5 Marks

Answer:

Computation of value of taxable supply and gross GST liability of Ms. Achintya for the month of March

Particulars	₹
List price of the goods	3,30,000
Add: Swachh Bharat Cass (SBC) levied on sale of goods [Note-1]	12,500
Add: Packing expenses [Note-2]	10,800
Less: Subsidy received from State Government [Note-3]	(5,000)
Less: Discount @ 1% on list price [Note-4]	(3,300)
Value of taxable supply	3,45,000
CGST @ 9%	31,050
SGST @ 9%	31,050
Gross GST liability	62,100

Notes: -

- ✓ As per section 15 of CGST Act, 2017,
- ✓ Any taxes, duties and cases levied under any law other than CGST, SGST is includible in the value.
- ✓ Packing expenses being incidental expenses, are includible in the value.
- ✓ Since subsidy is received from State Government, the same is not includible in the value. It has been assumed that such subsidies are directly linked to the price of the goods. Further, since the same has not been adjusted in the list price, the same is to be excluded from the list price.
- ✓ Since discount is known at the time of supply, it is deductible from the value.

Note:

- ✓ In the above answer, the term "exclusive" mention need in the question has been taken to be as "not adjusted in the list price", i.e. the list price given in the question is before adjusting the amount of discount and subsidy. However, it is also possible to take a view that the list price "excludes" amount of discount and subsidy. Therefore, the same need not be deducted again from the list price to arrive at the taxable value.
- ✓ Read SBC as other taxes.

Gagan Engineering Pvt. Ltd., registered in Haryana, is engaged in providing maintenance and repair services for heavy steel machinery. For carrying out the repair work, Gagan Engineering Pvt. Ltd. sends its container trucks equipped with items like repair equipment's, consumables, tools, parts etc. from Haryana workshop to its own repairing centers (registered under GST law) located in other States across India where the clients' machinery are being brought and are being repaired. Discuss the livability of GST on the inter-State movement of trucks from the workshop of Gagan Engineering Pvt. Ltd. in Haryana to its own repairing centers located in other States across India.

4 Marks**Answer:**

As per section 25(4), a person who has obtained more than one registration, whether in one State or Union territory or more than one State or Union territory shall, in respect of each such registration, be treated as 'distinct persons'. Schedule I to the CGST Act specifies situations where activities are to be treated as supply even if made without consideration. Supply of goods and/or services between 'distinct persons' as specified in section 25, when made in the course or furtherance of business is one such activity included in Schedule I under para 2.

However, as per CBIC circular, the inter-State movement of various modes of conveyance including, inter alia, trucks, carrying goods or passengers or both or for repairs and maintenance, between 'distinct persons' as specified in section 25(4), not involving further supply of such conveyance, may be treated 'neither as a supply of goods nor supply of service' and therefore, will not be leviable to

IGST. Applicable CGST/SGST/IGST, however, shall be leviable on repairs and maintenance done for such conveyance [Circular No. 1/1/2017 IGST dated 07.07.2017]. Thus, in the given case,

inter-State movement of trucks from the workshop of Gagan Engineering Pvt. Ltd. located in Haryana to its repair centers located in other States is 'neither a supply of goods nor supply of service'.
