ahmed on 12-05-2025.
- 9) On 1-06-2025, Mr. Rupesh, aged 40 years, made 3 nine months fixed deposits of ₹ 3 lakh each, carrying interest @ 9% p.a. with Colaba branch, Santacruz branch and Dahisar branch of Canara Bank [which has adopted CBS]. The Fixed deposits mature on 28-02-2026.
- 10) Mr. Kulkarni, an employee of PQR Ltd., since 10-04-2022, resigned on 31-03-2026 & withdrew ₹ 60,000 being balance in his Recognised PF account.

**ANSWER:**

- 1) Since Trinity Ltd. is manufacturing the product as per the specification of Trax Ltd out of materials supplied by Trax Ltd., payment of ₹ 1,00,000 is treated as payment for works contract. Accordingly, **tax will be deducted @2% u/s 194C.**

**Note:** In the above case,

Trinity Ltd. has used materials purchased from **Trax Ltd.**

If Trinity Ltd uses materials purchased from **outsiders** then it is not a job work [**not subject to TDS**].

However, if that outsider is **relative of Trax Ltd.** then it is a job work [**subject to TDS**].

- 2) Payment of commission of ₹ 30,000 by State Govt. for sale of lottery tickets is subject to **TDS u/s 194G @2%** as the amount of commission exceeds ₹ 20,000.
- 3) Payment of ₹ 5 lakhs by a Turf club to the winner is subject to **TDS u/s 194BB @30%** as the payment is > ₹ 10,000.

- 4) Payment of Rent by SBI to a **non-resident** is subject to **TDS u/s 195** irrespective of the amount of rent [as the threshold limit of ₹ 50,000 p.m. u/s 194-I is applicable when rent is paid to a resident].
- 5) Mr. Sharma is an **individual**. Since his **turnover** in the preceding year **did not exceed ₹ 1 crore**, he is **not liable** to deduct TDS u/s 194A on interest paid.
- 6) Payment of ₹ 2,00,000 by Mrs. Agarwal to Sunder Caterers is **not subject to TDS** u/s 194C because u/s 194C and 194J, **personal** transactions are exempt from TDS.
- 7) Since Mr. Mishra **does not own more than 10 trucks**, payment to him for goods transport is **not subject to TDS u/s 194C** provided Mr. Mishra furnishes his **PAN** and a **declaration** that he does not own more than 10 trucks.
- 8) KLF Ltd. is a **company**. Even though its turnover in the preceding year did not exceed ₹ 1 crore, it is liable to deduct **TDS u/s 194C** on payment of advertisement charges **@1%** [1%, because the receiver is an **individual**].
- 9) Since Canara bank has adopted **CBS**, the threshold limit of ₹ 50,000 for deduction of tax from bank interest should be checked in **aggregate**. Aggregate interest on bank FD with all the branches =  $9,00,000 \times 9\% \times 9/12 = ₹ 60,750$ . Since the aggregate of interest from all branches is **more than ₹ 50,000**, tax will be deducted at source u/s **194A @10%**.
- 10) Since the service of Mr. Kulkarni is for **less than 5 years**, amount received from RPF is a premature withdrawal. It will be subject to **TDS @10% u/s 192A** as the amount received is **>/= ₹ 50,000**.

**QUESTION 5:**

Examine whether TDS provisions would be attracted in the following cases, and if so, under which section. Also, specify the rate of TDS applicable in each case.

- 1) ICICI Bank makes a payment of ₹ 44,000 to Mr. Naresh on 1<sup>st</sup> June, 2025 towards fees for professional services and another payment of ₹ 43,000 to him on the same date towards fees for technical services.

- 2) Samrat, a salaried individual, pays rent of ₹ 63,000 p.m. to Nasir from August 2025.
- 3) On 25<sup>th</sup> August 2025, Mr. Rampal purchased a house property in Hyderabad and a rural agricultural land for a consideration of ₹ 74 lakh and ₹ 22 lakh respectively. Turnover of Mr. Rampal in the PY 2024-25 was ₹ 95 lakh.
- 4) East Bengal Club, a renowned football club, engaged Raghu, a resident in India, as its coach with effect from 1<sup>st</sup> July, 2025. Remuneration of ₹ 6 lakhs was paid to him on 23-03-2026.
- 5) Jagdeep, an individual carrying on retail business with the turnover of ₹ 2.8 crores in the PY 2024-25 paid ₹ 7 lakhs in October 2025 to a contractor for repairs of his residential house.
- 6) Mr. Ketan, a wholesale trader whose turnover was ₹ 4 crores in PY 2024-25 paid ₹ 80 lakhs in February 2026 to a contractor for reconstruction of his residential house.
- 7) Mr. Simpson, a salaried individual, paid ₹ 20 lakhs a brokerage for buying a residential house.
- 8) On 13-06-2025, Mr. Khurana withdrew cash of ₹ 1.22 crores from Bank of Baroda. Calculate the amount of TDS, if applicable.
- 9) On 23-12-2025, Abhishek withdrew cash of ₹ 1.3 crores from Post office. Mr. Abhishek didn't file the return in any of the preceding 5 years. Calculate the amount of TDS, if applicable.
- 10) Thomas Cook, an authorized foreign exchange dealer withdrew cash of ₹ 5 crores from SBI. Calculate the amount of TDS, if applicable.

**ANSWER:**

- 1) Since the payment made by ICICI Bank for professional services and technical services does not exceed ₹ 50,000 **individually**, there is no liability for deducting TDS u/s 194J. The limit of ₹ 50,000 is separate for each category of payment covered in section 194J.
- 2) Since Samrat is a **salaried** individual, he has **no turnover** in preceding year and Ind/HUFs with no/low turnover in preceding year are **exempted from TDS on rent u/s 194-I** (Sec. 194 RA C H I J). However, the same is **liable for TDS @2% u/s 194IB** because the rent exceeds ₹ 50,000 p.m.
- 3) Purchase of house property by Rampal is subject to **TDS @1% u/s 194IA** as the consideration is  $\geq$  ₹ 50 lakhs [irrespective of his turnover in the preceding year] [Ind/HUF with low turnover are exempt for TDS only u/s 194R,A, C,H,I,J; not in section 194IA]. Purchase of **rural agricultural land is not subject to TDS u/s 194IA**.
- 4) Payment of remuneration by East Bengal Club to its coach is subject to TDS @10% u/s 194J because a "**Coach**" is a notified **professional** for the purpose of section 194J [SUP<sub>2</sub>AC<sub>3</sub>E].
- 5) Since the payment to contractor for repairs of residential house is a payment for **personal** transaction, it **not subject to TDS u/s 194C**. Such payments are subject to TDS u/s 194M if the aggregate payment during the year exceeds ₹ 50 lakhs. Since the payment by Jagdeep for works contract **does not exceed ₹ 50 lakhs**, it is **not subject to TDS u/s 194M also**.
- 6) Payment by Mr. Ketan for reconstruction of residential house is **personal** in nature. It is **not subject to TDS u/s 194C**. However, it will be subject to TDS @ 2% u/s **194M** because the payment **exceeds ₹ 50 lakhs**.

- 7) Payment of commission by Mr. Simpson is not subject to TDS. Since he is a **salaried** individual, he has **no turnover** in preceding year and Ind/HUFs with no/low turnover in preceding year are **exempted from TDS u/s 194H** (Sec. 194 RA C **H I J**). However, such Ind/HUFs are covered u/s 194M if payment exceeds ₹ 50 lakhs. Since the payment of commission by him does not exceed ₹ 50 lakhs, it is **not subject to TDS u/s 194M also**.
- 8) Cash withdrawal of ₹ 1.22 crores by Mr. Khurana from Bank of Baroda is subject to **TDS @2% u/s 194N**.  
Amount of TDS = 2% of (1.22 cr. – 1 cr.) = ₹ 44,000.
- 9) Since Mr. Abhishek **did not file the return in any of the preceding 3 years**, cash withdrawal by him of ₹ 1.3 crores will be subject to TDS as follows:

|                                  |                               |
|----------------------------------|-------------------------------|
| TDS up to ₹ 20 lakhs             | Nil                           |
| TDS above ₹ 20 L up to ₹ 1 crore | 1,60,000 ( <b>2%</b> of 80 L) |
| TDS above ₹ 1 crore              | 1,50,000 ( <b>5%</b> of 30 L) |

- 10) Cash withdrawal by Thomas Cook, an **authorised foreign exchange dealer** is **not subject to TDS** u/s 194N.

### **QUESTION 6:**

In respect of the following independent case scenarios you are required to discuss the provisions related to TDS/TCS and amount of tax deductible/collectible for the year ended 31<sup>st</sup> March 2026:

- 1) State Government of Telangana grants a lease of coal mine to M/s XYZ Co. Ltd. on 1.09.2025 and charged ₹10 crores for the lease. M/s XYZ Co. Ltd. sold coal for ₹1 crore to M/s AB (P) Ltd. during the previous year 2025-26. The turnover of M/s XYZ Co. and M/s AB (P) Ltd. for the financial year 2024-25 amounted to ₹5 crores and ₹6 crores, respectively.

### **ANSWER:**

State Government is required to collect tax at source **@2% u/s 206C(1C)** on ₹10 crores, being charges for **lease of coal mine**.

TCS = 2% x ₹10 crores = ₹20,00,000

M/s XYZ Co. Ltd. is required to collect tax at source **@1% u/s 206C(1)** on **sale of coal** to M/s AB (P) Ltd.

TCS = 1% of ₹1 crore = ₹1,00,000.

2) M/s Aryan Ltd., a domestic company having a total turnover of ₹12 crores for the financial year 2024-25, purchased goods worth ₹85 lakhs (excluding purchase return) from M/s Varun & Co. during the previous year 2025-26. M/s Varun & Co., a resident firm, has furnished its PAN to Aryan Ltd. Details of payments for purchases from M/s Varun (P) Ltd, are given below:

On 25.05.2025 - ₹30 lakhs;

On 28.06.2025 - ₹25 lakhs,

On 10.12.2025 - ₹20 lakhs (out of these purchases, goods worth ₹5 lakhs were returned on 20.12.2025 due to quality issue for which money was refunded by M/s Varun & Co.);

On 20.02.2026 ₹10 lakhs.

All the above amounts were credited to M/s Varun & Co.'s account in the books of M/s Aryan Ltd. on the same date.

**ANSWER:**

Since turnover of M/s Aryan Ltd. (Buyer) for the P.Y. 2024-25 exceeds ₹10 cr. and the aggregate value of purchases from M/s Varun & Co, exceeds ₹50 lakhs, M/s Aryan Ltd. is required to deduct tax at source u/s 194Q @0.1% on sum exceeding ₹50 L.

In case of purchase return, if the money is refunded by the supplier, then the tax deducted on **purchase return** would be **adjusted** against the **next purchase** from the same supplier.

| Applicability of TDS on purchases from M/s Varun & Co. |          |                                      |
|--------------------------------------------------------|----------|--------------------------------------|
| 25.05.25                                               | 30 lakhs | No TDS (< ₹50 Lakhs)                 |
| 28.06.25                                               | 25 lakhs | TDS = ₹500 (5 lakhs x 0.1%)          |
| 10.12.25                                               | 20 lakhs | TDS = ₹2,000 (20 lakhs x 0.1%)       |
| 20.02.26                                               | 10 lakhs | TDS = ₹500 {(10L-5L Returns) x 0.1%} |

- 3) XYZ Ltd. was incorporated on 1.4.2025 for trading goods. Its turnover for the P.Y. 2025-26 is ₹12 crores. During the P.Y.2025-26, it purchased goods from M/s. White Ride, the details of which are as follows:  
On 1.8.2025 for ₹25,00,000;  
On 15.9.2025 for ₹30,00,000 and  
On 15.12.2025 for ₹15,00,000.  
The above dates represent the date of credit to the account of M/s. White Ride. Payment is made after one month (i.e., on the same date in the immediately following month).

**ANSWER:**

Sec. 194Q is attracted if buyer's turnover in the preceding year is > ₹10 crore. Since this condition would not be satisfied in the year of incorporation, the provisions of sec. 194Q shall not apply in the year of incorporation. Since XYZ Ltd. is incorporated in the P.Y.25-26, sec. 194Q shall not apply in P.Y. 25-26.

- 4) Mr. Rajat aged 79 years, a retired resident individual, maintains a savings bank account and a fixed deposit account with ABC Bank, Delhi. He provides following details to ABC Bank in respect of financial year 2025-26:

Interest on Savings A/c ₹75,100

Pension (received in savings a/c) ₹55,000 p.m.

Interest from Fixed deposit A/c ₹1,20,000

He does not have any other income during the year 25-26.

Assume that Mr. Rajat has shifted out of default tax regime.

**ANSWER:**

Mr. Rajat is a specified person as per section 194P as he is of age of 79 years, having pension income and only interest income with ABC Bank [where he receives his pension].

As per section 194P, ABC Bank is required to deduct tax at source at rates in force on total income computed after deduction under Chapter VI-A and rebate u/s 87A

- 5) Raghav Motors Ltd., Ludhiana, is a dealer in cars of Ford and Maruti Cars and also runs a service station.

M/s. Om Ltd., dealing in textile manufacturing, bought following cars from Raghav Motors Ltd. during F.Y. 2025-26 for business purposes:

| Model of Car | Date of Invoice | Value of Car (₹) |
|--------------|-----------------|------------------|
| Maruti       | 14.7.2025       | 37 lakhs         |
| Maruti       | 12.8.2025       | 19 lakhs         |
| Ford         | 18.10.2025      | 8 lakhs          |
| Maruti       | 5.11.2025       | 12 lakhs         |

The payment against each invoice was made on the date of invoice itself.

**ANSWER:**

As per section **206C(1F)**, Raghav Motors Ltd., a seller is required to collect tax at source **@1%** of the sale consideration received from M/s. Om Ltd., a buyer, on sale of motor vehicle of the value exceeding **₹10 lakhs**.

Accordingly, Raghav Motors Ltd. is required to collect tax at source u/s 206C(1F) on the following dates

₹37,000 [1% on ₹37,00,000] on 14.7.2025

₹19,000 [1% on ₹19,00,000] on 12.8.2025

₹12,000 [1% on ₹12,00,000] on 5.11.2025

Total amount of TCS is ₹68,000.

In all three cases mentioned above, the payment was received on the date of sale of Maruti cars, hence, the tax has to be collected on the respective dates of sale mentioned above.

In respect of Ford car, the value of which is ₹8,00,000, tax is not required to be collected under section 206C(1F), since its value does not exceed ₹10,00,000.

6) Mr. Z, a resident individual, starts a new business on 01-11-2025 for sale of unique T-shirts. He obtained a valid PAN in his name and registers himself on ABC.com (a Singapore based website), an e-commerce operator, for sale of his products in India.

Mr. Z sold goods worth ₹60 lakhs through ABC.com upto 31-03-2026. E-commerce operator credited the following payments from time to time payable to Mr. Z in its books of accounts.

31-12-2025 ₹20 lakhs

28-02-2026 ₹15 lakhs

Full and final payments have been released by ABC.com to Mr. Z on 31-03-2026 after deducting a commission of 10% on gross sale proceeds.

Mr. Z received ₹10,00,000 directly in his bank out of above ₹60 lakhs through PayTM Wallet directly connected by ABC.com to the account of Mr. Z.

**ANSWER:**

As per **section 194-O**, ABC.com, an e-commerce operator is required to deduct tax @ 0.1% on the gross amount of sale of goods (T-shirts, in the present case] of Mr. Z, a resident individual, an e-commerce participant, since such sale of goods is facilitated by ABC.com through its digital or electronic facility or platform.

ABC.com is required to deduct tax at the time of credit of such sum or actual payment, whichever is earlier. Any payment received directly by Mr. Z for the sale of goods, facilitated by ABC.com, would be deemed to be amount credited or paid by ABC.com to Mr. Z.

Accordingly,

ABC.com is required to deduct tax of:

- ₹2,000 (**0.1% x ₹20,00,000**) on **31.12.2025** and
- ₹1,500 (**0.1% x ₹15,00,000**) on **28.02.2026**

being the dates on which such amounts were credited in books of account of ABC.com.

ABC.com is also required to deduct ₹1,000 (**0.1% of ₹10,00,000** being the amount **directly received** by Mr. Z).

On 31.3.2026, ABC.com is also required to deduct tax of ₹1,500 (**0.1% of ₹15,00,000**), being the amount of full and **final payment** made on **31.3.2026**.

- 7) Deer Co Ltd engaged in the business of manufacture of furniture items on contract basis. It sub- contracted the production of cushion for the chairs to M/s Lion & Co, a sole proprietary concern. The sub-contractor M/s. Lion & Co procured the raw materials for production of cushions, performed further labour works and supplied the same to Deer Co Ltd. It raised its bill on Deer Co Ltd, showing the cost of raw materials ₹4,00,000 and labour charges ₹1,50,000, separately.

**ANSWER:**

TDS under **section 194C** is attracted on any sum payable to a resident contractor/sub- contractor for carrying out any work which includes job work. However, "**Job work**" means manufacturing as per the requirement or **specification of a customer** by using **material purchased from such customer** or associate of such customer.

In this case, M/s Lion & Co. has to supply cushion for the chairs to Deer Co Ltd., according to the specifications of the customer (Deer Co Ltd.) by using materials purchased from a person **other than the customer**, Deer Co Ltd. Thus, the sub-contract for production of cushions is **not a 'works contract'**. Consequently, there is **no liability to deduct tax** at source under section 194C in this case.

- 8) Maha Bank Ltd accepted fixed deposits of ₹20 crores in the name of Registrar General of the High Court and issued a fixed deposit receipt in compliance with a direction passed by court in relation to certain proceedings.

**Answer:**

The issue under consideration is whether the bank is required to deduct tax at source on the amount of interest paid or payable on fixed deposits in the name of Registrar General of High Court.

Under **section 194A**, the bank is obliged to deduct tax at source in respect of any credit or payment of interest (exceeding ₹50,000) on deposits made by the payee. The expression "payee" under section 194A would mean the **recipient of income**. However, in this case, the actual payee is not ascertainable because the interest is credited in the name of the **Registrar General** of HC who is **not the recipient of the income**. In the absence of a payee, the machinery provisions for deduction of tax from interest credited become ineffective. Hence, the **bank is not required to deduct tax** at source.

- 9) StudyKart, an online education provider and a trust registered under section 12AB of the Income-tax Act, pays ₹98,000 during the Financial Year 2025-26, to Mr. Monty, a non-resident for providing web based lectures.

**ANSWER:**

Any person responsible for paying any sum chargeable to tax to a **non - resident** is liable to deduct tax at source at the rates in force.

Since Mr. Monty, a non-resident has provided **web based lectures** from outside India, income arising therefrom is not chargeable to tax in India as **no income is deemed to accrue or arise in India**. Thus, **no tax is deductible** at source on such payment to him.

Alternatively, it may be possible to take a view that income arising from web lectures may fall within the meaning of "Fees for technical services". If this view is taken, such income would be deemed to accrue or arise in India, since the services are utilised in India, even though they are rendered from outside India. Therefore, such income would be chargeable to tax in India in the hands of Mr. Monty, a non-resident. Thus, StudyKart, a trust registered u/s 12AB, is required to deduct tax at source under section 195.

- 10) On 31st December, 2025, Mr. Nitin, a resident individual whose gross turnover was ₹97 lakhs during the preceding previous year, paid ₹65 lakhs to Mr. Basant, a resident individual, as contract payment for repairing his office building.

**ANSWER:**

Since Mr. Nitin's turnover **does not exceed ₹1 crore** in the P.Y.2024-25, TDS provisions u/s **194C** are **not attracted** in respect of payment made in the P.Y, 2025-26 to Mr. Basant, a resident individual, for repairing his office building. However, tax is required to be deducted at source **@2% u/s 194M**, on the payment of ₹65,00,000, since such amount **exceeds ₹50 lakhs**. Therefore, tax deducted at source would be ₹1,30,000, being 2% of ₹ 65,00,000.

- 11) Mr. Soham purchased licensed copy of computer software from the software vendor (resident of India) along with all right to use it for ₹80,000 to be used for business purposes.

**ANSWER:**

As per Explanation 4 to section 9(1)(vi), consideration for transfer of all or any right to use of computer software (including granting of a licence) would **fall within the meaning of "royalty"**.

Tax deduction at source @10% under **section 194J** would be attracted where the amount of royalty **exceeds ₹ 50,000**.

However, an **individual/HUF** [whose turnover in preceding year **does not exceed ₹1 crore**, in case of a business or ₹50 L, in case of a profession] is **not required to deduct tax** at source under section 194J on the sum paid by way of royalty, even if it exceeds ₹50,000. Therefore, Mr. Soham, being an individual, is required to deduct tax at source u/s 194J on the amount of ₹80,000 paid towards purchase of licensed copy of computer software [if his **turnover** in preceding year **exceeds ₹1 crore**].

- 12) X is a bookmaker and Mr. B is a punter.  
On 22-09-2025, B has won ₹5,000 in a Horse Race 1.  
On 12-01-2026, B has won ₹8,000 in a Horse Race 2 and suffered a loss of ₹2,000 in Horse Race 3.

**ANSWER:**

As per **sec. 194BB**, any person who is responsible for paying any income by way of winnings from **horse race** is liable to deduct tax @30% if the winnings per transaction **exceeds ₹10,000**.

Thus, in the present case, Mr. X is not liable to deduct TDS because the amount per winning is not more than ₹ 10,000 on both the dates.

- 13) AKL Ltd., a third-party administrator on behalf of an Insurance Company has settled medical bills of ₹5,00,000 on 31.10.2025 submitted by Kay Hospitals Ltd. from a patient under a cashless scheme.

**ANSWER:**

As per **section 194J**, every person, who is responsible for paying to resident any sum by way of fees for **professional services exceeding ₹50,000** shall deduct tax at source at the rate of **10%** at the time of credit to the account of payee or at the time of payment, whichever is earlier.

"Professional services" include services rendered by a person in the course of carrying on **medical profession**.

The **CBDT** has clarified that since the services rendered by hospitals to various patients are **primarily medical services**, TPAs (Third Party Administrator's), who are making payment on behalf of insurance companies to hospitals for settlement of medical/insurance claims etc. under various schemes including cashless schemes are liable to deduct tax at source on all such payments to hospitals etc.

Thus, AKL Ltd., a **TPA is liable to deduct tax** of ₹50,000, being 10% of ₹5,00,000 from the payment made to Kay Hospitals Ltd.

- 14) ₹19,50,000 credited to the account of Digitech Studios (a P. Firm) on 31.03.2026 by Star-TV, Television channel, towards part consideration for shooting of Tele Episode for 10 weeks as per the storyline, contents and specifications of Star TV channel.

**ANSWER:**

Shooting of Tele Episode for Star-TV as per the storyline, contents and **specifications of Star-TV** falls within the scope of "work" under **section 194C**. Since the amount credited exceeds the specified limit of ₹30,000, **TDS@2%** under section 194C is attracted on amount credited to the account of Digitech Studios, a partnership firm. Amt of TDS = ₹39,000 [2% of ₹19,50,000].

- 15) X Ltd. is a producer of natural gas. During the year, it sold natural gas worth ₹20,50,000 to M/s Hawa Co., a partnership firm. It also incurred ₹2,00,000 as freight for transportation of gas. It raised the invoice and clearly bifurcated the value of gas as well as the transportation charges.

**ANSWER:**

**TDS u/s 194C** is attracted on “**works contract**”. Purchase of natural gas from X Ltd. [including transportation] is a '**contract for purchase of goods**' [not a works contract]. The manner of raising the bill (whether the transportation charges are included in the cost of gas or shown separately) does not alter the basic nature of such contract. Therefore, in such circumstances, **TDS provisions** under section 194C are **not applicable**.

**TDS u/s 194Q** is attracted when the buyer of the goods [with turnover is preceding year exceeding ₹10 crores] **purchases** goods of **more than ₹50 lakhs**. Since the purchase does not exceed ₹ 50 lakhs in the given case, TDS u/s 194Q is also **not applicable**.

- 16) An Indian company pays gross salary including allowances and monetary perquisites amounting to ₹7,30,000 to its General Manager. Besides, the company provides non-monetary perquisites to him whose value is estimated at ₹1,20,000. General Manager is opting out of the provisions of Section 115BAC.

**ANSWER:**

|                                                       | ₹               |
|-------------------------------------------------------|-----------------|
| Gross salary [incl allowances & monetary perquisites] | 7,30,000        |
| Non – Monetary perquisites                            | 1,20,000        |
|                                                       | 8,50,000        |
| <u>Less:</u> Standard deduction                       | - 50,000        |
| <b>Taxable Salary</b>                                 | <b>8,00,000</b> |
| <b>Tax liability</b>                                  | <b>75,400</b>   |

The company is liable to deduct ₹75,400 at source from the salary of the General Manager. If the company bears the tax on non-monetary perquisites i.e. \*9.425% of ₹1,20,000 i.e. ₹11,310 then the amount of TDS would be ₹ 64,090 [75,400 – 11,310]

\* Average rate of tax (₹75,400/ ₹8,00,000 x 100) = 9.425%

- 17) ABC Ltd. took on sub-lease a building from Jeet, an individual, with effect from 1.9.2025 on a rent of ₹40,000 per month. It also took on hire machinery from Jeet with effect from 1.10.2025 on hire charges of ₹20,000 per month. ABC Ltd. entered into two separate agreements with Jeet for sub-lease of building and hiring of machinery.

**ANSWER:**

As per **section 194-I**, the rate of TDS is 2% for rent of plant, machinery and equipment and 10% for land, building and furniture. TDS under this section is applicable if rent exceeds ₹50,000 p.m.

The **limit of ₹ 50,000 p.m.** for TDS u/s 194-I will apply to the **aggregate rent of all the assets**. Even if two separate agreements are entered into, one for sub-lease of building and another for hiring of machinery, rent and hire charges under the two agreements must be aggregated for the purpose of application of the threshold limit of ₹ 50,000 p.m. In this case, since the payment for rent and hire charges aggregates to ₹60,000 p.m. (₹ 40,000 + ₹20,000), tax is deductible at source u/s 194-I @10% on rent of ₹40,000 p.m. (rent of building) and @2% on hire charges of ₹20,000 (hire charges of machinery).

- 18) Miss Tara, resident individual aged 32 years, is a social media influencer. She makes videos reviewing various electronic items and posts those videos on social media. On 1st December 2025, XYZ Ltd., an Indian company manufacturer of electric cars gave her a brand-new car having fair market value of ₹ 6 lakhs to promote on her social media page. She used that car for 7 months for her personal purposes, recorded a video reviewing the car and then returned the car to the company.

**ANSWER:**

Under **section 194R**, the person who is responsible for providing to a resident, any benefit or perquisite whether convertible into money or not, arising from business or the exercise of a profession by such resident, has to first ensure deduction of tax @ **10%** of the value of such **benefit or perquisite**, if the same **exceeds ₹ 20,000**.

However, in case of benefit or perquisite being a product like car, mobile etc. if the product is returned to the manufacturing company after using for the purpose of rendering service, then it **will not be treated as a benefit/perquisite** for the purposes of section 194R.

Accordingly, in the present case, since Miss Tara has returned the car to XYZ Ltd., TDS provisions under section 194R would **not apply**.

→ **Mr. Akhil:**

Mr. Akhil, an Indian citizen got a job offer from M/s Wellbeing Inc., a Dubai based company of AED 10,500 per month. He left for Dubai on 29.3.2025 and joined M/s Wellbeing Inc. on 1st April 2025. He came to India on 15.12.2025 on a leave for 15 days. On 23.12.2025, he went on 7 days tour to Bali with his wife and son. Thereafter, he directly went to Dubai with his wife and son.

On 16.12.2025, he purchased a tour package for Bali from Make Your Trip, an Indian tour operator for which he paid ₹ 7,50,000 towards flight tickets and hotel accommodation.

During F.Y. 2025-26, he has business income of ₹ 4,20,000 from a retail shop in India and interest on fixed deposit and savings account with Canara Bank of ₹ 1,20,000 and ₹ 8,000, respectively. He is not liable to pay any tax in Dubai. Assume 1 AED = ₹ 23.

From the information given above,

- 1) Calculate the amount of tax required to be collected by HDFC bank and Axis Bank.
- 2) Is tax required to be collected at source on the amount remitted for tour package to USA by Mr. Sahil? If so, what is the amount of tax to be collected?
- 3) Is Make Your Trip required to collect tax at source on the amount received for tour package to Bali from Mr. Akhil? If so, what is the amount of tax to be collected?
- 4) What would be the amount of the tax liability (computed in the most beneficial manner) of Mr. Akhil for the A.Y.26-27?

**ANSWER:**

- 1) Date wise remittance

Co-op. society regularly files its return of income. However, Mr. Arjun has not filed his return for the last 3 years.

Would cash withdrawals by Mr. Arjun and XYZ Co-operative society during the P.Y. 2025-26 attract deduction of tax at source? If yes, how much tax would be deductible by ABC bank?

- (a) Yes; ₹ 1,85,000 and ₹ 3,96,000, respectively  
 (b) Yes; ₹ 1,85,000 and ₹ 5,56,000, respectively  
 (c) Yes; ₹ 10,000 and ₹3,96,000, respectively  
 (d) ₹ 1,85,000 in respect of cash withdrawals by Mr. Arjun and no tax is required to be deducted from cash withdrawals by the co-operative society.

**ANSWER:**

In case of Arjun (non-filer), TDS u/s 194N is calculated as follows:

| Cash Withdrawal        |       | TDS % | TDS (₹)         |
|------------------------|-------|-------|-----------------|
| Upto 20 L              | 20 L  | 0%    | Nil             |
| Above 20 L up to 1 Cr. | 80 L  | 2%    | 1,60,000        |
| Above 1 Cr.            | 5 L   | 5%    | 25,000          |
|                        | 105 L |       | <b>1,85,000</b> |

In case of XYZ Co-op Sty, TDS u/s 194N = 2% of cash withdrawal in excess of 3 crores i.e. **NIL** (total withdrawal is 2.98 cr.).

**QUESTION 9:**

Mr. Sunil took an education loan of ₹ 11 lakhs on 1.7.2025 from State Bank of India, Mumbai, for his son's MBA from University of Oxford, UK and remitted the said amount through the same bank, which is an authorised dealer, under the Liberalised Remittance Scheme of RBI (LRS).

He, further, remitted ₹ 2 lakhs on 15.10.2025 to his son for his personal expenditure, out of his personal savings, through Bank of India, Mumbai which is also an authorised dealer, under LRS.

Mr. Sunil also remitted ₹ 6 lakhs on 28.3.2026, out of his personal savings, under LRS through Union Bank of India, Mumbai, for his sister's medical treatment in London.

Mr. Sunil has furnished undertaking containing the details of earlier remittance to Bank of India and Union Bank of India.

What is the amount of TCS from Mr. Sunil ?

**ANSWER:**

→ Date wise remittance

| Date     | Amount    | Dealer | Amt of TCS               |
|----------|-----------|--------|--------------------------|
| 1/7/25   | 11,00,000 | SBI    | Nil = (11 L – 10 L) x 0% |
| 15/10/25 | 2,00,000  | BOI    | 40,000 (2,00,000 x 20%)  |
| 23/3/26  | 6,00,000  | UBI    | 30,000 (6,00,000 x 5%)   |

Total amount of TCS payable by Sunil = ₹ 70,000

**QUESTION 10:**

Poker Star is an online gaming platform. Mr. Avinash is a user of this portal and he has a credit balance of ₹1,00,000 in his user account as on 1/4/2025.

On 10.04.2025, he deposited ₹5,00,000 to play online games. On 25.05.2025, he earned referral bonus of ₹2,00,000 (withdrawable) and joining bonus of ₹3,00,000 (not withdrawable).

On 05.12.2025, he further deposited ₹10,00,000 in his user account.

Winnings during the year:

- ₹10,00,000 on 24.07.2025
- ₹60,00,000 on 19.11.2025

Loss during the year:

- ₹2,00,000 on 29.07.2025
- ₹3,00,000 on 10.02.2026

On 17.10.2025, he withdrew ₹11,00,000 and on 12.12.2025, he withdrew ₹40,00,000.

Compute the amount of applicable TDS u/s 194BA.

DOUBLE TAXATION

QUESTION 1:

Mr. Ravi, an individual resident in India aged 45 years, furnishes you the following particulars of income earned in India, Foreign Countries "S" and "T" for the previous year 2025-26.

Particulars	₹
<u>Indian Income:</u>	
Income from business in Mumbai	4,40,000
Interest on savings bank with ICICI Bank	42,000
<u>Income in Foreign Country "S":</u> (Rate of Tax – 16%)	
Agricultural income in Country "S"	94,000
Royalty from a book on art from Country "S"	7,80,000
Expenses incurred for earning royalty	50,000
<u>Income in Foreign Country "T":</u> (Rate of tax – 20%)	
Dividend from a company in Country "T"	2,65,000
Rent from a house situated in Country "T" (Gross)	3,30,000
Municipal Tax paid in respect of the above house (not allowed as deduction in Country "T")	10,000

Compute the total income and tax payable by Mr. Ravi in India for A.Y. 2026-27 assuming that India has not entered into double taxation avoidance agreement with Countries S & T. Mr. Ravi has opted to shift out of default tax regime.

ANSWER:

STATEMENT OF TOTAL INCOME

Particulars	Amt.
* <u>Income from Salaries</u>	Nil
* <u>Income from House Property – Country "T":</u> Rent 3,30,000 – M.Tax 10,000 – 30% Std dedn.	2,24,000
* <u>Income from Business</u> Business in India	4,40,000
* <u>Capital Gains</u>	Nil
* <u>Income from Other Sources:</u>	

CA SHIRISH VYAS / CA FINAL / DIRECT TAX

→ Interest on savings bank with ICICI Bank	42,000
→ Agricultural income in Country "S"	94,000

- (iv) Dividend from shares held in Country 'A' where dividend was declared and paid in March, 2026 = USD 10,000;
- (v) Short term capital gain of USD 5,000 on sale of shares of companies registered in Country 'A' and sale proceeds were credited in bank account outside India on 28.03.2026.

India has DTAA with Country 'A' and the tax paid in Country 'A' is eligible for tax credit in India. The fiscal year for income-tax is the same both in India and Country 'A'. Rate of tax is 20% in Country 'A' in respect of all incomes. Income-tax was paid by Mahesh on 25.05.2026 for the incomes of the year ended 31st March 2026 in Country 'A'.

Compute the total income and net tax liability of Mahesh for the A.Y. 2026-27. Assume Mahesh pays tax under section 115BAC.

The TT buying rate of 1 USD on various dates:

- 29.02.2026 = ₹ 70;
- 28.03.2026 = ₹ 70.50;
- 31.03.2026 = ₹ 71;
- 30.04.2026 = ₹ 72; and
- 25.05.2026 = ₹ 73.

Note 1:

Since India has DTAA with Country "A", the assessee will get bilateral relief u/s 90 as follows:

- 1) Doubly Taxed Income x Avg. Indian Tax Rate
 = Rent 2,01,285 Net + Bus. Income 17,75,000 + CG 3,50,000 + Dividend 7,00,000 = 30,26,285 x *25.44 % = ₹ 7,69,887
- 2) Actual tax paid in Foreign Country "A"
 = Rent 4,500 Gross + Bus. Income 25,000 + CG 5,000 + Dividend 10,000 = \$ 44,500 x 20% x ₹ 72 = ₹ **6,40,800**

*Avg. Indian Tax Rate = Total Tax / Net Taxable Income
 = 13,76,675/54,11,290 = 25.44 %

Rule 115 of Income Tax Rules, 1962:

Rate of exchange for conversion [income in foreign currency]

	Buying rate	
Income from salaries	Month end rate	Preceding the month in which salary is due
Income from HP	Year end rate

IFOS (Other incomes)	Year end rate	

Foreign tax paid is converted at the buying rate of the end of the month **preceding the month** in which **tax is paid** in foreign.

QUESTION 4:

Mr. Sameer is a performing musician, resident of India. He has following income for year ended 31-3-2026.

He is eligible for basic exemption limit of \$ 2,000 in Country "A" and on balance income, he paid income tax @20% in Country "A".

Compute the total income and tax payable by Mr. Sameer in India for A.Y. 2026-27 assuming that India has not entered into double taxation avoidance agreement with Countries A & B.

Mr. Sameer has opted to shift out of default tax regime.

Question 5:

Arif is a resident of both India and another foreign country in the previous year 2025-26. He owns immovable properties (including residential house) in both the countries.

He earned income of ₹50 lacs from rubber estates in the foreign country during the financial year 2025-26.

He also sold some house property situated in foreign country resulting in short-term capital gain of ₹10 lacs during the year.

Arif has no permanent establishment of business in India. However, he has derived rental income of ₹6 lacs from property let out in India and he has a house in Lucknow where he stays during his visit to India.

Article 4 of the Double Taxation Avoidance Agreement between India and the foreign country where Arif is a resident, provides that *"where an individual is a resident of both the Contracting States, then, he shall be deemed to be resident of the Contracting State in which he has permanent home available to him. If he has permanent home in both the Contracting States, he shall be deemed to be a resident of the Contracting State with which his personal and economic relations are closer (centre of vital interests)"*.

You are required to examine with reasons whether the business income of Arif arising in foreign country and the capital gains in respect of sale of the property situated in foreign country can be taxed in India.

Answer:

Section 90(1) of the Income-tax Act, 1961 empowers the Central Government to enter into an agreement with the Government of any country outside India for avoidance of double taxation of income under the Indian law and the corresponding law of that country. Section 90(2) provides that where the Central Government has entered into an agreement with the Government of any other country for granting relief of tax or for avoidance of double taxation, then, in relation to the assessee to whom such agreement applies, the provisions of the Income-tax Act, 1961 shall apply to the extent they are more beneficial to that assessee.

Arif has residential houses both in India and foreign country. Thus, he has a permanent home in both the countries. However, he has no permanent establishment of business in India. The Double Taxation Avoidance Agreement (DTAA) with foreign country provides that where an individual is a resident of both the countries, he shall be deemed to be resident of that country in which he has a permanent home and if he has a permanent home in both the countries, he shall be deemed to be resident of that country, which is the centre of his vital interests i.e. the country with which he has closer personal and economic relations.

Arif owns rubber estates in a foreign country from which he derives business income. However, Arif has no permanent establishment of his business in India. Therefore his personal and economic relations with foreign country are closer.

Accordingly, he shall be deemed to be resident of the foreign country for A.Y. 2026-27.

Therefore, in this case, **Arif is not liable to income tax in India** for assessment year 2026-27 **in respect of business income and capital gains arising in the foreign country** provided he furnishes the Tax Residency Certificate and provides such other documents and information as may be prescribed.

QUESTION 6:

Mr. Ram, a citizen of USA, resides in San Jose in USA since 2008. He is a non-resident since Assessment Year 2008-09. He works for X Inc., a US based company. He came to India on 10th January, 2025, to visit his aged parents. He could return back on only 31st Jan., 2026. He was permitted to work from home in India by his employer. The details of his earnings and withholding tax during the said period is as given below: (All figures in US \$)

Nov 2025	6250	1600	420	420	72
Dec 2025	6250	1600	420	420	72
Jan 2026	6250	1600	420	420	72

He has also earned Fixed Deposit Interest in USA on 30.9.2025 US \$200 (Tax deducted US \$ 20) and on 31.3.2026 US \$ 220 (Tax Deducted US \$ 22)

As per Article 2 of the DTAA, the taxes covered for credit are Federal Income Taxes imposed by Internal Revenue Code but excluding Social Security Taxes.

Return of Income for Assessment Year 2026-27 was filed on 25th August, 2026. You are required to:

1. Compute tax payable, if any, by Mr. Ram as per sec. 115BAC.
2. Advise Mr. Ram the procedure involved to claim Foreign Tax Credit.

ANSWER:

1) Mr. Ram is a **resident** for A.Y. 2026-27, since his **stay in India** is for a period of **306 days** in the P.Y. 2025-26. Therefore, he satisfies the condition of stay in India for a period of 182 days or more for being treated as a resident.

However, he is a “not ordinarily resident” in India –

- Since his stay in India in the **preceding 7 PYs** is only **81 days** (i.e. less than 730 days).
- Since he is a **non-resident in all preceding 10 PYs**.

Accordingly, he is a resident but **not ordinarily resident** in India for A.Y. 2026-27.

In case of a resident but not ordinarily resident, only income which accrues in India or which is received in India would be taxable in India. Income which accrues outside India would be taxable in India only if it is derived from a business controlled in India.

Since Ram renders service in India, income from salaries for the period from 1st April, 2025 to 31st January, 2026 would be deemed to accrue or arise to him in India and would be taxable in his hands.

Since his period of stay in India in the P.Y. 2025-26 exceeds 90 days, he would not be eligible for exemption u/s 10(6)(vi) in respect of remuneration received as an employee of a foreign enterprise for services rendered by him during his stay in India.

QUESTION 7:

Nandini, an individual resident retired employee of the Prasar Bharti aged 60 years, is a well-known dramatist deriving income of ₹ 1,10,000 from theatrical works played abroad. Tax of ₹ 11,000 was deducted in the country where the plays were performed. India does not have any Double Taxation Avoidance Agreement under section 90 of the Income Tax Act, 1961, with that country. Her income in India amounted to ₹7,10,000. In view of tax planning, she has made specified investments for which she is eligible for deduction of ₹1,50,000 under section 80C. Compute the tax liability of Nandini for the AY 2026-27 as per old regime.

ANSWER:

STATEMENT OF TOTAL INCOME

# BLACK MONEY ACT

---

## **QUESTION 1:**

Ravinder, an Indian citizen, left India and settled in UK from 10.4.2018. He had never left India previously since April, 2010. He acquired a house property for ₹ 80 lakhs in his name in the financial year 2015-16 at Malaysia. Out of the investment of ₹ 80 lakhs, ₹ 55 lakhs was assessed to tax in India.

The Assessing Officer came to know of this in March, 2026 based on the investigation made by Enforcement Directorate in some other person's case. The value of the house property on 1.4.2025 was ₹ 120 lakhs.

The Assessing Officer issued a notice u/s 10 of the Black Money and Imposition of Tax Act, 2015 on 27.3.2026.

Mr. Ravinder's counsel contended that since Mr. Ravinder is not a resident in the financial year 2025-26, a notice under section 10 could not be issued to him.

- (i) Is the issue of notice on Ravinder u/s 10 of the Black Money Act, 2015 tenable in law? Examine.
- (ii) Is there any time limit for initiating proceedings under Black Money Act ?
- (iii) What is the value of undisclosed asset (house property located in Malaysia) in the hands of Mr. Ravinder for the purpose of Black Money Act, 2015?

## **ANSWER:**

- (i) Every assessee would be liable to **tax @30%** in respect of his **undisclosed foreign income and asset** of the previous year. Undisclosed foreign asset is taxable in the previous year in which the **A.O. comes to know**.

The term "assessee" defined under section 2(2) of the Black Money Act includes a person being:

→ a **Resident** in India in the relevant PY; or

→ a **NR** or **NOR** in the relevant PY, who **was resident** in India in the PY in which the undisclosed **foreign asset was acquired**.

Since Mr. Ravinder left India and settled in United Kingdom from 10.4.2018 and has not visited India at any time thereafter, he would be non-resident in India in the previous year 2025-26 in which notice is issued. However, he was **resident and ordinarily resident in India** in the **P.Y. 2015-16** when he acquired the property at Malaysia.

Accordingly, the **issue of notice** on Mr. Ravinder under section 10 of the Black Money Act, 2015, is **tenable in law**.

- (ii) There is no time limit for initiating proceedings under Black Money Act.
- (iii) Value of house property in Malaysia:
  - = FMV as on the valuation date (1/4/2025) – **Proportionate amount of taxed income** utilised to purchase such property
  - = ₹ 120 lakhs – [120 x 55/80]
  - = ₹ 120 lakhs – ₹ 82.50 lakhs
  - = ₹ 37.50 lakhs

**QUESTION 2:**

Mr. Sahil is a resident of India. He bought an apartment in Dubai in 1988 for ₹ 10 lakhs out of undisclosed sources. This apartment was sold on 5<sup>th</sup> June 2024 for ₹ 30 lakhs (FMV as on 5<sup>th</sup> June 2024 was ₹ 40 lakhs). Sale proceeds of ₹ 12 lakhs was deposited in his undisclosed savings bank account in Abu Dhabi. Other deposits in this bank account since the date of opening the account amounted to ₹ 33 lakhs which includes a deposit of ₹ 5 lakhs on 12/7/2022 which was withdrawn from this same account on 5/7/2022.

Compute the tax payable under Black Money Act, 2015 assuming above assets comes to the notice of A.O. on 18<sup>th</sup> October 2025?

**ANSWER:**

Compute the value of undisclosed foreign asset chargeable to tax in the hands of Deepak as per Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015.

**ANSWER:**

Every assessee would be liable to **tax @30%** in respect of his **undisclosed foreign income and asset** of the previous year.

Undisclosed foreign asset is taxable in the previous year in which the **A.O. comes to know**.

The term "assessee" defined under section 2(2) of the Black Money Act includes a person being:

→ a **Resident** in India in the relevant PY; or

→ a **NR** or **NOR** in the relevant PY, who **was resident** in India in the PY in which the undisclosed **foreign asset was acquired**.

Therefore, Deepak is an assessee under the Black Money Law since he was **resident in India** in the P.Y.2011-12, **when the property was acquired**, even though he is a non-resident in the P.Y.2025-26. Accordingly, the value of undisclosed asset located outside India of Deepak would be chargeable to be tax under the Black Money Law in the previous year in which such asset comes to the notice of the Assessing Officer i.e., P.Y 2025-26, even though he is a non-resident in India for that previous year.

Compute the tax payable under Black Money Act, 2015?

**ANSWER:**

Value of interest of Mithun Banerjee in Lilly LLP is chargeable to tax in India under the Black Money Act in the A.Y.2026-27, since these assets came to the notice of the A.O. in the P.Y.2025-26.

For computing the value of interest in Lilly LLP, market value as on valuation date, being value on 1<sup>st</sup> April of the previous year i.e., on 01.04.2025 is to be considered.

TAX AUDIT AND ETHICAL COMPLIANCES

QUESTION 1:

Sunlight & Co., a partnership firm engaged in trading of electronic goods, has a turnover of ₹ 265 lakhs for the F.Y. 2025-26. Examine whether Sunlight & Co. is required to get its books of account audited mandatorily as per section 44AB from the information given below –

	Particulars	₹
(i)	Total turnover of F.Y.2025-26	2,65,00,000
(ii)	Aggregate of all receipts during the year (including amount received for turnover mentioned in (i) above)	3,25,00,000
(iii)	Cash receipts out of (i) above	14,00,000
(iv)	Cash receipts out of (ii) above (This is inclusive of the figure mentioned in (iii) above)	16,00,000
(v)	Aggregate of all payments during the year	1,35,00,000
(vi)	Cash payments out of (v) above	6,95,000

Would your answer change if the cash receipts indicated in (iii) is ₹ 13 lakh instead of ₹ 14 lakh?

ANSWER

As per section 44AB, every person carrying on business or profession is required to get his accounts audited before the "specified date" by a Chartered Accountant, if the total sales, turnover or gross receipts in business exceeds ₹ 1 crore in any previous year.

However, tax audit is not required in case of such person carrying on business whose total sales, turnover or gross receipts in business \leq ₹ 10 crore in the relevant previous year (P.Y.), if:

- aggregate cash receipts including amount received for sales, turnover, gross receipts in the relevant previous year \leq 5% of such receipts; and
- aggregate cash payments including amount incurred for expenditure in the relevant P.Y. \leq 5% of such payments or

In this case, the turnover of Sunlight & Co. exceeds ₹ 1 crore but does not exceed ₹ 10 crore. Accordingly, it has to be seen whether cash receipts exceed 5% of aggregate receipts and cash payments exceed 5% of aggregate payments, to determine whether tax audit is compulsory.

In this case, the percentage of cash receipts of ₹ 16 lakhs to aggregate receipts of ₹ 325 lakhs is 4.92% and the percentage of cash payments to aggregate payments is 5.14%.

Since the cash payments made during the year exceed 5% of aggregate payments, the firm is required to get its accounts audited under section 44AB and furnish audit report before the specified date, irrespective of the fact that its turnover does not exceed ₹ 10 crores and its cash receipts do not exceed 5% of total receipts.

It may be noted that, in this case, Sunshine & Co. cannot declare profits as per the presumptive provisions of section 44AD, since the percentage of turnover receipts in cash of ₹ 14 lakhs to the total turnover of ₹ 265 lakhs is 5.28%.

If the cash receipts indicated in (iii) is ₹13 lakhs instead of ₹14 lakhs, the percentage of turnover receipts in cash of 13 lakhs to the total turnover of ₹265 lakhs would be 4.91%. In such a case, Sunshine & Co. can declare profits as per the presumptive provisions of section 44AD, in which case, it need not get its books of account audited under section 44AB.

QUESTION 2

Mr. Abhinav Ahuja runs a travel agency business since the year 2010. His total commission receipts for the F.Y. 2025-26 is 287 lakhs. The details of receipts and payments made by him during the year 2025-26 are as follows:

Payments		
Aggregate all payments made during the P.Y. 25-26	2,58,00,000	
Amount incurred for expenditure in cash (not exceeding ₹10,000 per person in each case)	20,58,000	

Mr. Abhinav contended that he is not required to get his accounts audited since his turnover does not exceed ₹ 3 crores and he is eligible to declare his income as per presumptive provisions of section 44AD. Examine the contention of Mr. Abhinav Ahuja.

ANSWER

As per section 44AB, every person inter alia carrying on business or profession is required to get his accounts audited before the "specified date" by an accountant, if total sales, turnover or gross receipts in business exceeds ₹1 crore in any previous year.

However, tax audit is not required in case of such person carrying on business whose total sales, turnover or gross receipts in business \leq ₹10 crore in the relevant previous year (P.Y.), if -

- aggregate cash receipts including amount received for sales, turnover, gross receipts in the relevant previous year \leq 5% of such receipts; and

- aggregate cash payments including amount incurred for expenditure in the relevant P.Y. \leq 5% of such payments or

As per section 44AD, a resident individual, HUF or Partnership firm (but not LLP) engaged in eligible business whose total turnover/gross receipts in the P.Y. < ₹ 200 lakhs (where cash receipts do not exceed 5% of total turnover, higher threshold limit of ₹300 lakhs applicable) can declare 8%/6%, as the case may be, of total turnover/sales/gross receipts. However, a person carrying on any agency business are not eligible for presumptive provisions of section 44AD. In the present case, since Mr. Abhinav Ahuja is carrying on travel agency business, he is not eligible for presumptive provisions of section 44AD, though his turnover does not exceed ₹ 3 crores.

In this case, the turnover of Mr. Abhinav Ahuja exceeds ₹1 crore but does not exceed ₹10 crore. Accordingly, it has to be seen whether cash receipts exceed 5% of aggregate receipts and cash payments exceed 5% of aggregate payments, to determine whether tax audit is compulsory. During the P.Y. 2025-26, his cash receipts are ₹13,35,000 plus ₹ 52,500 totalling to ₹13,87,500, which is 4.83% of total receipts of ₹ 2,87,00,000. Cash payments made during the P.Y. 2025-26 are 20,58,000 which is 7.98% of aggregate payments of ₹ 2,58,00,000. Since his cash payments during the P.Y. 2025-26, exceed 5% of aggregate payments made during the year, he is required to get the accounts audited under section 44AB.

QUESTION 3

ABC Ltd. is engaged in transportation of building material and transportation of goods to contractor It made payment for hiring dumpers for this purpose. The company has not deducted tax at source on the ground that since the payment was for transportation of goods and not renting out machinery and equipment, such payments could not be termed as rent paid for use of machinery under section 194-I and hence, no tax was deductible at source.

The tax auditor is, however, of the view that the transactions being contracts for shifting of goods from one place to another would be covered under works contracts, thereby attracting the provisions of section 194C. He relied upon the Gujarat High Court ruling in CIT (TDS) v. Shree Mahalaxmi Transport Co. (2011) 339 ITR 484.

What is the reporting responsibility of the tax auditor in such a case and the consequent ethical implications? Examine.

ANSWER

In clause 34(a) of Form 3CD, the tax auditor is required to report whether the assessee is required to deduct TDS or collect TCS and if yes, to furnish the details mentioned thereunder. While answering the issue of applicability of the provisions of TDS or TCS, a number of debatable issues may arise before the assessee as well as the tax auditor. The tax auditor may have a difference of opinion with regard to the applicability of the provisions of TDS/TCS on a particular payment. In such a case, the tax auditor has to report the difference of opinion appropriately as an observation in Form 3CA. This requirement is contained in the Guidance Note on Tax Audit. Also, in clause 21(b)(ii) of Form 3CD, the amount inadmissible under section 40(a) has to be mentioned.

In case the tax auditor does not comply with the reporting requirements under these clauses and fails to mention the difference of opinion appropriately as an observation in para 3 of Form 3CA, clause (7) of Part I of the Second Schedule to the Chartered Accountants Act, 1949 for not exercising due diligence may be invoked.

QUESTION 4

A search was conducted u/s 132 of the Income-tax Act, 1961 in the case of LMN Jewellers (P) Ltd., a gold jewellery retail chain. As part of the post search enquiries, data from the billing software was analysed. On analysis of this data, it was found that the company was involved in violation of section 40A(3) in a major way to the tune of 20 crores in the purchase of old gold.

In order to verify the findings culled from digital data, some of the customers whose whereabouts were available from computer records were contacted and their statements were recorded under oath. These customers admitted under oath that they had sold old gold and received the amounts (all exceeding 10,000) in cash. The fact which emerged from the enquiries is that LMN Jewellers (P) Ltd. purchase old gold and make payments for these purchases in cash, even if they exceed ₹ 10,000. However, the tax auditor had mentioned "Yes" in response to the statement in sub-clause (A) of Clause 21(d) on whether the expenditure covered under section 40A(3) read with Rule 6DD were made by account payee cheque drawn on a bank or account payee bank draft. The tax auditor

submitted that standing instructions were given by the management of the entity to the employees to make payments above ₹ 10,000 only through account payee cheques and/or bank drafts or other permissible electronic modes; and copy of these instructions were verified by him. He further submitted that he had also taken a representation from the Management that net payment in cash to any person in a day did not exceed ₹10,000. Also, he mentioned that the test checks conducted by him did not reveal any violation.

Examine the ethical implications in this case and the consequences thereof.

ANSWER

As per section 40A(3), where the assessee incurs any expenditure, in respect of which payment or aggregate of payments made to a person in a day otherwise than by an account payee cheque, draft or ECS exceeds ₹ 10,000, such expenditure shall not be allowed as a deduction.

Clause 21(d) of Form 3CD requires the tax auditor to report, on the basis of the examination of books of account and other relevant documents/evidence, whether the expenditure covered under section 40A(3) read with rule 6DD were made by account payee cheque drawn on a bank or account payee bank draft; and if not, to furnish details mentioned thereunder, namely, date of payment, nature of payment, amount etc.

The Guidance Note on Tax Audit issued by ICAI states that there may be practical difficulties in verifying whether each payment is made through account payee cheque or bank draft or ECS or other prescribed electronic modes. Where the reporting has been done on the basis of the certificate of the assessee, the fact has to be reported as an observation in para 3 of Form 3CA.

The tax auditor is required to point out in tax audit report, the violation of the provisions of section 40A(3) thereof involving expenditure to a person in a day exceeding ₹ 10,000 otherwise than by way of account payee cheque/bank draft, ECS and other prescribed electronic modes. However, in this case, the tax auditor has certified that there was no such instance, though such instances aggregate to a large quantum of ₹ 20 crores.

The tax auditor should have considered the nature of business i.e.,

jewellery business of the assessee and accordingly undertaken necessary checks to verify whether there are cash payments in violation of section 40A(3). He should have made use of the audit tools which are available to find out such payments expeditiously and accurately where the data is voluminous.

In this case, considering the nature of business of the assessee, namely, jewellery business, the onus was on the tax auditor to verify the same before reporting in Form 3CD. Mere reliance on certificate issued by the management is not acceptable in such a case. Also, even in a case where the reporting has been done on the basis of the certificate of the assessee, the fact has to be reported as an observation in para 3 of Form 3CA, which he had failed to do.

Thus, in the case, the tax auditor had failed to exercise due diligence in the conduct of his professional duties. He had also failed to obtain sufficient information which is necessary for expression of opinion. On account of such failure, clauses (7) and (8) of Part I of the Second Schedule to the Chartered Accountants Act, 1949 may be invoked.

QUESTION 5

X Ltd., an Indian company, paid interest of 95 lakhs to X Inc., a non-resident associated enterprise in the P.Y.2025-26 on loan borrowed from it. X Ltd. also obtained loan of ₹ 5 crore @10% p.a. on 1.4.2025 from Y Inc., a foreign company in which it holds 20% voting power. X Inc. deposits ₹ 2 crore with Y Inc. X Ltd. contends that the provisions of section 94B are not attracted in its case, since the interest paid to non-resident associated enterprise does not exceed ₹ 1 crore in the P.Y.2025-26. The tax auditor is, however, of the opinion that the interest of ₹20 lakh (i.e., 10% of ₹ 2 crore) also has to be considered for the purpose of section 94B. X Ltd. contends that X Inc. has not deposited a corresponding and matching amount of 5 crore with Y Inc, and hence, the provisions of section 94B will not be attracted in this case. Examine the reporting requirement, if any, of the tax auditor in this case.

ANSWER

Relevant provision of law - Section 94B provides that where the debt is issued by a lender which is not associated but an associated enterprise either provides guarantee to such lender or deposits a corresponding and matching amount of funds with the lender, such debt shall be deemed to have been issued by an associated enterprise. In this case, the debt issued by Y Inc. is ₹5 crore and the deposit made by the associated enterprise, X

Inc. with Y Inc. is ₹ 2 crore. Since the deposit is not of a matching amount, the X Ltd. contends that provisions of section 94B will not be attracted in respect of interest payable by it to Y Inc. The tax auditor is of the opinion that interest on ₹ 2 crore amounting to ₹ 20 lakhs will have to be considered for the purpose of section 94B. Accordingly, the interest payable/paid by X Ltd. to non-resident associated enterprises during the year would be ₹ 115 lakhs and hence, the provisions of section 94B would be attracted, since the same exceeds the threshold of ₹1 crore. This appears to be the legislative intent, since otherwise it is possible to escape the application of this provision by even by depositing a marginally lower amount than the loan taken.

Relevant clause of Form 3CD - Clause 30B(a) of Form 3CD requires the tax auditor to state whether the assessee has incurred expenditure during the previous year by way of interest or of similar nature exceeding one crore rupees as referred to in sub-section (1) of section 94B. Relevant paras of the Guidance Note on Tax Audit - As per para 18.6 of the Guidance Note on Tax Audit, the tax auditor may have a difference of opinion with regard to the particulars furnished by the assessee. These differences are to be reported in para 3 of Form No. 3CA or para 5 of Form 3CB. As per para 19.3, if there is any difference in the opinion of the tax auditor and that of the assessee in respect of any information furnished in Form No. 3CD by the assessee, the tax auditor may consider stating both the view points and also the relevant information related to matter in order to enable the tax authority to take a decision in the matter.

Therefore, the tax auditor has to report the difference of opinion appropriately as an observation in para 3 of Form No. 3CA or para 5 of Form No. 3CB as the case may be.

Accordingly, in this case, the tax auditor may state both the view points in Clause 30B as well as report the difference of opinion appropriately as an observation in para 3 of Form 3CA to enable the tax authority to take a decision in the matter.

QUESTION 6

XYZ & Co, a firm engaged in interior decoration business, employed 20 new employees on 1.4.2025 on a monthly salary of ₹ 25,000 to be paid by account payee cheque. In addition, each employee was entitled to 10% employer contribution to recognised provident fund. The employees were also entitled to transport allowance of ₹ 3,000 p.m. paid in cash. The gross total income of XYZ & Co. included profits and gains from business of ₹ 62 lakh.

The firm claimed deduction under section 80JJAA of ₹ 18 lakh, being 30% of ₹60 lakh (20 new employees x ₹ 25,000 p.m. x 12) on the basis of the report of the chartered accountant issued in Form 10DA. The same chartered accountant was also the tax auditor of the firm. The chartered accountant contended that "emoluments" do not include employer contribution to PF. Also, cash payments were not to be considered as "additional employee cost" for the purpose of section 80JJAA. Hence, only 25,000 p.m. per employee paid by account payee cheque has to be treated as additional employee cost. Since the same does not exceed the limit of ₹ 25,000 p.m. and the employees have been employed for more than 240 days in the P.Y.2025-26, the employees would qualify as "additional employees" for the purpose of deduction under section 80JJAA for A.Y.2026-27. Is his contention correct? Examine the ethical implications in this case.

ANSWER

Deduction under section 80JJAA is allowable to an assessee to whom section 44AB applies and whose gross total income includes any profits and gains derived from business, in respect of employment of new employees. The amount of deduction is 30% of additional employee cost incurred in the course of such business in the previous year, for three assessment years including the assessment year relevant to the previous year in which such employment is provided. "Additional employee cost" means the total emoluments paid or payable to additional employees employed during the previous year. However, in the case of an existing business, the additional employee cost shall be nil, if emoluments are paid otherwise than by an account payee cheque or account payee bank draft or use of ECS through bank account or other prescribed electronic mode.

"Emoluments" means any sum paid or payable to an employee in lieu of his employment by whatever name called but does not include, inter alia, contribution by employer to provident fund. "Additional employee" means an employee who has been employed during the previous year and whose employment has the effect of increasing the total number of employees employed by the employer as on the last day of the preceding year, but does not include, inter alia, an employee whose total emoluments are more than ₹ 25,000 p.m.

In this case, the contention of the chartered accountant that the emoluments do not include employer contribution to PF is correct. However, emoluments include ₹ 3,000 paid in cash by way of transport allowance to the employee. Hence, the total emoluments per employee is ₹ 28,000 p.m. Due to this reason, the 20 employees employed on 1.4.2025 will not qualify as "additional employees" for the purpose of deduction under section 80JJAA, since their total emoluments are more than ₹ 25,000 p.m. Hence, XYZ & Co. is not eligible for any deduction under section 80JJAA due to failure to fulfil the condition for being treated as an "additional employee". In this case, the chartered accountant has failed to ensure compliance with the condition stipulated for claim of deduction under section 80JJAA and has wrongly issued the report in Form 10DA certifying the deduction claimed by the assessee under section 80JJAA.

Also, clause 33 of Form 3CD requires section-wise details of deductions, if any, admissible under Chapter VIA. Here again, the tax auditor has to ensure that the assessee fulfils all the conditions specified in the section under which the deduction is claimed. However, in this case, the tax auditor has failed to do so.

On account of such failure, clause (7) of Part I of the Second Schedule to the Chartered Accountants Act, 1949 may be invoked.

QUESTION 7

The Income-tax department collected documents from ABC Bank which revealed that M/s. Alpha Travels and Consultancy Services (Alpha Travels) had remitted substantial amounts abroad. The documents collected include Form 15CB issued by the chartered accountant, list of passengers, copy of their passports, date of travel and invoice raised by the foreign party. On enquiring from the passengers and verifying their passports, it is found that they did not travel abroad during the dates mentioned in the documents. Further, the passengers denied any sort of transactions with Alpha Travels. The department, therefore, concluded that the amounts were remitted abroad on the basis of false invoices and for wrong reasons, leading to FEMA violations and that the Form 15CB issued by the chartered accountant facilitated such violations. During the nine-month period in question, the chartered accountant had issued 120 certificates in Form 15CB approximately involving remittances of 30 crores in favour of Alpha Travels.

The chartered accountant submitted that he had issued Form 15CB based on invoices produced by the company and verifying the KYC documents of the signatory to the invoices. He however, failed to bring on record the invoices. He further submitted that since he was not the statutory auditor of the company, he did not examine the books of account before issue of Form 15CB or conduct due diligence of its business activities. He had charged ₹ 3,000 per certificate. Mostly, the fees was collected in cash. Some part of the fee was credited to his bank account.

Examine the ethical implications in this case.

ANSWER

Form 15CB is a certificate of an accountant wherein he certifies that he has examined the agreement between the remitter and the beneficiary requiring such remittance as well as the relevant documents and books of account required for ascertaining the nature of remittance and for determining the rate of deduction of tax at source. The chartered accountant certifying the form undertakes to have verified the agreement between the remitter and the beneficiary as well as the relevant documents and books

of account to ascertain the nature of remittance and determine the rate of TDS. In this case, however, the chartered accountant mentioned that he had only verified KYC of signatory to invoice and the invoices thereof. He had not only failed to justify as to how verification of invoices was considered as sufficient compliance for certifying the forms but also failed to bring on record the said invoices. Thus, he failed to provide any basis on which he relied for issuing Form 15CB certificates to the company.

On account of such failure, clauses (7) and (8) of Part I of the Second Schedule to the Chartered Accountants Act, 1949 for failure to exercise due diligence in discharging his professional responsibilities and failure to obtain sufficient information may be invoked.

## **TAX PLANNING/EVASION/AVOIDANCE AND GAAR**

---

### **QUESTION 1**

A choice is made by a company by acquiring an asset on lease over outright purchase. The company claims deduction for lease rentals in case of acquisition through lease rather than depreciation as in the case of purchase of the asset. Would the lease rent payment, being higher than the depreciation be disallowed as expense under GAAR?

### **ANSWER**

This is a case of tax planning, through which Company chooses a legally permissible option to minimize its tax liability. It opts for leasing of an asset instead of an outright purchase. This is not a case of tax avoidance.

GAAR provisions would not apply in this case as the taxpayer merely makes a selection out of the options available to him.

### **QUESTION 2**

M/s. Highway Drive Limited incorporates a wholly owned subsidiary M/s. Highway Roads Limited in India during the F.Y. 2018-19. Its main business is to develop infrastructure facility and is eligible for deduction u/s 80-IA. Accordingly the company has claimed deduction u/s 80-IA for the A.Y. 2026-27.

- (i) Highway Roads Limited derives income other than income from developing infrastructure facilities and discloses such income as income from developing infrastructure facilities, thus enjoying the benefit u/s 80-IA.
- (ii) Highway Roads Limited purchases the supplies for the development of infrastructure facilities from M/s. Highway Drive Limited at a price lesser than the fair price, thus transferring the income of M/s. Highway Drive Limited to M/s. Highway Roads Limited and enjoying the benefit of section 80-IA on such income.

Can GAAR be invoked in both the instances mentioned above?

**ANSWER**

- (i) In the present case, Highway Roads Ltd. derives income other than income from developing infrastructure facilities and discloses such income as income from developing infrastructure facilities to avail benefit of deduction u/s 80-IA. This is a case of misrepresentation of facts by showing non-eligible income as income eligible for deduction u/s 80-IA. Hence, this is an arrangement of tax evasion and not tax avoidance.

Tax evasion, being unlawful, can be dealt with directly by establishing correct facts. GAAR provisions need not be invoked in such a case.

- (ii) In this case, there is a close connection between Highway Drive Limited, ineligible assessee and Highway Roads Ltd, an eligible assessee, since the eligible assessee is a wholly owned subsidiary of ineligible assessee. The purchase transaction has been arranged in such a way that it produces more than ordinary profits to the eligible assessee.

However, such tax avoidance is specifically dealt with through the provisions contained in section 80-IA(10). Further, if the aggregate of such transactions entered into in the relevant previous year exceed the threshold of ₹20 crore, domestic transfer pricing regulations under section 92BA would be attracted.

It is not the intention of the legislation to invoke GAAR in such situations. Hence, the Revenue need not invoke GAAR in such a case, though GAAR and SAAR can co-exist as per clarification given in the CBDT Circular.

**QUESTION 3**

Critically examine the following cases and discuss whether the provisions of General Anti-avoidance Rules (GAAR) can be invoked in these cases?

- (i) Diva Ltd., an Indian company has 2 manufacturing units, unit A in the Special Economic Zone (SEZ) and unit B in non-SEZ. Manufacturing activities are carried out in Unit B while unit A only does the packaging of the goods manufactured by unit B. In its books of accounts, it shows the manufacturing to be carried out in unit A and claims allowable deductions.
- (ii) Jeeva Ltd., an Indian company has 2 manufacturing units, unit C in the Special Economic Zone (SEZ) and unit D in non-SEZ. It transfers the goods manufactured by unit D to unit C at a price significantly lower than the market value of the goods and thus becomes eligible for higher deductions.

**ANSWER**

- (i) In the present case, Diva Ltd., an Indian company has 2 manufacturing units, unit A in the SEZ and unit B in non-SEZ. Though unit A only does the packaging of goods manufactured by Unit B, the company, in its books of account, shows the manufacture of goods by Unit B as manufacture of goods by unit A to enjoy exemption under section 10AA. This is a case of misrepresentation of facts by showing manufacture of non-SEZ unit as manufacture of SEZ unit. Hence, this is an arrangement of tax evasion and not tax avoidance.

Tax evasion, being unlawful, can be dealt with directly by establishing correct facts. GAAR provisions need not be invoked in such a case.

- (ii) In this case, goods manufactured by unit D, a non-SEZ unit, being a non-eligible business, are transferred to unit C, a SEZ unit, being an eligible business, at a price significantly lower than the market value of goods to claim higher deduction under section 10AA in respect of unit C.

As there is no misrepresentation of facts or false submissions, it is not a case of tax evasion. The company has tried to take advantage of tax provisions by diverting profits from non-SEZ unit to SEZ unit. However, this is not the intention of the legislation.

Such tax avoidance is specifically dealt with through the provisions contained in section 10AA(9), as per which provisions of section 80-IA(8) would get attracted in such a case. Further, if the aggregate of such transactions entered into in the relevant previous year exceed the threshold of 20 crore, domestic transfer pricing regulations under section 92BA would be attracted. Hence, the Revenue need not invoke GAAR in such a case, though GAAR and SAAR can co-exist as per clarification given in the CBDT Circular.

#### **QUESTION 4**

Y Tech Ltd. is a company resident of country C1. It enters into an agreement with Z Energy Ltd., an Indian company for setting up a power plant in India. It is a composite contract for an agreed price of US\$ 100 million. The payment has been split in the following parts as per separate agreements

- (i) US\$ 10 million for design of power plant outside India (payment for which is taxable at 10% on gross basis)
- (ii) US\$ 70 million for offshore supplies of equipment etc. (not taxable as no role is played by any PE in India. These are not subject to import duty)
- (iii) US\$ 20 million for local supplies and installation charges (taxable on net income basis)

It is found that the fair market value of offshore design is about USD 30 million; therefore, it is under invoiced. On the other hand, offshore supplies were over invoiced. The arrangement resulted in significant tax benefit to the taxpayer. Can GAAR be invoked in such a case?

**ANSWER**

The allocation of price to different parts of the contract has been decided in such a manner as to reduce tax liability of the foreign company in India. Both conditions for declaring an arrangement as impermissible are satisfied. (1) The main purpose of this arrangement is to obtain tax benefit; and (2) the transactions are not at arm's length. Consequently, GAAR may be Invoked and prices would be reallocated. However, determination of arm's length price should be based on transfer pricing regulations under the Act, if the enterprises are associated enterprises.

**QUESTION 5**

Under the provisions of a tax treaty between India and country F4, any capital gains arising from the sale of shares of Indco, an Indian company, would be taxable only in F4 if the transferor is a resident of F4 except where the transferor holds more than 10% interest in the capital stock of Indco. A company, A Ltd., being resident in F4, makes an investment in Indco through two wholly owned subsidiaries (K Ltd. and L Ltd.) located in F4. Each subsidiary holds 9.95% shareholding in the Indian Company, the total adding to 19.9% of equity of Indco. The subsidiaries sell the shares of Indco and claim exemption as each is holding less than 10% equity shares in the Indian company. Can GAAR be invoked to deny treaty benefit?

**ANSWER**

The above arrangement of splitting the investment through two subsidiaries appears to be with the intention of obtaining tax benefit under the treaty. Further, there appears to be no commercial substance in creating two subsidiaries as they do not change the economic condition of investor A Ltd. in any manner (i.e. on business risks or cash flow), and reveals a tainted element of abuse of tax laws. Hence, the arrangement can be treated as an impermissible avoidance arrangement by Invoking GAAR. Consequently, treaty benefit would be denied by ignoring K and L, the two subsidiaries, or by treating K and L as one and the same company for tax computation purposes.

**QUESTION 6**

Examine whether General Anti-Avoidance Rules (GAAR) can be invoked to deny the treaty benefit in the following case, assuming that all other conditions prescribed for application of GAAR are being satisfied:

X Pvt. Ltd., an Indian Company and Y Pvt. Ltd. (100% subsidiary of YAN Ltd.) located in country "A" formed a joint venture company XY Pvt. Ltd. in India on 01.04.2025. As per the joint venture agreement, 51% of shares are held by X Pvt. Ltd. and 49% are held by Y Pvt. Ltd. in XY Pvt. Ltd. There is no other business activity in Y Pvt. Ltd.

Y Pvt. Ltd. is designated as Permitted Transferee of YAN Ltd. Permitted Transferee means though shares of XY Pvt. Ltd. are held by Y Pvt. Ltd. all rights of voting, management, right to sell etc. are vested with YAN Ltd.

On 19.03.2026, the shares held by Y Pvt. Ltd. in XY Pvt. Ltd. are sold to P Pvt. Ltd. which is a group company of X Pvt. Ltd. As per the tax-treaty between India and Country "A", there is no tax for capital gains either in source country or in Country "A". Consequently, the capital gains arising to Y Pvt. Ltd. are not taxable in India.

**ANSWER**

GAAR may, prima facie, apply, when the following twin conditions are satisfied:

- Main purpose of the arrangement being tax benefit, and
- Existence of tainted benefit.

As per the tax treaty between India and Country "A", there is no tax on capital gains either in the Source country or in Country "A", Consequently, the capital gains arising to Y Pvt. Ltd. is not taxable in India.

The arrangement of routing investment through Country "A" would result in a tax benefit. Since there is no business purpose in incorporating a company Y Pvt. Ltd. (100% subsidiary of YAN Ltd.) in Country "A", it can be said that the main purpose of the arrangement is to obtain a tax benefit.

On the question of whether the arrangement has any tainted element, it is evident that there is no commercial substance in incorporating Y Pvt. Ltd. as it does not have any effect on the business risk of YAN Ltd. or cash flow of YAN Ltd.

Additionally, the fact that all rights of shareholders of Y Pvt. Ltd. (designated as Permitted Transferee) are being exercised by YAN Ltd. instead of Y Pvt. Ltd, indicates that Y Pvt. Ltd lacks commercial substance.

As the twin conditions of main purpose being tax benefit and existence of a tainted element are satisfied, GAAR may be invoked in this case.

### **QUESTION 7**

Mr. Gavaskar sought voluntary retirement from a Government of India Undertaking and received compensation of ₹40 lacs on 28th February, 2025. He is planning to use the money as capital for business dealership in electronic goods. The manufacturer of the product requires a security deposit of ₹15 lacs, which would carry interest at 8% p.a. Gavaskar's wife is a graduate and has worked as marketing manager in a multinational company for 15 years. She now looks for a change in employment. She is willing to join her husband in running the business. She expects an annual income of ₹5 lacs. Mr. Gavaskar would like to draw a monthly remuneration of ₹40,000 and also interest @ 10% p.a. on his capital in the business. Mr. Gavaskar has approached you for a tax efficient structure of the business.

Discuss the various issues, which are required to be considered for formulating your advice. Computation of income or tax liability is not required.

**ANSWER**

The selection of the form of organisation to carry on any business activity is essential in view of the differential tax rates prescribed under the Income tax Act, 1961 and specific concessions and deductions available under the Act in respect of different entities. For the purpose of formulating advice as to the tax efficient structure of the business, it is necessary for the tax consultant to consider the following issues:

- (i) In the case of sole proprietary concern, interest on capital and remuneration paid to the proprietor is not allowable as deduction under section 37(1) as the expenditure is of personal nature. On the other hand, in the case of partnership firm, both interest on capital and remuneration payable to partners are allowable under section 37(1) subject to the conditions and limits laid down in section 40(b). Such interest and salary shall be taxable in the hands of partners to the extent the same is allowed as deduction in the hands of the firm under section 40(b). Interest to partners can be allowed up to 12% on simple interest basis, while the limit for allowability for partners' remuneration is based on book profit under section 40(b).

Note - However, if the firm is eligible to opt for presumptive taxation under section 44AD, 8% of gross receipts or 6% of gross receipts, as the case may be, would be deemed as its income. All deductions under section 30 to 37 are deemed to be allowed. No deduction is allowable, including deduction for partner's remuneration and interest on capital.

- (ii) Partner share in profits of firm is not taxed in hands of partners by virtue of section 10(2A).
- (iii) If a proprietary concern is formed, the salary of Mrs. Gavaskar shall be allowed as deduction under section 37(1).
- (iv) The possibility of invoking section 40A(2) cannot be ruled out as salary is payable to a relative, who is an interested person within the meaning of section 40A(2). However, it can be argued successfully that salary of ₹5 lacs is justified in view of her long experience as marketing manager of a multinational company and the fair market value of services to be rendered by her to the concern.

- (v) An issue arises as to whether remuneration of Mrs. Gavaskar would be includible in the total income of Mr. Gavaskar. Under section 64(1)(ii), remuneration of the spouse of an individual working in a concern in which the individual is having a substantial interest shall be included in the total income of the individual. However, the clubbing provision does not apply if the spouse possesses technical or professional qualification and the income is solely attributable to the application of his or her technical or professional knowledge and experience. The experience of Mrs. Gavaskar as a marketing manager in a multinational company for 15 years may reasonably be considered as a professional qualification for this purpose.
- (vi) If Mrs. Gavaskar joins the proprietary concern or partnership concern of her husband as employee, remuneration of ₹5 lacs shall be taxed in her hands under the head "salary".
- (vii) If she joins as partner in the business, remuneration shall be taxed in her hand as business income u/s 28 to the extent such remuneration is allowed in the hands of the firm u/s 40(b).
- (viii) The tax rate applicable to an individual depends on the level of his/her income, whereas for partnership firms it is flat rate at 30%. Surcharge @ 12% would be attracted only if total income exceeds ₹1 crore. For individuals, the tax is as per slab rates. The surcharge for total income exceeding ₹ 50 lakhs but not exceeding ₹1 crore is 10% of tax payable; for total income exceeding ₹1 crore but not exceeding ₹2 crore is 15% of tax payable; for total income exceeding ₹2 crore but not exceeding ₹5 crore is 25% of tax payable and for total income exceeding ₹5 crore is 37% of tax payable. Health and Education cess @ 4% on income-tax plus surcharge, if applicable, is attracted in all the cases.

**QUESTION 8**

Specify with reason, whether the following acts can be considered as (i) Tax planning; or (ii) Tax management; or (iii) Tax evasion.

- (i) Mr. P deposits ₹1,00,000 in PPF account so as to reduce his total income from ₹5,90,000 to ₹4,90,000.
- (ii) SOL Ltd. maintains register of tax deduction at source effected by it to enable timely compliance.
- (iii) An individual tax payer making tax saver deposit of ₹1,00,000 in a nationalised bank.
- (iv) A partnership firm obtaining declaration from lenders/depositors in Form No. 15G/15H and forwarding the same to income-tax authorities.
- (v) A company installed an air-conditioner costing ₹75,000 at the residence of a director as per terms of his appointment but treats it as fitted in quality control section in the factory. This is with the objective to treat it as plant for the purpose of computing depreciation.
- (vi) RR Ltd. issued a credit note for ₹80,000 as brokerage payable to Mr. Ramana who is the son of the managing director of the company. The purpose is to increase the total income of Mr. Ramana from ₹4,20,000 to ₹5,00,000 and reduce the income of RR Ltd. correspondingly.
- (vii) A company remitted provident fund contribution of both its own contribution and employees' contribution on monthly basis before due date.

| 4. | Tax management | Obtaining declaration from lenders/depositors in Form No. 15G/15H by a partnership firm and forwarding the same to Income-tax authorities is in the nature of compliance of statutory obligation under the Income-tax Act, 1961.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| 5. | Tax evasion    | An air conditioner fitted at the residence of a director as per the terms of his appointment would be a furniture qualifying for depreciation @10%, whereas an air conditioner fitted in a factory would be a plant qualifying for a higher depreciation @15%. The wrong treatment unjustifiably increases the amount of depreciation and consequently, reduces profit and consequent tax liability. Treatment of air-conditioner fitted at the residence of a director as a plant fitted at the factory would tantamount to furnishing of false particulars with an attempt to evade tax.                                                                                                                        |
| 6. | Tax evasion    | Issuance of a credit note for 80,000 by RR Ltd. as brokerage payable to Mr. Ramana, the son of the Managing Director, to increase his total income from ₹4.2 lakh to ₹5.00 lakh and to correspondingly reduce the company's total income is a method of reducing the tax liability of the company by recording a fictitious transaction.<br>The company is liable to tax at a flat rate of 30%/25%, as the case may be, whereas Mr. Ramana would not be liable to pay any tax, since his total income does not exceed ₹5,00,000, consequent to which he would be eligible for tax rebate of ₹12,500 under sec. 87A. Reducing tax liability by recording a fictitious transaction would tantamount to tax evasion. |
| 7. | Tax management | Remitting of own contribution to provident fund & employees contribution to provident fund on a monthly basis before due date is proper compliance of the statutory obligations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
